Shall Never Perish Eternal Security Examined:

Shall Never Perish J. F. Strombeck, 1991-03-01 *Overcoming the Five Obstacles to Assurance* Frank T.

Whalen, 2025-01-03 What do an ancient Jewish King an entire New Testament church and a poor English tinker have in common The answer is a fierce battle with assurance doubt King David the Ephesian church John Bunyan and countless others have all wrestled with the assurance of salvation In this book Whalen deftly weaves in the work of giants in the fields of theology philosophy psychiatry and psychology as he identifies the root causes of assurance doubt and explains how struggles with assurance may become a devastating and long lasting problem More importantly as the title suggests he also reveals how these obstacles to assurance can be overcome Frank has been a football coach for many years so fittingly the subtitle of this book is *Your Winning Game Plan for Making your Calling and Election Sure* However that subtitle is not just a catchy phrase Like the hundreds of game plans Frank received and developed as a player and coach he explains and organizes this book in a very thorough logical yet practical manner So pick out a good seat in the Team Room and begin reading *Overcoming the Five Obstacles to Assurance Your Winning Game plan for Making Your Calling and Election Sure*

An Examination of the Theme of Discipleship in The Seven Churches of Revelation Steve L. Roy, 2021-09-15 Go and make disciples Our command is clear our mission is given But what exactly is a disciple and what does discipleship really mean In *An Examination of the Theme of Discipleship in the Seven Churches of Revelation* Dr Steve Roy takes the reader to the book of Revelation and to the specific letters from Jesus Christ himself These letters help the reader to discover dramatically important conclusions as to what discipleship is and what it means to be a disciple Through each of the letters to the seven churches Jesus follows a particular pattern of discipleship and applies it to the specific churches in western Asia Minor These patterns and instructions are just as relevant for us today as they were when John the Revelator sent them This book is written for the person who wants to take discipleship seriously and for the pastor who stands before his congregation weekly with the purpose of making disciples

Eternal Security Proved! Phillip Evans, 2008-04-30 Clear proof from the Bible that once you are saved by placing trust in Christ as your Savior you can never be lost again Difficult passages from Scripture are tackled head on and explained with clarity Do you sometimes doubt your salvation If you do then know that this is not a product of living by faith This is why the fear that you can lose your salvation is a hindrance to your Christian walk If the doctrine of unconditional security is true then to disbelieve it is to disbelieve God God has given us the truth in His Word It is up to us to know it and apply it so that we can live the victorious Christian life as our Lord and Savior Jesus Christ intends us to

Knowing the Truth About Eternal Security John Ankerberg, John Weldon, 2011-04-06 Can you lose your salvation With biblical facts and insights the award winning investigative team of John Ankerberg John Weldon tackles the once saved always saved controversy including What happens when someone accepts then rejects the gospel Can human will freedom exist with eternal security Does everlasting salvation give a license to sin

