

Shaping The Debate Editorial Columns From The Washington Times

Marco Cascella

Shaping The Debate Editorial Columns From The Washington Times:

Shaping Immigration News Rodney Benson, 2013-08-19 This book offers a comprehensive portrait of French and American journalists in action as they grapple with how to report and comment on one of the most important issues of our era Drawing on interviews with leading journalists and analyses of an extensive sample of newspaper and television coverage since the early 1970s Rodney Benson shows how the immigration debate has become increasingly focused on the dramatic emotion laden frames of humanitarianism and public order In both countries less commercialized media tend to offer the most in depth multi perspective and critical news Benson challenges classic liberalism s assumptions about state intervention s chilling effects on the press suggests costs as well as benefits to the current vogue in personalized narrative news and calls attention to journalistic practices that can help empower civil society This book offers new theories and methods for sociologists and media scholars and fresh insights for journalists policy makers and concerned citizens *Spin Cycle*

Howard Kurtz, 1998-09-09 In *Spin Cycle* Washington Post reporter Howard Kurtz reveals the inside workings of Clinton s well oiled propaganda machine arguably the most successful team of White House spin doctors in history He takes the reader into closed door meetings where Bill Clinton Al Gore Mike McCurry Lanny Davis and other top officials plot strategy to beat back the scandals and neutralize a hostile press corps through stonewalling stage managing and outright intimidation He depicts a White House obsessed with spin and pulls back the curtain on events and tactics that the administration would prefer to keep hidden

Who Deliberates? Benjamin I. Page, 1996-06-15 Public deliberation is essential to democracy but the public can be fooled as well as enlightened In three case studies of media coverage in the 1990s Benjamin Page explores the role of the press in structuring political discussion Page shows how the New York Times presented a restricted set of opinions on whether to go to war with Iraq shutting out discussion of compromises favored by many Americans He then examines the media s negative reaction to the Bush administration s claim that riots in Los Angeles were caused by welfare programs Finally he shows how talk shows overcame the elite media s indifference to widespread concern about Zoe Baird s hiring of illegal aliens Page s provocative conclusion identifies the conditions under which media outlets become political actors and actively shape and limit the ideas and information available to the public Arguing persuasively that a diversity of viewpoints is essential to true public deliberation this book will interest students of American politics communications and media studies

Hard News Seth Mnookin, 2005-08-09 On May 11 2003 The New York Times devoted four pages of its Sunday paper to the deceptions of Jayson Blair a mediocre former Times reporter who had made up stories faked datelines and plagiarized on a massive scale The fallout from the Blair scandal rocked the Times to its core and revealed fault lines in a fractious newsroom that was already close to open revolt Staffers were furious about the perception that management had given Blair more leeway because he was black about the special treatment of favored correspondents and most of all about the shoddy reporting that was infecting the most revered newspaper in the world Within a month Howell Raines the imperious executive

editor who had taken office less than a week before the terrorist attacks of September 11 2001 and helped lead the paper to a record six Pulitzer Prizes for its coverage of the attacks had been forced out of his job Having gained unprecedented access to the reporters who conducted the Times's internal investigation top newsroom executives and dozens of Times editors former Newsweek senior writer Seth Mnookin lets us read all about it the story behind the biggest journalistic scam of our era and the profound implications of the scandal for the rapidly changing world of American journalism It's a true tale that reads like Greek drama with the most revered of American institutions attempting to overcome the crippling effects of a leader's blinding narcissism and a low level reporter's sociopathic deceptions Hard News will shape how we understand and judge the media for years to come

Conflict and Consensus Gerald Felix Warburg, 1989 Contents Foreign Policy Under the Constitution Foreign Policymaking in the Nuclear Age Presidential Control of Foreign Policy Legislating Foreign Policy The Power to Make War The Treaty Making Power Congress and Arms Sales Foreign Aid Congress and the Pentagon Shaping National Security Policy Conclusion A Blueprint for Peaceful Coexistence on Pennsylvania Avenue Indexes

