The Nutshell Technique Jill Chamberlain,2016-03-01 Veteran script consultant Jill Chamberlain discovered in her work that an astounding 99 percent of first time screenwriters don t know how to tell a story These writers may know how to format a script write snappy dialogue and set a scene They may have interesting characters and perhaps some clever plot devices But invariably while they may have the kernel of a good idea for a screenplay they fail to tell a story What the 99 percent do instead is present a situation In order to explain the difference Chamberlain created the Nutshell Technique a method whereby writers identify eight dynamic interconnected elements that are required to successfully tell a story Now for the first time Chamberlain presents her unique method in book form with The Nutshell Technique Crack the Secret of Successful Screenwriting Using easy to follow diagrams nutshells she thoroughly explains how the Nutshell Technique can make or break a film script Chamberlain takes readers step by step through thirty classic and contemporary movies showing how such dissimilar screenplays as *Casablanca* *Chinatown* *Pulp Fiction* *The Usual Suspects* *Little Miss Sunshine* *Juno* *Silver Linings Playbook* and *Argo* all have the same system working behind the scenes and she teaches readers exactly how to apply these principles to their own screenwriting Learn the Nutshell Technique and you ll discover how to turn a mere situation