Calvinism's Conflicts: An Examination of the

Problems in Reformed Theology Gilbert VanOrder, Jr, An Examination of the Divine Testimony Concerning the Character of the Son of God. ... Henry Grew,1824 The Life of the Lord Jesus Christ: a Complete Critical Examination of the Origin, Contents, and Connection of the Gospels. Translated from the German Johann Peter Lange,1864 Points of Grace Stuart Cedrone, *Points of Grace Empowerment for Hard Times* answers many profound questions Why does God seem like a hard man to some people Why are we incapable of crying out to God in authentic ways except during times of extremity How does God get past our self defense mechanisms Does God accept us as we are with our sin Have we messed up so badly that there is no fixing it Can we honestly face our feelings of remorse bitterness anger fear and insecurity Is it possible to have a biblically based assurance of our being truly born again What good is outward obedience if our hearts are lusting after the things of the world What do we do when we don t feel like doing what we know we ought to do Why would God want to restore our miserable lives when He could let us die This book helps readers understand how God s grace works in the life of the believer illuminating the practical steps needed for an authentic relationship with God It is illustrated with the author s own experience of rising from the darkness of doubt and self loathing into the light of honesty and assurance **The life of the Lord Jesus Christ, a complete critical examination of the Gospels, tr. (by S. Taylor [and others]) ed. by M. Dods** Johann Peter Lange,1864 **The Problem of Life Considered** Samuel Edger,1884 **The Grace Factor** Roderick L. Evans, Can Christians be assured of their salvation Is it true that once someone is saved they are always saved regardless of their lifestyles What do the writings of the apostles and prophets say about these things In this publication we will examine the doctrine of eternal security and its validity in Christian thought and practice **Lectures on the Evidences of Divine Revelation: Comprising an Examination of Its Facts, Prophecies, Miracles, Parables, Doctrines, and Duties; and Concluding with a Comparison of Christianity with Hinduism, Mohammedanism, the Ancient Philosophy, and Deism. [With a Portrait.]** William Bengo'. COLLYER,1823 **Into Deep Waters** Daniel Corey Goodwin,2010 How two generations of preachers and parishioners created and sustained a religious tradition **Living With The End In View** Daniel Klender,2022-11-03 A wise man once said aEURoeWe don t lack ability we lack incentive aEUR Living with the End in View supplies a treasure trove of incentive for daily living while empowering the reader to escape the tyranny of the here and now As the Bible concludes Jesus s final admonition to the church in Revelation 22 12 instructed aEURoeBehold I am coming quickly and My reward is with Me to give to everyone according to his work aEUR This book identifies what this reward will entail for the faithful Christ follower By employing the carrot rather than the stick the author blazes a clear path for every Christ follower to receiving a rich welcome into the eternal kingdom of the Lord Jesus One Christian's Perspective of Man's Dilemma God's Solution Steve Lampman,2013-04-01 Many people today would list many different things as being man s dilemma such things as health problems unemployment poverty crime war and so on Each of course is a problem found in every society excluding none One could say man s dilemma is universal and they would be correct However each of the

things listed above are actually the result of man's dilemma not the cause. The cause is found in man's depravity. In that depravity every unregenerated human being sets his own standard as to his or her conduct of life. Man has rejected the absolute standard of his creator and as a result is alienated toward not only God but from one another. Man has no solution for this and therein lies the dilemma. God on the other hand has the solution; it is found in His provision, the Lord Jesus Christ. In the pages of this work the author considers man's dilemma, God's solution from eleven different perspectives. Each chapter is a study in itself but fits nicely as one completed work.

Poetic Faith: Various Topics and Biblical Doctrines Explored, Discussed, and then Put to Rhyme Randy Mlejnek, 2017-05-04. This book that you hold in your hands is very unique in its design and composition. It could be described as a combination of devotional Christian living guide and topical Bible study. It adheres to the mantra that variety is the spice of life. It takes the reader on a religious roller coaster diving in to a diverse doctrinal melting pot put to poetry. It explores and discusses a wide variety of topics and issues relating to biblical faith with relevant application for the twenty-first century Christian. Topics of discussion include prophecy, God's design for sex and marriage, heaven, abortion, temptation, the Holy Spirit, angels, spiritual warfare, prayer, creation, baptism, the Lord's Supper, forgiveness, the incarnation, crucifixion, and resurrection of Jesus. There are also some short personal stories detailing my own spiritual journey plus much more. Whether you are deeply rooted in your faith or actively seeking for answers, I believe that this book has something for you. If you enjoy choices, options, and engaging your mind to examine a broad range of ideas and topics, look no further. I believe that you will discover this book to be an interesting read packed full of information, spiritual insight, and biblical encouragement to strengthen your faith. It seeks to examine many doctrines, religious practices, and moral issues from a biblical perspective. Every single chapter is closed with an original poem written by the author that directly correlates to the specific topic being discussed.

False Teachings and Divisive Movements Steve Urick, 2013-12-16. Within the realm of professing Christendom, many false teachings and divisions exist. This is because people often fail to study or properly discern sound Bible doctrine. They then follow after charismatic or dogmatic teachers who have misinterpreted or rejected God's Word. *False Teachings and Divisive Movements* looks at several false teachings and movements, some formed recently and some not so recent, that exist within many churches today. If you ever wonder why there is so much disagreement between professing Christians or question various religious teachings and movements, this

book will shed light on these matters and help clear up any confusion you might have **No Place for Sovereignty** R. K. McGregor Wright, 1996-08-19 Concerned that evangelicals may soon find no place for sovereignty in their thinking R K McGregor Wright sets out to show what s wrong biblically theologically and philosophically with freewill theory in its ancient form
