Rising Expectations Urban Congregations Welfare Reform And Civic Life

Mary L. Mapes

Rising Expectations Urban Congregations Welfare Reform And Civic Life:

Rising Expectations Arthur Emery Farnsley, 2003 *Rising Expectations* examines the current attempts to enlist religious congregations as partners in social services and community development. It highlights stark demographic realities about urban congregations in order to challenge current assumptions about welfare reform and to encourage realistic expectations for the future. Both governmental officials and civic leaders are calling on religious congregations to become more active partners in social welfare reforms especially through Charitable Choice. Based on research conducted in Indianapolis, Indiana, Farnsley examines the context for those changes and evaluates the current and potential role for congregations as community development agencies and social service providers. Farnsley begins with an assessment of congregations seen as one interdependent piece in a complex urban environment. He then deals with the three basic assumptions about congregations that drive contemporary faith-based reforms: How well do congregations know their neighbors? Is smaller better? And can congregations impart values? Finally, the book considers plans for future implementation or expansion of reform.

Religion and Social Development in Post-apartheid South Africa Ignatius Swart, Hermann Rocher, Sulina Green, Johannes Erasmus, 2010-10-01. It reflects original research and contributes to new developments in the field of theology and religion with regard to its developmental role within a transformation context. The book may easily stand out in the future as seminal in the way that it promoted the social development debate of the church and its organisational structures from an interdisciplinary focus. Prof. Antoinette Lombard, Department of Social Work and Criminology, University of Pretoria.

Sacred Circles, Public Squares Arthur E. Farnsley II, N. J. Demerath III, Etan Diamond, Mary L. Mapes, 2005-01-07. This study of the religious landscape of Indianapolis is the summative volume of the Lilly Endowment's Project on Religion and Urban Culture conducted by the Polis Center at IUPUI. It aims to understand religion's changing role in public life. The book examines the shaping of religious traditions by the changing city. It sheds light on issues such as social capital and faith-based welfare reform and explores the countervailing pressures of decentering the creation of multiple sub-urban centers and civil religion's role in binding these centers into one metropolis. Polis Center Series on Religion and Urban Culture. David J. Bodenhamer and Arthur E. Farnsley II, editors.

Travelers on the Journey Constantine, 2005-07-13. Homelessness, violence, troubled schools, fraying families: how can people of faith address such deplorable public realities? Through interviews as instructive as they are inspiring, *Travelers on the Journey* brings readers face-to-face with six socially engaged pastors who serve congregations and communities from rural Arkansas to urban Atlanta. BOOK JACKET

Putting Faith in Partnerships Stephen V. Monsma, 2009-11-16. *Putting Faith in Partnerships* addresses a major conceptual change in American domestic policy begun by Reagan and now fully realized by the Bush administration: the shift of responsibility for social services from the federal government to states and communities. In this groundbreaking study of a politically controversial topic, the debut offering in Alan Wolfe's Contemporary Political and Social Issues series, author Stephen Monsma avoids overheated rhetoric.

in favor of a careful critical analysis of the hard evidence on whether public private partnerships really work The book is based on in depth studies of social service programs in Los Angeles Chicago Philadelphia and Dallas By examining public private partnerships between government offices and nonprofit organizations Monsma seeks to understand how these partnerships affect the balance between government s efforts to deal with social problems and the rights of individual citizens to control their own lives Putting Faith in Partnerships answers many previously unanswered questions in what may be the most controversial public policy debate today about the feasibility and wisdom of government agencies forming partnerships with private organizations to provide essential public social services Stephen V Monsma is Professor of Political Science at Pepperdine University He has served as director of the Office of Quality Review in Michigan s Department of Social Services and is a widely recognized expert on the role of faith based organizations in social service programs

The Impact of Religion on Social Cohesion, Social Capital Formation and Social Development in Different Cultural Contexts Wilhelm Gräb,Lars Charbonnier,2014 What is the glue of society Which forms of sociability help to overcome social needs and poverty The role of religion and religious institutions are often expected to be relevant to questions like these But until today these issues were seldom raised from a theological perspective This volume opens the discourses on social cohesion social capital formation and social development for the theological debate presenting theoretical reflections and empirical research by scholars from different religion related disciplines Series Studies on Religion and Culture Studien zu Religion und Kultur Vol 4

