Republic of the Philippines Congressional Record Philippines. Congress (1940-1973). Senate, 1952      The Justice of the Greeks Raphael Sealey, 1994 A well grounded study of the Greek contribution to law      **Performance and Progress** Subramanian Rangan, 2015-08-21 The prevailing aspiration of business is performance while that of society is progress Capitalism both the paradigm and practice sits at the intersection of these dual aspirations and the essays in this volume explore its fraught status there Contributions to this volume address questions such as i what s the problem with capitalism ii is the problem just with the practice or with the very paradigm iii what is progress and who is responsible for it iv what evolution is required at the individual system and paradigm level so that enterprises and the executives who lead them may better integrate performance with progress and v whither consumers employees and investors in this evolution The book offers perspectives from two distinct intellectual domains social science and philosophy Scholars in social science including economics management and sociology tend to study performance Ideas of progress on the other hand tend to fall more under the purview of philosophers in particular social and political philosophers Further to obtain an insider s view on practice and possibilities the volume includes essays from a handful of thoughtful business leaders Research should consider not just how to make sustainability profitable but also how to make profitability and the modern economic system sustainable If we are to better comprehend why the world is in protest to reflect on progress or dilemmas of trust we must appreciate the tenuous assumptions of modern microeconomics and markets and hear from modern philosophers about the basis and limits of rationality      **The Trial** Publishers Lunch, 2022-09-20 Required Reading In the book publishing tradition of preserving the full record of significant events and documents THE TRIAL presents the significant day by day antitrust trial coverage and insider analysis from Publishers Lunch with an edited version of the full public testimony and all of the key pre and post trial documents and filings      **The Origins of Corporations** Germain Sicard, 2015-01-01 Fully modern corporations appeared in fourteenth century Toulouse much earlier than previously believed Germain Sicard proves that Europe s first corporations were fourteenth century mill companies operating in Toulouse rather than seventeenth century English and Dutch trading companies as commonly believed He shows that the corporate form derives from a unique ownership contract from Medieval Europe called pariage and a culture of strong property rights and municipal self governance Based on archival research Sicard s 1952 thesis has been translated into English with an introduction that places the work in the context of new institutional economics and legal theory It is an important contribution to research on the history and legal origins of the corporation      *Between Us: How Cultures Create Emotions* Batja Mesquita, 2022-07-19 A Behavioral Scientist Notable Book of the Year One of KCRW s Best Reads of the Year A Next Big Idea Club Top 21 Psychology Book of the Year One of Publishers Weekly s Best Books of the Year A pioneer of cultural psychology argues that emotions are not innate but made as we live our lives together How are you feeling today We may think of emotions as universal responses felt inside but in

Between Us acclaimed psychologist Batja Mesquita asks us to reconsider them through the lens of what they do in our relationships both one on one and within larger social networks From an outside in perspective readers will understand why pride in a Dutch context does not translate well to the same emotion in North Carolina or why one's anger at a boss does not mean the same as your anger at a partner in a close relationship By looking outward at relationships at work school and home we can better judge how our emotions will be understood how they might change a situation and how they change us Brilliantly synthesizing original psychological studies and stories from peoples across time and geography Between Us skillfully argues that acknowledging differences in emotions allows us to find common ground humanizing and humbling us all for the better
