Shakespeares Hamlet And The Controversies Of Self

Lourens Minnema

Shakespeare's Hamlet And The Controversies Of Self:

Shakespeare's Hamlet and the Controversies of Self John Lee, 1995 *Shakespeare's Hamlet and the Controversies of Self* John Lee, 2000 This text offers a new approach to the discussion of English Renaissance literary subjectivity Unhappy with new historicist and cultural materialistic criticism it traces the history of the controversies of self Hamlet Harold Bloom, 2008 In Shakespeare's powerful drama of destiny and revenge Hamlet the troubled prince of Denmark must overcome his own self doubt and avenge the murder of his father Contains a selection of the finest criticism through the centuries on Hamlet as well as a biography on Shakespeare **Hamlet and the Rethinking of Man** Eric P. Levy, 2008 Isolating the conceptual apparatus dominant in the world of the play this book traces the play's origins including those pertaining to Christian Humanism and the Aristotelian Thomist synthesis with its assumption of the sovereignty of reason

Shakespeare's Humanism Robin Headlam Wells, 2005-12-08 Renaissance humanists believed that if you want to build a just society you must begin with the facts of human nature This book argues that the idea of a universal human nature was as important to Shakespeare as it was to every other Renaissance writer In doing so it questions the central principle of post modern Shakespeare criticism Postmodernists insist that the notion of defining a human essence was alien to Shakespeare and his contemporaries as radical anti essentialists the Elizabethans were in effect postmodernists before their time In challenging this claim Shakespeare's Humanism shows that for Shakespeare as for every other humanist writer in this period the key to all wise action was the knowledge of our selves and our human condition **Nothingness, Negativity, and Nominalism in Shakespeare and Petrarch** Benjamin Boysen, 2020-11-09 Being exposed to the Nominalist expansion in early modernity Petrarch and Shakespeare are highly preoccupied with a Nominalist dimension of language and representation Against this background the study shows how these Renaissance poets advanced a special notion of subjectivity and identity as rooted in negativity otherness and representation The book thus argues for a new understanding of negative modes of subjectivity in Petrarch and Shakespeare A new and sharpened understanding emerging from an interpretation of Francesco Petrarch's notion of exile and of love in his great poetical cycle *Rerum vulgarium fragmenta* as well as a meticulous examination of the concept of nothingness in William Shakespeare's works Petrarch and Shakespeare poetically show how identity is alien and decentred yet also free and expanding In other words these poets illustrate how subjectivity is constituted by heterogeneity Moreover pointing to other examples of this negative subjectivity in Renaissance philosophy and poetry the study suggests that these models for subjectivity could be extended to other early modern writers

Tragic Views of the Human Condition Lourens Minnema, 2013-06-06 Can tragic views of the human condition as known to Westerners through Greek and Shakespearean tragedy be identified outside European culture in the Indian culture of Hindu epic drama In what respects can the Mahabharata epic's and the Bhagavadgita's views of the human condition be called tragic in the Greek and Shakespearean senses of the word Tragic views of the human condition are primarily embedded in

stories Only afterwards are these views expounded in theories of tragedy and in philosophical anthropologies Minnema identifies these embedded views of human nature by discussing the ways in which tragic stories raise a variety of anthropological issues issues such as coping with evil suffering war death values power sacrifice ritual communication gender honour injustice knowledge fate freedom Each chapter represents one cluster of tragic issues that are explored in terms of their particular Greek English Indian settings before being compared cross culturally In the end the underlying question is are Indian views of the human condition very different from Western views

Hamlet's Choice Peter Lake,2020-06-02 An illuminating account of how Shakespeare worked through the tensions of Queen Elizabeth s England in two canon defining plays Conspiracies and revolts simmered beneath the surface of Queen Elizabeth s reign England was riven with tensions created by religious conflict and the prospect of dynastic crisis and regime change In this rich incisive account Peter Lake reveals how in Titus Andronicus and Hamlet Shakespeare worked through a range of Tudor anxieties including concerns about the nature of justice resistance and salvation In both Hamlet and Titus the princes are faced with successions forged under questionable circumstances and they each have a choice whether or not to resort to political violence The unfolding action Lake argues is best understood in terms of contemporary debates about the legitimacy of resistance and the relation between religion and politics Relating the plays to their broader political and polemical contexts Lake sheds light on the nature of revenge resistance and religion in post Reformation England

