Essentials of Literacy from 0-7 Tina Bruce,Jenny Spratt,2011-03-17 Children flourish in their development and learning when practitioners and parents work together Childrens development and learning are further enhanced when interconnected knowledge and understanding work together In this new edition the authors guide readers in understanding of child development They highlight the need for those who work with young children to become reflective practitioners Through a focus on the introduction of nursery rhymes finger rhymes action songs and poetry cards the authors provide a gentle child friendly way to develop literacy 0 7 Thoroughly revised and updated this book includes Case studies and examples Discussion of the primary framework Inclusion of schools as an educational setting Age appropriate activities Further reading suggestions at the end of each chapter This book is useful for teachers practitioners teaching assistants and childminders and for anyone working with children from birth to seven years in nursery and primary schools children s centres foundation units and at home Tina Bruce is an Honorary visiting professor in Early Childhood at Roehampton University Jenny Spratt is Head of EYFS and Children s Centre Services for Peterborough Local Authority **Hindi Poetry in a Musical Genre** Lalita du Perron,2007-03-06 Indian classical music has long been fascinating to Western audiences most prominently since the Beatles sessions with Ravi Shankar in the 1960s Du Perron examines Thumi Lyrics a major genre of Hindustani music from a primarily linguistic perspective **The Primer of Humor Research** Victor Raskin,2008-11-06 The book is intended to provide a definitive view of the field of humor research for both beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge Each chapter of the book is devoted to an important aspect of humor research or to a disciplinary approach to the field and each is written by the leading expert or emerging scholar in that area There are two primary motivations for the book The positive one is to collect and summarize the impressive body of knowledge accumulated in humor research in and

around Humor The International Journal of Humor Research The negative motivation is to prevent the embarrassment to and from the first timers often established experts in their own field who venture into humor research without any notion that there already exists a body of knowledge they need to acquire before publishing anything on the subject unless they are in the business of reinventing the wheel and have serious doubts about its being round The organization of the book reflects the main groups of scholars participating in the increasingly popular and high powered humor research movement throughout the world an 800 to 1 000 strong contingent and growing The chapters are organized along the same lines History Research Issues Main Directions Current Situation Possible Future Bibliography and use the authors definitive credentials not to promote an individual view but rather to give the reader a good comprehensive and condensed view of the area