The Empty Throne Ivo H. Daalder, James M. Lindsay, 2018-10-16 American diplomacy is in shambles but beneath the daily chaos is an erosion of

the postwar order that is even more dangerous America emerged from the catastrophe of World War II convinced that global engagement and leadership were essential to prevent another global conflict and further economic devastation That choice was not inevitable but its success proved monumental It brought decades of great power peace underpinned the rise in global prosperity and defined what it meant to be an American in the eyes of the rest of the world for generations It was an historic achievement Now America has abdicated this vital leadership role The Empty Throne is an inside portrait of the greatest lurch in US foreign policy since the decision to retreat back into Fortress America after World War I The whipsawing of US policy has upended all that America's postwar leadership created strong security alliances free and open markets an unquestioned commitment to democracy and human rights Impulsive theatrical ill informed backward looking bullying and reckless are the qualities that the American president brings to the table when he shows up at all The world has had to absorb the spectacle of an America unmaking the world it made and the consequences will be with us for years to come

Split Mark D. Brewer, Jeffrey M. Stonecash, 2007 Talk of politics in the United States today is abuzz with warring red and blue factions The message is that Americans are split due to deeply held beliefs over abortion gay marriage stem cell research prayer in public schools Is this cultural divide a myth the product of elite partisans Or is the split real Yes argue authors Mark Brewer and Jeffrey Stonecash the cultural divisions are real Yet they tell only half the story Differences in income and economic opportunity also fuel division a split along class lines Cultural issues have not displaced class issues as many believe Split shows that both divisions coexist meaning that levels of taxation and the quality of healthcare matter just as much as the debate over the right to life versus the right to choose The authors offer balanced objective analysis complete with a wealth of data rich figures and tables to explain the social trends underlying these class and cultural divides and then explore the response of the parties and voters Offering solid empirical evidence the authors show that how politicians the media and interest groups perceive citizen preferences be they cultural or class based determines whether or not the public gets what it wants Simply put each set of issues creates political conflict and debate that produce very different policies and laws With a lively and highly readable narrative students at every level will appreciate the brevity and punch of Split and come away with a more nuanced understanding of the divisions that drive the current American polity **The Obama**

Presidency Andrew Dowdle, Dirk C. van Raemdonck, Robert Maranto, 2012-03-29 At his inauguration President Barack Obama was seemingly poised to become America's strongest and most influential president since Ronald Reagan However President Obama's first two years in office has led to some notable surprises What accounts for the political stability and change demonstrated by the Obama administration Which factors shaping a presidency are structural which are personal and which are driven by events How will decisions made in the first two years of the administration affect its future course What lessons can we glean from past presidencies This timely volume of notable thinkers on the presidency presents scholarly as well as applied insights on Obama's administration at the half way point Assessing the political context of his

first two years the inter branch relations and policy developments all provide the necessary grounding for students to make sense of the continuity and change that Barack Obama represents LABOR IN THE 1970'S ,1970 **Editor & Publisher** ,1917 The fourth estate **Food Fights** Charles C. Ludington,Matthew Morse Booker,2019-08-29 What we eat where it is from and how it is produced are vital questions in today s America We think seriously about food because it is freighted with the hopes fears and anxieties of modern life Yet critiques of food and food systems all too often sprawl into jeremiads against modernity itself while supporters of the status quo refuse to acknowledge the problems with today s methods of food production and distribution Food Fights sheds new light on these crucial debates using a historical lens Its essays take strong positions even arguing with one another as they explore the many themes and tensions that define how we understand our food from the promises and failures of agricultural technology to the politics of taste In addition to the editors contributors include Ken Albala Amy Bentley Charlotte Biltekoff Peter A Coclanis Tracey Deutsch S Margot Finn Rachel Laudan Sarah Ludington Margaret Mellon Steve Striffler and Robert T Valgenti **Mass Media, Mass Propaganda** Anthony R. Dimaggio,2008-01-01 This work examines how the mainstream American media reacts to pro war and anti war themes throughout the War on Terror in regards to the wars in Afghanistan and Iraq Using a political economy approach the author addresses the ways in which corporations that own media reinforce official doctrines and propaganda by contrasting the content of American media to that of other global media The Christian Science Monitor Index ,1979

style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Shaping The Debate Editorial Columns From The Washington Times eBooks, including some popular titles.

FAQs About Shaping The Debate Editorial Columns From The Washington Times Books

What is a Shaping The Debate Editorial Columns From The Washington Times PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Shaping The Debate Editorial Columns From The Washington Times PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Shaping The Debate Editorial Columns From The Washington Times PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Shaping The Debate Editorial Columns From The Washington Times PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Shaping The Debate Editorial Columns From The Washington Times PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
