I asked that He allow me to receive ideas or topics for devotionals teachings or commentaries each day He graciously granted me that prayer Every day in the hospital I was given a thought a devotional a teaching or a commentary with which I was able to expand throughout the year and include in this book These topics are meant to teach to encourage to make you reflect and as it is with the Word of God at times it convicts It is my hope for born again Christians that this book would reinforce their walk with Christ and that for unbelievers it would guide them to Christ As you read meditate on the message and apply it to your life but above all meditate on the Word of God that is found in each devotional A brief biography is also included at the beginning to introduce myself and walk you through my family background and how I got here At the end I have included some unique devotionals that apply God s science to everyday life
