**Subject Guide to Books in Print** ,1993    Paperbound Books in Print ,1992    An Encyclopedia of Shamanism Volume 1 Christina Pratt,2007-08-01 Shamanism can be defined as the practice of initiated shamans who are distinguished by their mastery of a range of altered states of consciousness Shamanism arises from the actions the shaman takes in non ordinary reality and the results of those actions in ordinary reality It is not a religion yet it demands spiritual discipline and personal sacrifice from the mature shaman who seeks the highest stages of mystical development    The Chakras in Shamanic Practice Susan J. Wright,2007-06-29 How to work with the chakra centers to heal unresolved psychic wounds Reveals how psychic injuries become lodged within the energy body Links one major developmental stage with each major chakra Provides a detailed guide to healing and clearing the tensions each chakra holds The chakra system identifies eight centers in the psycho anatomy of humans each one associated with a different part of the physical or energy body Susan J Wright a practicing shaman and Gestalt psychotherapist uses her own life journey to show that each chakra also is linked to a different stage of emotional and spiritual development In The Chakras in Shamanic Practice she identifies eight key developmental stages of life from birth to old age death Each of these life stages has various developmental challenges and potential traumatic events that will likely occur and affect the health and well being of the individual Wright explains that life traumas experienced in particular developmental stages become lodged within the energy body as they cling to their corresponding chakra By identifying and working with the chakra involved a doorway can be opened to a world of transformative images allowing

powerful shamanic techniques to heal these psychic wounds Providing both physical exercises and guided meditations that utilize the techniques of soul retrieval working with power animals and transcending trauma Wright offers practitioners a way to gather and nurture the fragmented parts of their energy body and lead themselves to physical emotional and spiritual well being
