Shall He Find Faith

Edwin Wilbur Rice

Shall He Find Faith:

"When the Son of Man cometh shall he find faith on the earth?" ... A sermon [on Luke xviii. 8], etc William Harness, 1857

Shall He Find Faith William D. Ward, 2000-12 Every culture and every tribe believes in something Nations tribes and cultures that have never heard of Jesus believe in some god or something that can be considered as their god Each has faith in what they believe Each has their own specific focus of worship and each says they are right in what they accept as true There is however a difference between the ability to have faith and what Christians call The Faith God has given all men a measure of faith but He does not say he gave everyone a measure of The Faith Neither does God say everyone will be saved because they show faith in something By Christians gaining a better understanding of the process and make up of their own faith as well as faith in general they can be better prepared for the spiritual battle being fought in the realm of faith The more the Christian knows how his or her own beliefs function and grow the better they can understand how misguided faith can be redirected to Jesus With a clearer understanding of our own faith we can present the evidence that God provides in truth and in the proper light
