Ripley Under Ground Patricia Highsmith, 2008-09-17 Ripley is an unmistakable descendant of Gatsby that penniless young man without a past who will stop at nothing Frank Rich Now part of American film and literary lore Tom Ripley a bisexual psychopath and art forger who murders without remorse when his comforts are threatened New York Times Book Review was Patricia Highsmith s favorite creation In these volumes we find Ripley ensconced on a French estate with a wealthy wife a world class art collection and a past to hide In *Ripley Under Ground* 1970 an art forgery goes awry and Ripley is threatened with exposure in *The Boy Who Followed* 1980 Highsmith explores Ripley s bizarrely paternal relationship with a troubled young runaway whose abduction draws them into Berlin s seamy underworld and in *Ripley Under Water* 1991 Ripley is confronted by a snooping American couple obsessed with the disappearance of an art collector who visited Ripley years before More than any other American literary character Ripley provides a lens to peer into the sinister machinations of human behavior John Freeman Pittsburgh Gazette *Ripley et les ombres* Patricia Highsmith, 1998

Beautiful Shadow Andrew Wilson, 2008-12-07 The life of Patricia Highsmith was as secretive and unusual as that of many of the best known characters who people her peerlessly disturbing thrillers and short stories Yet even as her work has found new popularity in the last few years the life of this famously elusive writer has remained a mystery For *Beautiful Shadow* the first biography of Highsmith British journalist Andrew Wilson mined the vast archive of diaries notebooks and letters she left behind astonishing in their candor and detail He interviewed her closest friends and colleagues as well as some of her many lovers But Wilson also traces Highsmith s literary roots in the work of Poe noir and existentialism locating the influences that helped distinguish Highsmith s writing so startlingly from more ordinary thrillers The result is both a serious critical

biography and one that reveals much about a brilliant and contradictory woman one who despite her acclaim and affairs always maintained her solitude
