## **Shameful Admissions The Losing Battle To Serve Everyone In Our Universities:**

Shameful Admissions Angela Browne-Miller, 1996 As the debate rages over the merits and the future of affirmative action Browne Miller's close examination of the connections between quota based admissions practices and the chaotic environment of the classroom concludes that today's universities are collapsing under the demands of too many competing interests

**Race and College Admissions** Jamillah Moore, 2005-02-17 Affirmative action was meant to redress the lingering vestiges of the discrimination and exclusion so prominent in America's past and afford underrepresented groups the opportunities most take for granted Its impact on higher learning has been immeasurable diversity is part of the mission of most colleges and universities and exposure to a variety of ethnicities cultures and perspectives benefits all Yet institutions are scrambling to reevaluate their mission and methods as courts mandate colorblind admissions and affirmative action is misconstrued and attacked as reverse discrimination patronizing and insulting to minorities or simply unnecessary Diversity has plummeted on many campuses as a result and elite institutions now struggle to enroll underrepresented groups Discussions of the controversy reflect little understanding of the role of race in college admissions ignore the fact that eligibility does not guarantee admission and falsely cast affirmative action as a policy based on race alone This assessment of the role of race in college admissions examines misconceptions surrounding affirmative action and the place of race in the admission process Chapters explore declining diversity the effect upon professional schools the historical perspective of the subject the courts role in affirmative action inequities in the admissions process percentage plans as an alternative the detrimental results of colorblind admissions and ways to address the problem **Resources in Education**, 1997 *In the*

*Name of Education* Jonas E. Alexis, 2007 Alexis convincingly examines the crisis in education from a Christian perspective

Social Issues **The Quest for Equity in Higher Education** Beverly Lindsay, Manuel J. Justiz, 2001-08-30 A critical examination of current sociopolitical issues surrounding equity and diversity and their impact on higher education **The Pleasures of Academe** James Axtell, 1999-03-11 In this timely book historian James Axtell offers a compelling defense of higher education Drawing on national statistics broad ranging scholarship and delightful anecdotes Axtell describes the professorial work cycle the evolution of scholarship in the past three decades the importance of habitual scholarship and the best ways to judge a university He persuasively confronts the critics of higher education arguing that they have perpetuated misunderstandings of tenure research teaching curricular change and professorial politics **Affirmative Action** A. M.

Babkina, 2004 This guide to the literature presents 451 descriptions of books reports and articles dealing with all aspects of affirmative action including Race relations Economic aspects Reverse discrimination Preferences Affirmative Action programs Public opinion Court decisions Education and many more Complete author and subject indexes are provided
