Ripper Notes America Looks At Jack The Ripper:

Ripper Notes Wolf Vanderlinden, John Hacker, 2004-06-15 Ripper Notes America Looks at Jack the Ripper is a collection of essays about the notorious Whitechapel serial killer and related topics It leads off with a newly discovered and never before republished 1892 interview with Assistant Commissioner Robert Anderson of Scotland Yard Anderson was a very important figure in the investigations and made statements later in life that the killer had been identified and put into an asylum This article is accompanied by a short analysis showing why that is unlikely Wolf Vanderlinden then gives an in depth look at the suspects in the 1891 death of prostitute Carrie Brown in New York City a case long connected by many to the earlier string of Ripper killings in the East End of London This is followed by coverage of the 2004 U S Ripper Conference including essays by John Hacker Jack the Ripper and Technology Ripperology in the Twenty First Century and Stan Russo The Strange Case of Dr Hewitt which questions why some suspects are treated more seriously than they probably should be adapted from their presentations there A number of shorter pieces by various authors follows Ripper Notes is a nonfiction anthology series covering all aspects of the Jack the Ripper murder case

Ripper Notes Dan Norder, Wolf Vanderlinden, Stewart P. Evans, 2005 Ripper Notes How the Newspapers Covered the Jack the Ripper Murders is a collection of essays about press reports of the notorious Whitechapel serial killer as well as other related topics When the People Were in Terror by Norman Hastings republishes for the first time a comprehensive series of early 20th century articles about the impact the Whitechapel murders had on society from the police investigation of the crimes to the fear that gripped the public The Murder in Cartin s Court by Don Souden looks at how the early newspaper reports seriously bungled the facts of the death of Mary Jane Kelly the fifth and last of the canonical five Ripper victims The London Police The View from the Irish Press by Alan Sharp examines how journalists reacted to the police investigation concentrating on reports printed in Ireland Other contents include Stewart P Evans with new information on the legends that psychic Robert Lees solved the case Wolf Vanderlinden looking for the meaning behind several contemporary newspaper reports and several other short pieces Ripper Notes is a nonfiction anthology series covering all aspects of the Jack the Ripper case

The Mammoth Book of Jack the Ripper Maxim Jakubowski, 2008-04-24 Updated and expanded edition of the fullest ever collective investigation into Jack the Ripper and the Whitechapel Murders This volume collects not just all the key factual evidence but also 20 different arguments as to the identity of Jack the Ripper such as that advanced by Patricia Cornwell Contributions are from the world s leading Ripperologists including William Beadle Melvyn Fairclough Martin Fido Shirley Harrison James Tully and Colin Wilson The identity of Jack the Ripper has plagued professional historians criminologists writers and amateur enthusiasts The many suspects include Montague John Druitt Walter Sickert Aaron Kosminski Michael Ostrog William Henry Bury Dr Tumblety and James Maybrick The only certainty is that Ripperologist have not found an individual on whom they can all agree The essays are supported by a detailed chronology extensive bibliography and filmography

Jack the Ripper and

Abraham Lincoln Tony McMahon,2024-05-07 An astonishing connection between two of the 19th century's greatest crimes. A fraudulent doctor Francis Tumblety is implicated in both the 1865 assassination of President Abraham Lincoln and the 1888 Jack the Ripper killings. It seems incredible that Jack the Ripper could have been involved in killing President Lincoln, but the evidence is revealed in this book. We delve into a murky underworld in America's Gilded Age and the poverty-ridden slums of London's Whitechapel district following the murderous trail left by Tumblety. A flamboyant huckster well known in the newspaper gossip columns whose celebrity masked his homicidal tendencies. Arrested over the Lincoln assassination, then released while others were hanged on the scaffold. Put behind bars briefly by Scotland over the Jack the Ripper killings, but then makes a daring escape. The proof is overwhelming that Tumblety was one of the most dangerous criminals of the 19th century.

Riptide Michael Prescott, From New York Times and USA Today bestseller Michael Prescott author of *Final Sins* and *Cold Around the Heart* comes *Riptide*, a dark unsettling descent into old crimes and new madness. Jennifer Silence reads between the lines. A psycholinguistic analyst she studies documents written by murderers, teasing out hidden clues. But nothing in her life has prepared her for the document that is now in her hands. A leather-bound diary from a crumbling crypt. The diary of Jack the Ripper. If it is genuine, it suggests a troubling connection between Jennifer's family and history's most infamous serial killer. A connection that may explain her father's suicide and her brother's mental illness. A connection that may implicate her brother in a new rash of killings and prove that the Ripper's spirit still prowls dark streets and alleys, taking lives. And the next victim may be Jennifer herself.

The Screen Is Red Bernard F. Dick, 2016-03-14 *The Screen Is Red* portrays Hollywood's ambivalence toward the former Soviet Union before during and after the Cold War In the 1930s communism combated its alter ego fascism yet both threatened to undermine the capitalist system the movie industry's foundational core value Hollywood portrayed fascism as the greater threat and communism as an aberration embraced by young idealists unaware of its dark side In *Ninotchka* all a female commissar needs is a trip to Paris to convert her to capitalism and the luxuries it can offer The scenario changed when Nazi Germany invaded the Soviet Union in 1941 making Russia a short lived ally The Soviets were quickly glorified in such films as *Song of Russia* *The North Star* *Mission to Moscow* *Days of Glory* and *Counter Attack* But once the Iron Curtain fell on Eastern Europe the scenario changed again America was now swarming with Soviet agents attempting to steal some crucial piece of microfilm On screen the atomic detonations in the Southwest produced mutations in ants locusts and spiders and revived long dead monsters from their watery tombs The movies did not blame the atom bomb specifically but showed what horrors might result in addition to the iconic mushroom cloud Through the lens of Hollywood a nuclear war might leave a handful of survivors *Five none* *On the Beach* *Dr Strangelove* or cities in ruins *Fail Safe* Today the threat is no longer the Soviet Union but international terrorism Author Bernard F Dick argues however that the Soviet Union has not lost its appeal as evident from the popular and critically acclaimed television series *The Americans* More than eighty years later the screen is still red
