Reed, 2002 In over 2 000 years Christianity has made the overwhelming impact on the culture of the Western world in particular But culture has also helped to shape the development and form of Christianity since the interaction of two such powerful phenomena cannot help but change the other This new book brings together over 1200 citations on Christianity and Culture which are indexed by subject title and author for easy access

Story Priority Verlon Fosner, 2024-08-20 We need a serious review of the church s spiritual content In years of ministry author Verlon Fosner has discovered a surprising truth the power of the stories of Jesus to capture the imagination of secular people Agnostic and atheistic people sit back to the usual Bible teaching but they love talking about the life of Christ Tell them a story and they lean forward The church Meh Jesus Let s talk As pastors and leaders in Christian faith we have been taught to form our sermons and teachings based on modern principles of interpretation using such big words and concepts as hermeneutics exegesis contextualization and etymology all built on a foundation of systematic theology While these are helpful what do we remember And what do secular people like Something much simpler the stories of Jesus The first followers were consumed with the words and minutiae of what happened when Jesus walked the earth It flowed into their conversations preaching evangelism and discipleship Jesus knew this would happen too When he told a story even the sinners listened That s why he told his first disciples to prioritize his words and stories They are the only spiritual materials on this earth stalwart enough to withstand the storm If we the church are to regain the power of the gospel and the ability to garner the attention of a secular world we would be wise to recapture the focus of the 468 Jesus Stories **The Church & World Mission** Michael Griffiths, 1982 **RIC.** , 1980 **International Christian Literature Documentation Project** Douglas W.
