The Shape of My Heart Richard Ray, 2022-04-26 How well do we know our vocational purpose How do our life circumstances cause us to reconsider our vocational purpose How can we know if we are living the life to which God is calling us This book tells the story of author Richard Ray as he searches for answers to these questions while making a pilgrimage to the shrine of St James on the Camino de Santiago Human beings have sought meaning for their lives through transcendent experiences for thousands of years The pilgrimage is one such transcendent experience A practice that has a place in all of the world's great religions the act of pilgrimage is many things to many pilgrims retreat extended prayer penance for sins an opening to spiritual or religious conversion This book provides readers with an opportunity to learn more about pilgrims and pilgrimage including historical religious cultural artistic and economic perspectives all through the journey of an experienced pilgrim Readers will perhaps begin to frame their worldview through the lens of pilgrimage and to conceive of their lives as purposeful journeys to God

The Shape of My Heart Tiffanie DeBartolo, 2002 When I was twelve a fortune teller told me that my one true love would die young and leave me all alone Everyone said she was a fraud that she was just making it up I'd really like to know why the hell a person would make up a thing like that Wry yet vulnerable Beatrice Jordan isn't the sort of woman who usually answers personal ads but she is unable to resist the following If your intentions are pure I am seeking a friend for the end of the world In doing so she meets Jacob Grace a charming effervescent thirty something writer a free spirit who is a passionate seeker of life He possesses his own turn of phrase and ways of thinking and feeling that dissonantly harmonise with Beatrice's off centre vision as they roller coaster through the joys and furies of their wrenching romance Along the way they try to come to terms with the hurt brought about by their distant fathers who in different ways forsook them

My Heart in Exile Kush Ha Mim, 2015-05-15 Peace and blessings to you all and welcome to the mind of a distraught Jamaican muslim immigrant poet From my vantage point this is my point of view Its lonely at the top im exiled away But i view love on the horizon out of the blue And as the moon beams down im in disarray Inside looking out no shadow concealing doubt I balance the scale judging my heart Out and about in around and throughout I can honestly say that im doing my part Outside the darkest days are joyful compared For nothing compares to being exiled i confess Im running love's gauntlet but im unimpaired Though filled im empty love has a void to congest Helpless i help myself to a dose of second guessing Has love deserted so That's one i'd like to know My poor wounded heart is in need of caressing Chances i've took backfired but there's a die i'd like to throw Your distant love i sit and watch from the distance A distant memory i am but what a sight to behold In this unknown land how did i found entrance Exiled away from love and what remains to be told Kush Ha Mim

Blatchford,1999 How when and where can one meet this Friend of every heart My guess is that there are as many ways of meeting him as there are human beings in the world I have heard of people who met him unexpectedly in near death experiences during illnesses or at crossroads in their lives Some of these people saw and heard him while for others the experience was less direct but no less meaningful For example they heard his voice or sensed his presence in the words or

deeds of a friend or a stranger I have also read of people meeting him because they earnestly desired it Whether we are conscious or not of wanting to meet him I believe his wish for the encounter is always present but he never forces himself upon us I have always felt complete respect from him for my freedom both inner and outer from Friend of My Heart To open this book is to open yourself to the possibility of an extraordinary meeting For this is the story of such a meeting and it is one that can happen to anyone who wants it The book begins as each of us must begin with a declaration of hope heartfelt longing expectation Gathered from more than twenty five journals over twenty years the messages in this book invite us to listen in the spirit of simplicity openness and faith and then to be attentive to what stirs within First comes the question how when and where can one meet this Friend of the heart The answer comes from the author s experiences and the messages she has received inwardly Made deaf by illness at the age of six Claire Blatchford speaks to us about how to listen and how to hear from our own inner and outer lives These are primary messages put into the context of the author s life that enable us in the context of our own lives to enter into a relationship with this Being who is the Friend of every heart Friend of My Heart leaves us with the profound sense that we can all stand truly as our own selves in the presence of love C O N T E N T S

Stevenson,2012-10-01 Seed of My Heart began as a short story with

the sole purpose to maintain communication with my eldest granddaughter Madeline I would write a few paragraphs every

week and as I did something happened What began as a carefree story about the summer adventures of an old man and his grandniece sprouted into a deeper revelation about the richness of a life lived in ordinary obscurity The life of the main character a single man of many years and his borrowed beloved family became an opportunity to reveal the power working through us when Gods planted seeds become watered by the Holy Spirit It is a story that I hope sheds light on the human misadventure with all its folly and heartbreak but with a spirit that is renewed in the dark of night by a whisper in the heart The story provides an example of the rich blessings produced by a walk with the Lord just a ministry of one seemingly missing in the dust of days gone by a single old man treading faithfully into the inevitable sunset In the end the old weathered soul winnowed through years of harsh wind and hard living now finds himself on a majestic mountain for a final time He is there with a small band of sheep three dogs a horse and an aging eagle The adventure of his final summer and of his last days on the mountain finds completion in a place of amazing grace