A Public Charity Mary L. Mapes,2004-10-19 Using Indianapolis as its focus this book explores the relationship between religion and social welfare Arising out of the Indianapolis Polis Center s Lilly sponsored study of religion and urban culture the book looks at three issues the role of religious social services within Indianapolis s larger social welfare support system both public and private the evolution of the relationship between public and private welfare sectors and how ideas about citizenship mediated the delivery of social services Noting that religious nonprofits do not figure prominently in most studies of welfare Mapes explores the historical roots of the relationship between religiously affiliated social welfare and public agencies Her approach recognizes that local variation has been a defining feature of American social welfare A Public Charity aims to illuminate local trends and to relate the situation in Indianapolis to national trends and events Polis Center Series on Religion and Urban Culture David J Bodenhamer and Arthur E Farnsley II editors

Welfare, Religion and Gender in Post-apartheid South Africa Ignatius Swart,Amanda Gouws,Per Pettersson,Frouwien Bosman,Johannes Erasmus,2012-04-01 The topic covered by this book is important crucially so in post apartheid South Africa and the research is meticulous This has resulted in an impressive collection of material concerning welfare religion and gender in twenty first century South Africa which includes both theoretical reflections and an abundance of empirical data Professor Grace Davie Professor Emerita of Sociology University of Exeter UK

The Other Philadelphia Story Ram A. Cnaan,Stephanie C. Boddie,Stephanie Boddie,Charlene C. McGrew,Jennifer Kang,2010-11-24 For people living in U S cities

social services come not only from the government but increasingly also from local religious communities Ever since the Clinton administration s welfare reform faith based institutions and especially congregations have been allowed to bid for federal funds for their programs In *The Other Philadelphia Story* drawing on the first ever census of congregations in any American city Ram Cnaan and his colleagues provide an authoritative account of the functioning of congregations their involvement in social services and their support of other charitable organizations An in depth study of 1 392 congregations in Philadelphia the book illuminates how these groups function as community hubs where members and neighbors alike gather throughout the week Cnaan s findings show that almost every assembly of parishioners emphasizes caring for others even if the help is modest Thus American congregations uphold an implicit but strong norm of social responsibility and work to improve the quality of life for members and nonmembers alike Many of the problems associated with urban life persist in the face of governmental inaction and the burden of responsibility cannot be shouldered entirely by congregations However in a city such as Philadelphia where half the residents are regular attenders of religious congregations hopes for urban improvement are largely to be found in these local groups Special focus is given in the book to kinds of care that often go unnoticed volunteerism provision of refuge and informal assistance to community members in need All told Cnaan asserts congregations are an essential component of Philadelphia s civil society Without them the quality of life would deteriorate immeasurably

Souls of the City Etan Diamond,2003-06-24 Who has time for community in the modern metropolis The answer may surprise you apparently lots of us As this book discusses religious communities have long been an important way for people in all parts of the modern city to come together Whether in new suburban subdivisions in rural areas undergoing change or in inner city neighborhoods people of all social backgrounds races and economic means have used their congregations as a way to set down new roots and to hold on to old ones Focusing on Indianapolis Indiana a city in America s geographical and cultural heartland *Souls of the City* describes the range of changes to America s cities and American religion during the last decades of the 20th century In showing the historical ability of religious congregations to become places of worship this book challenges those who lament the soulless nature of modern metropolitan life

