

SLAKSPERES FREDERSSONS

CHAPTER 1

[illegible][illegible]

In attempting a survey of one of the great periods of literary history, the critic is met with a problem, upon his conception and solution of which will depend both method and direction of material. This initial difficulty may be stated in the form of questions. What central point of view can be adopted? How shall the order of inquiry be determined? Do the phenomena to be considered suggest some natural classification; or must the construction of a system be determined by means of artificial manipulation?

Marlowe and Shakespeare Robert Sawyer, 2017-08-22 Instead of asserting any alleged rivalry between Marlowe and Shakespeare Sawyer examines the literary reception of the two when the writers are placed in tandem during critical discourse or artistic production Focusing on specific examples from the last 400 years the study begins with Robert Greene's comments in 1592 and ends with the post 9 11 and 7 7 era The study not only looks at literary critics and their assessments but also at playwrights such as Aphra Behn novelists such as Anthony Burgess and late twentieth century movie and theatre directors The work concludes by showing how the most recent outbreak of Marlowe as Shakespeare's ghostwriter accelerates due to a climate of conspiracy including belief echoes which presently permeate our cultural and critical discourse John Lyly John Dover Wilson, 2019-11-26 In John Lyly John Dover Wilson provides an in depth examination of the life and works of the Elizabethan playwright whose contributions to English drama have been often overshadowed yet profoundly influential Wilson's meticulously crafted prose intertwines literary analysis with biographical context revealing Lyly's unique narrative style characterized by intricate prose and witty dialogue The book situates Lyly within the Renaissance theater movement exploring his pioneering role in developing the English comedy genre and his intricate play structures particularly noted in works like *Campaspe* and *Endimion* John Dover Wilson a distinguished literary scholar known for his insightful interpretations of Shakespeare draws on his extensive knowledge of the period to illuminate Lyly's artistry Through a combination of historical and literary scholarship Wilson circumvents the obscurity that often surrounds Lyly's works explicating the socio political circumstances of the Elizabethan era that likely influenced Lyly's themes of love power and identity His academic rigor is informed by both deep expertise and a passionate commitment to shedding light on less explored literary figures This book is an essential read for students of English literature and theater enthusiasts alike Wilson's scholarly yet approachable narrative invites readers to appreciate Lyly not just as a dramatist but as a significant figure in the evolution of English literary tradition Delve into this compelling study to experience the richness of Lyly's contributions through Wilson's articulate and engaging lens The Shakespeare Apocrypha У.