Shakespeare and the Mediterranean International Shakespeare Association. World Congress,2004 Shakespeare s career long fascination with the Mediterranean made the association a natural one for this first World Shakespeare Congress of the Third Millennium The plenary lectures and selected papers in this volume represent some of the best contemporary thought and writing on Shakespeare in the ranging plenary lectures by Jonathan Bate on Shakespeare s islands and the Muslim connection Michael Coveney s on the late Sir John Gielgud Robert Ellrodt s on Shakespeare s sonnets and Montaigne s essays Stephen Orgel s on Shakespeare s own Shylock and Marina Warner s on Shakespeare s fairy tale uses of magic Also included in the volume s several sections are original papers selected from special sessions and seminars by other distinguished writers including Jean E Howard Gary Taylor and Richard Wilson Tom Clayton is Regents Professor of English Language and Literature and chair of the Classical Civilization Program at the University of Minnesota Susan Brock is Head of Library and Information Resources at the Shakespeare Birthplace Trust in Stratford upon Avon and Honorary Fellow of the Shakespeare Institute of the University of Birmingham Vicente Fores is Associate Profe

Fathers and Sons in Shakespeare Frederic B. Tromly,2010-01-01 Introduction interpreting Shakespeare s sons ambivalence rescue and revenge Paternal authority and filial autonomy in Shakespeare s England Henry VI part one prototypical beginnings the two John Talbots Richard II patrilineal inheritance and the generation gap Henry IV part one Deep defiance and the rebel prince Henry IV part two the prince becomes the king with a note on Henry V Hamlet notes from the underground paternal and filial subterfuge King Lear

the usurpation of fathers and of fathers and sons Macbeth and the late plays the disappearance of ambivalent sons
 Biographical coda William Shakespeare son of John Shakespeare Appendix 1 Shakespearean fathers and sons in Edward III
 Appendix 2 Thomas Plume s anecdote the merry cheeked jest cracking John Shakespeare Sir John Mennes and Sir John Falstaff

Shakespeare and Judgment Kevin Curran, 2016-10-27 Ranging widely across law aesthetics religion and philosophy this book offers the first account of the place of judgment in Shakespearean drama Shakespeare and Judgment gathers together an international group of scholars to address for the first time the place of judgment in Shakespearean drama Contributors approach the topic from a variety of cultural and theoretical perspectives covering plays from across Shakespeare s career and from each of the genres in which he wrote Anchoring the volume are two critical contentions first that attending to Shakespeare s treatment of judgment leads to fresh insights about the imaginative relationship between law theater and aesthetics in early modern England and second that it offers new ways of putting the plays historical and philosophical contexts into conversation Taken together the essays in Shakespeare and Judgment offer a genuinely new account of the historical and intellectual coordinates of Shakespeare s plays Building on current work in legal studies religious studies theater history and critical theory the volume will be of interest to a wide range of scholars working on Shakespeare and early modern drama

Key Features Provides the first account of the place of judgment in Shakespearean drama Offers a fresh perspective on the imaginative relationship between law religion and aesthetics in Shakespeare s plays Models new ways of putting the plays historical and philosophical contexts into conversation