Adolescent Development and School Achievement in Urban Communities Gary Creasey,Patricia A. Jarvis,2012 This timely volume explores essential themes issues and challenges related to adolescents lives and learning in underserved urban areas Distinguished scholars provide theoretically grounded multidisciplinary perspectives on contexts and forces that influence adolescent development and achievement The emphasis is on what is positive and effective what can make a real difference in the lives and life chances for urban youths rather than deficits and negative dysfunction Going beyond solely traditional psychological theories a strong conceptual framework addressing four domains for understanding adolescent development undergirds the volume developmental continuities from childhood primary changes biological cognitive social contexts of development adolescent outcomes A major federal government initiative is the development of programs to support

underserved urban areas Directly relevant to this initiative this volume contributes significantly to gaining a realistic understanding of the contexts and institutions within which urban youths live and learn *Religion, Spirituality, and Aging* Harry R Moody, 2012-12-06 Learn how to make a more positive impact with your social work with the aged Religion is an important coping mechanism for many aging adults Religion Spirituality and Aging A Social Work Perspective presents the latest research that shows how religion and spirituality can improve quality of life for elders Respected social work researchers and scholars provide insight and practical methods for fostering positive aging while also considering how spirituality and religion can affect practitioners themselves The full range of advantages and ethical implications are discussed in clear detail from a social work viewpoint Case studies plainly illustrate the positive impact that the inclusion of spirituality and religion in an aging person's life may have on their physical and mental welfare Organized social work in the early twentieth century actively tried to distance itself from its roots as a form of religious charity in favor of becoming a scientific and professional endeavor Religion Spirituality and Aging once again bridges the gap between social work and spiritual matters by presenting penetrating articles that discuss the issues of the aging soul while examining ways to improve care Creative strategies are offered to contribute to the spiritual side of aging while considering every implication and ethical question The compilation is extensively referenced and includes helpful figures and tables to clearly illustrate data and ideas Religion Spirituality and Aging discusses the latest social work trends and attitudes toward spirituality prayer meditation and acts of altruism as interventions an empirical study of how social workers use religion and spirituality as an intervention ethical considerations and best practices religion and spirituality during long term care the Postcards to God project dreams and their relationship to the search for meaning in later life a spiritual approach to positive aging through autobiography dementia and spirituality creating new rituals for sacred aging spiritual master Henri Nouwen's principles of aging and his approaches to caring for older people an interview study on elders spirituality and the changes manifested in their views of religion Religion Spirituality and Aging is a remarkable reminder that elders are our future selves This erudite well reasoned examination of aging and spirituality from a social work perspective is crucial reading for social workers human service professionals who work with the aged and gerontology scholars

Handbook of Religion and Social Institutions Helen Rose Ebaugh, 2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions

Not by Faith Alone Julie Adkins, Laurie A. Occhipinti, Tara Hefferan, 2010-07-02 This

edited collection provides an in depth ethnographic study of faith based development organizations in the United States shining a much needed critical light onto these organizations and their role in the United States by exploring the varied ways that faith based organizations attempt to mend the fissures and mitigate the effects of neoliberal capitalism poverty and the social service sector on the poor and powerless In doing so Not by Faith Alone generates provocative and sophisticated analyses grounded in empirical case studies of such topics as the meaning of faith based development evaluations of faith based versus secular approaches the influence of faith orientation on program formulation and delivery and examinations of faith based organizations impacts on structural inequality and poverty alleviation Taken together the chapters in this volume demonstrate the vital importance of ethnography for understanding the particular role of faith based agencies in development The contributors argue for an understanding of faith based development that moves beyond either dismissing or uncritically supporting faith based initiatives Instead contributors demonstrate the importance of grounded analysis of the specific discourses practices and beliefs that imbue faith based development with such power and reveal both the promise and the limitations of this particular vehicle of service delivery

Reinventing Civil Society: The Emerging Role of Faith-Based Organizations Cynthia Jackson-Elmoore, Richard C. Hula, Laura A. Reese, 2014-12-18 This guide concentrates on resources that are useful in an easy to use format to enable architects designers and engineers to access a wealth of knowledge Information allows users to find evaluate and contact the resources that can save time and money in day to day practice

Social Accounting and Public Management Stephen P. Osborne, Amanda Ball, 2010-10-18 This volume brings together researchers from a range of disciplines including accounting political science management sociology and policy studies to discuss and develop our knowledge and theory of the nature of accountability in contemporary global society and the challenges it may pose for public policy and management

