## Share My Pleasant Stones:

*Share My Pleasant Stones* Eugenia Price, 2021-03-23 *Share My Pleasant Stones* offers personal insights and practical guidelines for expanding one's relationship with Jesus Christ through daily reading and meditation. Each page one for every day of the year is headed by a quotation from the Bible and followed by notes the author has written in the margins of her own Bible over the years. It is perhaps Eugenia Price's most personal book. First published in 1957 and now reissued with a new preface by the author. *Share My Pleasant Stones* is a book Eugenia Price's readers will want to open every day. *Share My Pleasant Stones* Eugenia Price, 1981-10-01 *Share My Pleasant Stones* Eugenia Price, 1968 ***Share My Pleasant Stones*** Eugenia Price, 1978 *Share My Pleasant Stones*, 1958 ***Share My Pleasant Stones*** Eugenia Price, 1957

*Share My Pleasant Stones* Eugenia Price, 1973 *Woman to Woman* Eugenia Price, 2021-03-23 Like a wise counselor and friend, New York Times bestselling author Eugenia Price speaks directly to women everywhere with practicality and inspiration. With over one million copies in print, *Woman to Woman* provides advice that will touch all women who strive for a Christ-centered life. ***Prayer*** Rosalind Rinker, 1986-10-19 This is a fresh and inspiring guide to the joys of talking with God and making prayer life more effective. ***They Found the Secret*** V. Raymond Edman, 2018-07-10 Explore the lives of twenty Christian figures whose powerful testimonies and lives of service will inspire you to embrace Christ as the secret to abundant living. Written by V. Raymond Edman, who is best remembered as the fourth president of Wheaton College in Illinois and as the writer of many devotional books, *They Found the Secret* shares the failures, hardships, yearnings, accomplishments, and ultimate hope and faith of twenty well-known and little-known Christians. There are those of yesteryear like John Bunyan and of more recent years like Richard C. Halverson and William P. Nicholson. There are clergymen like A. J. Gordon and laymen like Dwight L. Moody. Some are well-known like Charles G. Finney and Oswald Chambers, while others may be little-known or even quite forgotten like J. A. Wood. There are mystics like Andrew Murray and practical men like Charles G. Trumbull and Robert E. Nicholas. There are women as well as men: Frances Ridley Havergal of England, Amy Carmichael of India, and Eugenia Price of contemporary America. The details of each of their experiences are quite different, yet as you listen to their stories and watch their lives, you will see a pattern that reveals their secret: Out of discouragement and defeat, they have come into victory. Out of weakness and weariness, they have been made strong. Out of ineffectiveness and apparent uselessness, they have become efficient and enthusiastic. Their collective testimony to the reality of the joy and power of the Spirit-filled life is unanimous. Their lives and work have shaped the Christian faith and paved the way for those who have come after them. And from their stories, you too can find the path to deeper faith and a more vital relationship with God. *St. Simons Memoir* Eugenia Price, 2021-04-27 Her joyous remembrance of her first decade on an enchanted island. And of those cherished friends who inspired her best-selling trilogy: *Lighthouse*, *New Moon Rising*, and *Beloved Invader*. After only a few golden hours on Georgia's St. Simons Island, Eugenia Price longed to make it her home. Even though she loved her old town house in Chicago.

and her busy writing and lecturing schedule the shadow streaked light filled place had cast its spell and would not let her go The reader too will feel the Island s magic as Genie describes her odyssey with her friend Joyce Blackburn from the urban North to Southern small town community life and peace With deep affection and humor she shares her many friendships with the first six the elderly folk who gave her their love their stories and their memories so that she could write her novels of St Simons with her beloved editor Tay Hohoff who encouraged and goaded her and with all the other people who helped with her writing and with the building of her Island home in the midst of the dear dark woods Although she had been uncertain at first of her welcome to St Simons she later experienced the rare privilege of having the Island name a day in her honor These intimate pages are also filled with Genie s quiet faith in God and her eternal gratitude for His grace in sending her to St Simons She calls her book a memoir but it is more than that It is a thanksgiving celebration of life and of its surprising goodness even in the midst of sorrow and loss So that she can exclaim to Joyce How could life be better than it is right now

