Shamanism Made Easy Christa Mackinnon, 2021-10-05 Reconnect with your authentic self and bring meaning back into your life with the ancient time tested wisdom of shamanism This book is a fantastic and comprehensive introduction to

shamanism by a leading expert and teacher on the subject Shamanism is the oldest and most enduring spiritual wisdom tradition on Earth It offers powerful practices for healing and finding wholeness and is appealing to a whole new generation of spiritual seekers Shamanism Made Easy written by a much loved university psychotherapist and shamanic teacher explains the subject in a clear and easily digestible format and shows why these deeply transformative techniques are so needed in our challenging times In this book the reader will learn amongst many things how to build an altar and create a sacred space conduct ceremonies and design a daily ritual connect with spirit helpers ancestors and descendants and use dance as a tool for awakening and freedom Above all readers will learn what it is like to undergo transformative journeys for personal healing and development This book was previously published within the Hay House Basics series **Imagine the Life You'd Love to Live, Then Live It** Peg Conley, 2014-11-17 Peg Conley has been an artist all her life but like many of us took a long detour into the working world where she was a corporate sales queen in Seattle with a lot of success and a happy busy family Art became the thing she did on vacations weekends and when she could carve time out of her busy life Something gnawed at her a nagging feeling that life might hold something else for her in the midst of it all Then came the big aha moment Peg heard a still small voice inside Imagine the life you want to live then live it It's that simple Her family encouraged Peg to pursue her passion Despite a great deal of fear Peg Conley did the thing she thought she could not do and dropped her big job big house and big life and moved to San Francisco to start a business based on her artisan stationery From a handful of handpainted cards calendars and posters her company Words Watercolors was born and has been inspiring people winning awards and raking in the sales ever since Peg's intention with her work is to inspire and her art and writing all speak to life's great truths and those aha moments for which we all need reminders What do you imagine your Ideal Life to be It may take some time for it to unveil itself You will need to have an idea of what it is you are looking to create Spend some time in contemplation For some that means a quiet meditation where images might come to you For others you might write about something you've always had a longing to create or a dream that seemed far away and not attainable yet it doesn't go away The dream nudges at you asking you to pay attention Where words work for some people pictures work for others You may want to create a vision board Gather your old magazines and begin ripping out the pictures that appeal to you or draw your own images Your Ideal Life will come alive via the images that resonate with you Don't hesitate to pick up a pen pencil or crayons even and fill the blank pages with doodles of any kind Do you still think of becoming a nurse Don't be disheartened go online and research classes you can take at your local college to start the process As someone once said if you don't start now 5 years from now you still will be where you are but if you begin with baby steps in 5 years you could be in a completely different place So ask yourself the question What does the life I long to live look like Imagine it Draw it write it collage it and just plain dream it Believe you can have it and then go about creating it as you take daily steps towards becoming an enhanced version of yourself All successful people are big dreamers They imagine what

their future could be ideal in every respect and then they work every day toward their distant vision that goal or purpose

The Complete Idiot's Guide to Shamanism Gini Graham Scott, 2002-06-01 You're no idiot of course. You know that shamans are also known as medicine men and women who use the power of the mind and call on spiritual helpers to heal the afflicted. However, this ancient art has been put to more modern uses including problem solving, empowerment, and personal mastery. But you don't have to trek through steamy Amazonian jungles or frigid Siberian tundra to become enlightened in the ways of shamanism. The Complete Idiot's Guide to Shamanism will show exactly how to discover your own shamanic power and how that power will guide you in your everyday life. In this Complete Idiot's Guide, you get Shamanic history from its origins in Paleolithic times to its spreading influence today. Power animals: where to locate them and how they communicate with you. How to take a shamanic journey traveling through the Lower, Upper, and Middle Worlds and exploring your past or future. Shamanic healing techniques in use with modern medicine. **Awakening to the Spirit World** Sandra

Ingerman, 2010-11-05 Today practicing shamanism doesn't mean you have to live in a rain forest or a desert. Thanks to a modern renaissance of shamanic spirituality, practitioners from all walks of life now use powerful indigenous techniques for healing, insight, and spiritual growth. With Awakening to the Spirit World, teachers Sandra Ingerman and Hank Wesselman bring together a circle of renowned Western shamanic elders: Tom Cowan, Carol Proudfoot, Edgar Jose Stevens, and Alberto Villoldo to present a comprehensive manual for making these practices accessible and available in our daily lives, including: How the original practice of shamanism shaped the world's spiritual traditions and why it is still relevant today. The art of the shamanic journey, a time-tested meditative method for experiencing important spiritual lessons and truths. Guidance for avoiding common pitfalls of shamanic practice. Instruction for working with your dreams, connecting to your spirit guides, healing yourself and your environment. A CD of drumming to facilitate your shamanic journeys. *Change the Story of Your Health* Carl Greer, 2017-02-24 The story of our health is more in our control than we might think, according to clinical psychologist, Jungian analyst, and shamanic practitioner Carl Greer, PhD, PsyD. We can not only reframe our experiences but actually experience less stress, greater well-being, and even better physical health than it might appear if we are willing to identify our health story and begin rewriting it. Through journaling exercises and expanded awareness practices, many of which involve working with and in nature and which are influenced by Jungian and shamanic traditions, anyone can tap into hidden resources for healing and work with them effectively. Whether gaining insights and balancing energies outdoors, dialoguing and interacting with the earth or a river or lake, or working with dreams, an inner healer, or a symbol encountered on a shamanic journey, readers will find they are able to learn why they have struggled to change their habits and will be empowered to experience greater wellness within a satisfying health story. *Change the Story of Your Health* focuses on four key chapters of a person's health story: Eating and drinking and weight; Movement, exercise, flexibility, balance, stamina, and strength; Sexuality, body image, and acceptance; and changes due to midlife hormonal shifts, commonly known as menopause.

and andropause Management of an acute ailment or symptoms of a chronic condition It also helps readers revise their health stories as their health changes as a result of aging or unexpected challenges Gaining insights into their health letting go of what is standing in the way of optimal health and well being and bringing in what is needed to make a preferred new health story a reality all are possible when readers take on the challenge of Change the Story of Your Health and begin using the practices regularly Maximize Your Healing Power Sharon E.
