Sex Joann Ellison Rodgers, 2003-02-11 How much do you really know about sex In *Sex A Natural History* Joann Ellison Rodgers unearths both the roots of our sexual nature and the expression of our primal urges explaining what it is that makes us male and female and providing fascinating insights into the biology and physiology of flirtation love courtship intercourse fidelity parenting and nurturing She describes scientists discoveries about how the hormone that triggers labor contractions keeps prairie voles faithful to one mate how the brain waves of female mice change when a male comes within smell range and how Harlequin paperback romances and fantasies can be arousing and what these findings tell us about our own sexuality *Sex A Natural History* illuminates one of the most powerful and often

misunderstood aspects of human and animal existence *Sex and the Goddess* Karin E Weiss Ph.D.,2019-11-20 It has been over twenty years since the full manuscript of my book was edited for publication in 1998 I had begun writing it in the previous decade the 1980 s a period of flourishing women s liberation movements against the patriarchal status quo Books about women s sexuality and spirituality were flooding the bookstores and many writers were producing profound studies of the untold heroism of women throughout history I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School s Program in Human Sexuality In addition I conducted women s self enrichment groups and workshops in my private practice Woman s Discovery Institute where I also gave professional Astrology readings and classes This rich mix of psychology philosophy spirituality and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women s unsung heroism throughout history It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi layered lives I based my theory on the lunar cycle which is eternally linked to women s menstrual emotional and psychic cycles With a friend I created a series of workshops for women to celebrate their many faceted selves and gain confidence to pursue their goals Yet for various reasons my book manuscript remained in my own bookshelf never getting published Until now the times again call for women to claim their autonomy and gain equality in an overly male dominated and viciously callous world I am blessed to find in Xlibris a publisher ready to take on the project with me I am thrilled to finally see my Life s Masterwork in print You will find many divergent ideas in these two volumes No single woman encompasses all that are described but as you read and recognize these characters in yourselves and your friends I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers **Sex Offenders** Fabian M. Saleh,2009-02-11 A comprehensive

clinical resource on sexual offenders that covers the basics in diagnosis natural history risk assessment and treatment in a way that is easy to absorb and to incorporate into practice The sections on legal issues are absolutely necessary for anyone working with sexual offenders in order to understand the extensive legal framework that operates around this subtype of offender The editors and contributors are concerned to ensure public safety while at the same time maintaining medical integrity and respect for due process The book is intended for psychiatrists clinical psychologists trainees and researchers who work with sex offenders as well as attorneys members of the judiciary and policymakers **Body-to-Body Intimacy**

Stella Resnick,2018-07-24 This book presents an integrative growth oriented approach to therapy with couples that demonstrates the dynamic interplay between partners emotional issues and their sexual difficulties It offers a model for relational and sexual enhancement that focuses as much on partners present nonverbal body to body communications as on their words Dr Stella Resnick draws on research from interpersonal neurobiology sexology positive psychology and Gestalt therapy and shares a rich assortment of therapy vignettes to demonstrate the transformative power of pleasure and how a focus on body to body intimacy can heal emotional wounds from the past and encourage greater presence empathy

authenticity playfulness and sexual pleasure between intimate partners The therapeutic process is explored in four related spectrums the Problem Transformation Spectrum the Attachment Sexuality Spectrum the Pain Pleasure Spectrum and the Cognitive Somatic Experiential Behavioral Spectrum Part I lays the theoretical foundation for the work Part II examines the early attachment bond between parent and child and its effects on adult capacity for emotional closeness and sexual pleasure Part III offers methods for resolving painful emotional issues underlying many sexual difficulties Finally Part IV describes the procedure for moving from a cognitive reframing of the problem to a somatic focus on the body and tracking present moment emotional interactions to the repair of relational injuries that nurture transformational change Also included is a series of process oriented exercises and a handout that therapists can use in their own practice Body to Body Intimacy will enable couples and sex therapists to expand their practices and enrich their clients sexual and relational dynamics This book also contains valuable information that will be appreciated by anyone interested in a greater understanding of a growth oriented therapeutic process for couples and what can be achieved together by gaining a deeply loving and sexually fulfilling intimate love relationship

Sex and God Linda Hurcombe, 2014-10-03 These stories essays and poems by women examine the connections feminists are making between sex and God The women write from very different perspectives cutting across the spectrum of feminist writing about sexuality and spirituality within the Judeo Christian tradition Some writers though critical are determined to retain their radicality in the very teeth of patriarchy by remaining within the traditional forms of faith Others impatient suggests the editor with the great inseminator in the sky have moved on to what might be described as a post patriarchal spirituality Contributions indicate the exciting spiritual journeys women are currently making and focus on the following areas monogamy and promiscuity sex politics and spirituality childbirth sex and healing in dying feminist sexual psychology lesbian identity and feminist embodied theology The recent and continuing debate about women priests in the Anglican church uneasily echoes the rumblings of change at a fundamental level in the relationship between women and religion This book with its reflections on both the politics of Christian feminism and the more widespread expression of women s spirituality makes an important contribution to that change First published in 1987