Shakespeare's Legal Ecologies Kevin Curran, 2017-05-15 Shakespeare s Legal Ecologies offers the first sustained examination of the relationship between law and selfhood in Shakespeare s work Taking five plays and the sonnets as case studies Kevin Curran argues that law provided Shakespeare with the conceptual resources to imagine selfhood in social and distributed terms as a product of interpersonal exchange or as a gathering of various material forces In the course of these discussions Curran reveals Shakespeare s distinctly communitarian vision of personal and political experience the way he regarded living thinking and acting in the world as materially and socially embedded practices At the center of the book is Shakespeare s fascination with questions that are fundamental to both law and philosophy What are the sources of agency What counts as a person For whom am I responsible and how far does that responsibility extend What is truly mine Curran guides readers through Shakespeare s responses to these questions paying careful attention to both historical and intellectual contexts The result is a book that advances a new theory of Shakespeare s imaginative relationship to law and an original account of law s role in the ethical work of his plays and sonnets Readers interested in Shakespeare theater and philosophy law and the history of ideas will find Shakespeare s Legal Ecologies to be an essential resource

The Immaterial Book Sarah Wall-Randell, 2013-10-28 In romances Renaissance England s version of the fantasy novel characters often discover books that turn out to be magical or prophetic and to offer insights into their readers selves The Immaterial Book examines scenes

of reading in important romance texts across genres Spenser's *Faerie Queene* Shakespeare's *Cymbeline* and *The Tempest* Wroth's *Urania* and Cervantes' *Don Quixote* It offers a response to material book studies by calling for a new focus on imaginary or immaterial books and argues that early modern romance authors rather than replicating contemporary reading practices within their texts are reviving ancient and medieval ideas of the book as a conceptual framework which they use to investigate urgent new ideas about the self and the self-conscious mind

Shakespeare and Impure Aesthetics Hugh Grady, 2009-08-13 *Shakespeare and Impure Aesthetics* explores ideas about art implicit in Shakespeare's plays and defines specific Shakespearean aesthetic practices in his use of desire death and mourning as resources for art Hugh Grady draws on a tradition of aesthetic theorists who understand art as always formed in a specific historical moment but as also distanced from its context through its form and Utopian projections Grady sees *A Midsummer Night's Dream* *Timon of Athens* *Hamlet* and *Romeo and Juliet* as displaying these qualities showing aesthetic theory's usefulness for close readings of the plays The book argues that such social-minded impure aesthetics can revitalize the political impulses of the new historicism while opening up a new aesthetic dimension in the current discussion of Shakespeare

Shakespeare for Freedom Ewan Fernie, 2017-03-16 Cover Half title page Title page Copyright page Dedication Contents List of Figures Acknowledgements 1 Reclaiming Shakespearean Freedom 2 Shakespeare Means Freedom 3 Freetown *Romeo and Juliet* 4 Freetown upon Avon 5 Freetown am Main 6 Free Artists of Their Own Selves 7 Freetown Philosopher 8 Against Shakespearean Freedom 9 The Freedom of Complete Being Notes Index

African Shakespeare Ifeoluwa Aboluwade, Serena Talento, Pepetual Mforbe Chiangong, Oliver Nyambi, 2025-02-17 *African Shakespeare* Subversions Appropriations Negotiations uncovers the multidimensional inventions synergies and experimentations that have emerged from performative political literary and conceptual encounters with Shakespeare and his oeuvre in African contexts Divided into three broad and overlapping parts the chapters of the book critically explore issues of decoloniality and postcoloniality nation building and state corruption history and memory gender and feminism translation and adaptation from diverse theoretical standpoints The book displaces the emphasis on Shakespeare's works to productively illuminate the multi-layered significance of African epistemes politico-aesthetics languages and socio-cultural realities to the practice and process of literary and theatrical intervention and creation Building on and extending extant scholarship in the field of African Shakespeare the contributions in the volume not only enhance knowledge of African Shakespearean creations but also enrich African Studies and Shakespeare Studies by opening up new possibilities for transdisciplinary dialogues and cross-fertilization The book will be useful for students and scholars of African Theatre and Performance Cultural Studies Global Shakespeare Studies Translation and Adaptation Studies and Post-colonial Studies

