It is used in all the monasteries to teach the path to Buddhahood in accordance with the Perfection of Wisdom Sutras. It teaches this in outline form so it requires a commentary to be understood. The oldest extant commentary is Arya Vimuktisena's Vrtti. Haribhadra, the most influential Indian commentator, drew upon this to write his Aloka. Virtually all of the many famous Tibetan teachers who wrote their own commentaries on the Abhisamayalamkara relied on Haribhadra as their primary source. An expert at uncovering spy rings, Bree Russo McNamara is now labeled RED: retired, extremely dangerous, by the CIA. With her specialized skill set, she's found a new home with Shadow Force International, but her current assignment may be the most challenging of her life: recruit her estranged husband to join SFI's spy division. She just has to remember not to shoot him first. Former Navy SEAL Aiden McNamara never intended to marry a smartass spy, much less the sexy agent provocateur he met in Vegas five years ago. Having been at the heart of Bree's last undercover op that nearly got them both killed, he knows better than to say yes to her request. But when has he ever denied her anything? As the two join forces to bring down a notorious spy ring inside the United States, will the passion simmering under the surface of their damaged love affair expose their deep cover mission? Or will they once more end up strange bedfellows and adversaries in a lethal game of covert ops? About the series: Shadow Force International, a group of former SEALs abandoned by the United States and labeled as rogue operatives, now work as a black ops team performing private intelligence, security, and paramilitary missions for those who have nowhere else to turn.