Public Religion and the Urban Environment Richard Bohannon, 2012-04-26 Nature and the city have most often functioned as opposites within Western culture a dichotomy that has been reinforced and sometimes challenged by religious images Bohannon argues here that cities and natural environments however are both connected and continually affected by one another He shows how such connections become overt during natural disasters which disrupt the narratives people use to make sense of the world including especially religious narratives and make them more visible This book offers both a theoretical exploration of the intersection of the city nature and religion as well as a sociological analysis of the 1997 flood in Grand Forks ND USA This case study shows how religious factors have influenced how the relationship between nature and the city is perceived and in particular have helped to justify the urban control of nature The narratives found in Grand Forks also reveal a broader understanding of the nature of Western cities highlighting the potent and ethically rich intersections between religion cities and nature

Saving Souls, Serving Society Heidi Rolland Unruh, Ronald J. Sider, 2005-10-06 As public funding for social services has been slashed there has arisen an unprecedented interest in the potential and dangers of faith based institutions as agents of social

change This text seeks to answer pressing questions surrounding this important and controversial issue

God and Government in the Ghetto Michael Leo Owens, 2008-11-15 In recent years as government agencies have encouraged faith based organizations to help ensure social welfare many black churches have received grants to provide services to their neighborhoods poorest residents This collaboration activist churches explain is a way of enacting their faith and helping their neighborhoods But as Michael Leo Owens demonstrates in *God and Government in the Ghetto* this alliance also serves as a means for black clergy to reaffirm their political leadership and reposition moral authority in black civil society Drawing on both survey data and fieldwork in New York City Owens reveals that African American churches can use these newly forged connections with public agencies to influence policy and government responsiveness in a way that reaches beyond traditional electoral or protest politics The churches and neighborhoods Owens argues can see a real benefit from that influence but it may come at the expense of less involvement at the grassroots Anyone with a stake in the changing strategies employed by churches as they fight for social justice will find *God and Government in the Ghetto* compelling reading

Christianity and the Roots of Morality , 2017-06-06 What is the role of religion especially Christianity in morality pro social behavior and altruism Are there innate human moral capacities in the human mind When and how did they appear in the history of evolution What is the real significance of Jesus teaching in the Sermon on the Mount does it set up unique moral standards or only crystallize humans innate moral intuitions What is the role of religious teachings and religious communities in pro social behavior Christianity and the Roots of Morality Philosophical Early Christian and Empirical Perspectives casts light on these questions through interdisciplinary articles by scholars from social sciences cognitive science social psychology sociology of religion philosophy systematic theology comparative religion and biblical studies Contributors include Nancy T Ammerman István Czachesz Grace Davie Jutta Jokiranta Simo Knuuttila Kristen Monroe Mika Ojakangas Sami Pihlström Antti Raunio Heikki Rissanen Risto Saarinen Kari Syreeni Lauri Thurén Petri Ylikoski

Rising Expectations Urban Congregations Welfare Reform And Civic Life Introduction

In today's digital age, the availability of Rising Expectations Urban Congregations Welfare Reform And Civic Life books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rising Expectations Urban Congregations Welfare Reform And Civic Life books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rising Expectations Urban Congregations Welfare Reform And Civic Life books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rising Expectations Urban Congregations Welfare Reform And Civic Life versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rising Expectations Urban Congregations Welfare Reform And Civic Life books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rising Expectations Urban Congregations Welfare Reform And Civic Life books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for

literature enthusiasts. Another popular platform for Rising Expectations Urban Congregations Welfare Reform And Civic Life books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rising Expectations Urban Congregations Welfare Reform And Civic Life books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rising Expectations Urban Congregations Welfare Reform And Civic Life books and manuals for download and embark on your journey of knowledge?

FAQs About Rising Expectations Urban Congregations Welfare Reform And Civic Life Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rising Expectations Urban Congregations Welfare Reform And Civic Life is one of the best book in our library for free trial. We provide copy of Rising Expectations Urban Congregations Welfare Reform And Civic Life in digital format, so the resources that you find are

reliable. There are also many Ebooks of related with Rising Expectations Urban Congregations Welfare Reform And Civic Life. Where to download Rising Expectations Urban Congregations Welfare Reform And Civic Life online for free? Are you looking for Rising Expectations Urban Congregations Welfare Reform And Civic Life PDF? This is definitely going to save you time and cash in something you should think about.
