

The background of the entire image is a warm, golden-orange scene. Two hands, one from the left and one from the right, are reaching towards each other and holding a bright, glowing sun. The sun is positioned in the center, creating a strong lens flare effect. Below the hands, a landscape with rolling hills or mountains is visible, bathed in the same warm light. The overall mood is hopeful and uplifting.

Dr Tony M Thurston,2023-01-27 As a team member of *Amazing Things The Church* the origin of this book is a result of Dr Tony Thurston finding a way to express what The Lord God gave to all of the saints who will be joining Him soon in glory Corroborating with Elder Sharon Bright Boxley also of *Amazing Things* I demonstrate the will of God for believers on this side of the grave and then show the awesome splendor and majesty that He's revealing to us beyond the grave and into eternity Upon completion of my graduate work in End Time ministry I was convinced that there were not many books that covered both sides of the grave simultaneously I also noticed that the blow of death to families was just too monumental So I felt compelled to offer not only for the living but also additional hope to people and families facing grave or terminal experiences During these difficult times I provide hope not arguing points Thus the book *Heavenly Things to Die For* targets four potential groups The downtrodden those searching for God's proof text the sick terminally ill and the elderly Scriptures are being discussed that will lift you up knowing that there in our midst is the compassionate God that loves you no matter what the situation is It delivers hope to those who are living or hope to people who are terminally ill Phil 1 21 27 The goal that is met in this offering is to bring you to a point of accepting whatever God has ordained for you including the beginning of real life which in fact is death *Pleasure Being Mine* Minister Dr Tony Thurston **God's Generation of Hope** Carl Barrett,2024-11-27 In a day and age where society and culture are veering further away from the teachings of God's word in

Life from Our Land Marcus Grodi,2015-10-03 There are few places left in this world where we can escape the influence and din of progress and technology Voices from every direction and perspective beckon even push us forward toward more greater and faster technology with the teaser of more wealth more possessions more pleasure and consequently more happiness and contentment This is how the present American dream is now defined and every investment broker and political candidate promises that if we trust them we also can trust that one day it will all be ours But have we become so blinded by the material industrial progressivist culture in which we live that we ve lost the ability not just to achieve but to even discern

what true happiness and beauty is What criteria do we use to plan for tomorrow for the future for retirement and when this life is over are we anything more than just fertilizer to give back to Mother Earth what we have so irresponsibly taken from her And in the end with all the opportunities we've had in this life what is important What lasts Has our culture's enticement to always look for an easier labor saving means to do everything left us a flabby flaccid culture In this book Marcus Grodi discusses what he and his family discovered mostly by surprise after moving from the city to 25 acres of rural Ohio farm land This involved a radical shift in priorities for all of them but mostly it helped them discover some critical truths about life simplicity detachment about our relationship to nature and to nature's Creator that apply regardless of where a person lives He offers wonderful reflections about life from this going back to the land experience as a metaphor of authentic conversion and drawing closer to God