The Oxford Handbook of Montaigne Philippe Desan, 2016-10-14 In 1580 Michel de Montaigne 1533-1592 published a book unique by its title and its content *Essays* A literary genre was born At first sight the *Essays* resemble a patchwork of personal reflections but they engage with questions that animate the human mind and tend

toward a single goal to live better in the present and to prepare for death For this reason Montaigne's thought and writings have been a subject of enduring interest across disciplines This Handbook brings together essays by prominent scholars that examine Montaigne's literary philosophical and political contributions and assess his legacy and relevance today in a global perspective The chapters of this Handbook offer a sweeping study of Montaigne across different disciplines and in a global perspective One section covers the historical Montaigne situating his thought in his own time and space notably the Wars of Religion in France The political historical and religious context of Montaigne's Essays requires a rigorous presentation to inform the modern reader of the issues and problems that confronted Montaigne and his contemporaries in his own time In addition to this contextual approach to Montaigne the Handbook also establishes a connection between Montaigne's writings and issues and problems directly relevant to our modern times that is to say our age of global ideology Montaigne's considerations or essays offer a point of departure for the modern reader's own assessments The Essays analyze what can be broadly defined as human nature the endless process by which the individual tries to impose opinions upon others through the production of laws policies or philosophies Montaigne's motto What do I know is a simple question yet one of perennial significance One could argue that reading Montaigne today teaches us that the angle defines the world we see or as Montaigne wrote What matters is not merely that we see the thing but how we see it *Shakespeare's Sense of Character* Michael W. Shurgot, 2016-04-01 Making a unique intervention in an incipient but powerful resurgence of academic interest in character based approaches to Shakespeare this book brings scholars and theatre practitioners together to rethink why and how character continues to matter Contributors seek in particular to expand our notions of what Shakespearean character is and to extend the range of critical vocabularies in which character criticism can work The return to character thus involves incorporating as well as contesting postmodern ideas that have radically revised our conceptions of subjectivity and selfhood At the same time by engaging theatre practitioners this book promotes the kind of comprehensive dialogue that is necessary for the common endeavor of sustaining the vitality of Shakespeare's characters **The Shakespearean International Yearbook** Mark Turner, 2017-11-30 This eighth volume of The Shakespearean International Yearbook presents a special section on European Shakespeares proceeding from the claim that Shakespeare's literary craft was not just native English or British but was filtered and fashioned through a Renaissance awareness that needs to be recognized as European and that has had effects and afterlives across the Continent Guest editors Ton Hoenselaars and Clara Calvo have constructed this section to highlight both how the spread of Shakespeare throughout Europe has brought together the energies of a wide variety of European cultures across several centuries and how the inclusion of Shakespeare in European culture has been not only a European but also a world affair The Shakespearean International Yearbook continues to provide an annual survey of important issues and developments in contemporary Shakespeare studies Contributors to this issue come from the US and the UK Spain Switzerland and South Africa Canada The Netherlands India Portugal Greece France and Hungary In addition

to the section on European Shakespeares this volume includes essays on the genre of romance issues of character and other topics

Fathoming the Deep in English Renaissance Tragedy Laurence Publicover, 2024-09-04 This book demonstrates how a group of tragedies by Shakespeare and his contemporaries stage the fear and exhilaration generated by encounters with the unknown and the extraordinary Arguing that the maritime art of fathoming that is dropping a lead and line into water to measure its depth operates as a master image for these plays it illustrates how they create sublime horror through intuitions of mysterious more than human agencies and of worlds beyond the visible Though tightly focused on a specific body of imagery the book strikes up dialogue with a number of critical fields including theories and histories of tragedy ecocriticism and the environmental humanities oceanic studies and work on early modern ideas about the body madness and language Countering a tendency within tragic theory to value the textual over the dramatic it also demonstrates how the tragic effects to which it points are created through specific theatrical strategies including the use of offstage space intertheatricality and the violation of dramatic conventions Situating its arguments within recent criticism on these plays and on tragedy more generally and pushing back against scholarship that regards the genre in Shakespeare's time as concerned more with pity than with fear the book offers fresh and detailed readings of some of the most frequently studied plays in the English canon including Hamlet King Lear Macbeth The Duchess of Malfi and The Changeling

Shakespeares Hamlet And The Controversies Of Self: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Shakespeares Hamlet And The Controversies Of Self : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