What is God Like? Eugenia Price, 2021-03-23 Discover the gift of God s love and experience the joy of knowing him God is not mysterious or unknowable or far away according to Eugenia Price In this encouraging book she helps readers discover the loving Savior who came to earth to reach people The one who makes it possible to come closer to Him If in our own troubled times we sometimes lose sight of God s eternal message or doubt our own worthiness in his eyes we have only to turn to Him In this inspirational book Eugenia Price helps us rediscover the one who understands human suffering and temptation Who is far more forgiving of us than we are of ourselves Who makes it possible even easy for all of us who want a more personal relationship with Him to achieve it along with the inner peace that comes with knowing the true nature of God

**Strictly Personal** Eugenia Price, 2019-01-13 Can man by searching find out God Long before Job man was asking this question It has stormed the minds and hearts of all peoples in all lands and cultures What is God really like Is He discoverable by those He created Headhunters in shadow haunted Africa have tried to beat away their restless questioning The same necessity to know forced the intellectuals of Athens at the peak of its classical glory to create with their minds their own gods In man s primitive desperation to claim a knowing relationship with the Divine gods have been fashioned after man s own image There have been animal gods bird gods fish gods Gods of wood and stone and marble and metal More cultured civilizations have worshiped reason A few sensed their limits and saluted an Unknown God None found rest Is there one true God Is He discoverable Can man by searching find out God Can anyone know God personally On every page of this new and exciting book by Eugenia Price these time old questions are faced honestly and without apology She writes lucidly avoiding religious clich s confessing her own questioning mind and including warmly all who question God for any reason It is a strictly personal book which vibrates with the tremendous potential of the strictly personal relationship with God which she has found possible for herself and which she believes possible for anyone regardless of background or intellectual blocks If you have been wondering if there is a God for you this is a book you can read without apology rebellion or embarrassment It

is written especially for you Your strictly personal questions demand honest and specific explanations Generalizations will not do Pious pat answers will not do They are not here But the door to the realistic adventure of a personal discovery of God is here and it can open for you as you think through the carefully unfolded chapters of **Strictly Personal** **Make Love Your Aim** Eugenia Price,2021-04-27 Everyone today is an expert on love is Dr Allan Fromme s cryptic reflection on our current mood With a sense of human adventure Eugenia Price suggests in **Make Love Your Aim** that anyone can be an expert on love if he will dare to discover for himself the love God offers We have so sentimentalized our concept of love that it bears no resemblance to the original Miss Price writes We have taken the word of romantic novels and motion pictures and TV and perfume and men above the Word of God The Bible declares that God is love How closely does your concept of love resemble the love of God We tend to judge the quality of love according to the way it makes the loved one feel But to judge love by feeling is our big error and the point at which we turn aside from God s original concept **Make Love Your Aim** is a companion piece to the author s last book **The Wider Place** which was described by some readers as a controversial challenge to try the inner freedom God grants to anyone who want it enough to assume the responsibilities that come with it Freedom and love are two sides of the same coin And we can only understand them enough to practice them if we know the way God defines them How does He do this In Jesus Christ the final yet continuing revelation of God s true intentions toward all of us Those who are familiar with Eugenia Price s books will recognize this as a recurring theme **Make Love Your Aim** develops it with imagination and versatility Jesus said If the Son shall make you free you shall be free indeed But He was offering to wave no magic wand over our heads so that we could do as we pleased He also said This is my commandment That you love one another as I have loved you His is the love of the Cross without self defense without self pity and totally free **The Encyclopedia of Christian Literature** George Thomas Kurian,James D. Smith III,2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles *Learning to Live From the Gospels* Eugenia Price,2021-04-27 Here is the good news of the Gospels In the light of Eugenia Price s revealing dynamic insight as she searches for God s own answers for today s readers The familiar Gospel words breathe with new life as she cuts through the superficialities of those

who attempt to deemphasize the Bible and draws up sharp guidelines which twentieth century Christians can follow Each of Miss Price s favorite Gospel verses is included in the book followed by her reflections on them Her exposition of the beloved King James passages rings with authenticity and poetic authority In the Preface to Learning To Live From The Gospels Miss Price writes You will find little or no information here concerning who wrote and who did not write the Gospels as we know them You will find no scientific verification of the miracles not even a defense of them God s activities need no defense from us There are no scholarly apologetics no exegeses of the more obscure passages of Scripture I do not know how to do any of this I find it enough to attempt to learn how to live by the passages I do understand Having met Christ when I was well along on my earthly journey what has held my interest from the beginning of my life with Him has not been how to analyze or criticize the Bible but how to learn to live from it I know of no better place to learn how to live than from the four provocative Gospel accounts of the earthly life of the God who loved us enough to become one of us **Before the Darkness Falls**
