Sharing Circle Stories About First Nations Culture:

Ancient and Indigenous Wisdom Traditions in the Americas Ehaab Abdou, Theodore Zervas, 2024-08-01 This book brings attention to the understudied and often overlooked question of how curricula and classroom practices might inadvertently reproduce exclusionary discourses and narratives that omit or negate particular cultures histories and wisdom traditions With a focus on representations and classroom practices related especially to ancient and Indigenous wisdom traditions and cultures it includes unique contributions from scholars studying these questions in various contexts The book offers a range of important studies from various contexts across the Americas including Canada the various member nations of the Caribbean Community CARICOM Puerto Rico and the United States The various chapter contributions address and discuss nuances of each of the contexts under study The contributions also help highlight some key commonalities across these contexts including how dominant discourses and various forces have historically shaped and continue to shape and reproduce such omissions misrepresentations and marginalization In addition to seeking to reconcile with some of these ancient and Indigenous wisdom traditions and cultures the book charts a path forward toward more holistic analytical frameworks as well as more inclusive and balanced representations and classroom practices in these aforementioned geographic contexts and beyond It will appeal to scholars researchers undergraduate and graduate students with interests in Indigenous education curriculum studies citizenship education history of education religion and educational policy

Intimately Situated Stories of Place Iris Berger, 2024-11-10 This edited volume illuminates how intimate relations with place can transform early childhood pedagogy by presenting a diverse range of situated place stories The book begins to answer big questions facing the early childhood education community including What is situated locally responsive education at a time when both researchers and educators grapple with their responsibility and response ability to initiate and inspire alternative environmental ethics and anticolonial approaches that invite active participation from children Chapters will include work from Indigenous and non Indigenous researchers and educators who center the role of place in cultural identity community building and anticolonial projects throughout their work and teaching Hands-On Science and Technology for Ontario, Grade 1 Jennifer E. Lawson, 2023-11-02 Hands On Science and Technology for Ontario Grade 1 is an easy to use resource for teaching the five strands of the Ontario science and technology 2022 curriculum STEM Skills and Connections Life Systems Needs and Characteristics of Living Things Matter and Energy Energy in Our Lives Structures and Mechanisms Everyday Materials Objects and Structures Earth and Space Systems Daily and Seasonal Changes Hands On Science and Technology for Ontario Grade 1 encourages students natural curiosity about science and the world around them as they participate in hands on activities and explore their environment Using the inquiry approach this comprehensive resource fosters students understanding of STEM science technology engineering and mathematics skills makes coding and emerging technologies approachable for both teachers and students emphasizes personalized learning using a four part instructional

Indigenous Research Deborah McGregor, Jean-Paul Restoule, Rochelle Johnston, 2018-08-15 Indigenous research is an important and burgeoning field of study With the Truth and Reconciliation Commission's call for the Indigenization of higher education and growing interest within academic institutions scholars are exploring research methodologies that are centred in or emerge from Indigenous worldviews epistemologies and ontology This new edited collection moves beyond asking what Indigenous research is and examines how Indigenous approaches to research are carried out in practice Contributors share their personal experiences of conducting Indigenous research within the academy in collaboration with their communities and with guidance from Elders and other traditional knowledge keepers Their stories are linked to current discussions and debates and their unique journeys reflect the diversity of Indigenous languages knowledges and approaches to inquiry Indigenous Research Theories Practices and Relationships is essential reading for students in Indigenous studies programs as well as for those studying research methodology in education health sociology anthropology and history It offers vital and timely guidance on the use of Indigenous research methods as a movement toward reconciliation

Powerful Writing Structures Adrienne Gear, 2020-02-06 This timely book uses thinking structures to deepen student writing It revolves around brain pockets to help students appreciate the qualities of different writing forms Some powerful examples include memory pockets for personal narrative writing fact pockets for nonfiction and imagination pockets for story writing Detailed lesson plans are featured along with sample anchor books and book lists Based on extensive classroom testing student samples throughout the book illustrate this unique approach to teaching writing Suggestions for setting up an effective writing program and assessment tips for guiding instruction complete this comprehensive approach to developing a year long writing program

Centering African Proverbs, Indigenous Folktales, and Cultural Stories in Curriculum George J. Sefa Dei, Mairi McDermott, 2019-05-24 A vital resource for educators this collection offers reflections on and samples of units and lessons with an anti racism orientation that promote inclusive educational practices for today's increasingly diverse K 12 classrooms Engaging with multicentric

cultural knowledges and stories the contributors consisting of classroom teachers community workers and adult educators present units and lesson plans that challenge the Eurocentricity of curriculum design while also having practical applicability within various North American curricular models These curriculum designs make space for students lived experiences inside the classroom and amplify critical social values such as community building social justice equity fairness resistance and collective responsibility thereby addressing the issue of youth disengagement and promoting productive inclusion Rich with sample units and lessons that are grounded in African oral traditions this ground breaking resource features critical guiding questions suggestions for ongoing and culminating classroom activities templates and resources and notes to the teacher Centering African Proverbs Indigenous Folktales and Cultural Stories in Curriculum is an essential tool for practising teachers professional learning providers and students in education and teaching programs across Canada and the United States

The Routledge Handbook of Methodologies in Human Geography Sarah A. Lovell,Stephanie E. Coen,Mark W. Rosenberg,2022-10-18 The Routledge Handbook of Methodologies in Human Geography is the defining reference for academics and postgraduate students seeking an advanced understanding of the debates methodological developments and methods transforming research in human geography Divided into three sections Part I reviews how the methods of contemporary human geography reflect the changing intellectual history of human geography and events both within human geography and society in general In Part II authors critically appraise key methodological and theoretical challenges and opportunities that are shaping contemporary research in various parts of human geography Contemporary directions within the discipline are elaborated on by established and emerging researchers who are leading ontological debates and the adoption of innovative methods in geographic research In Part III authors explore cross cutting methodological challenges and prompt questions about the values and goals underpinning geographical research work such as Who are we engaging in our research Who is our research for What are our relationships with communities Contributors emphasize examples from their research and the research of others to reflect the fluid emotional and pragmatic realities of research This handbook captures key methodological developments and disciplinary influences emerging from the various sub disciplines of human geography

Indigenous Cultures and Mental Health Counselling Suzanne L. Stewart,Roy Moodley,Ashley

Hyatt,2016-08-12 North America s Indigenous population is a vulnerable group with specific psychological and healing needs that are not widely met in the mental health care system Indigenous peoples face certain historical cultural linguistic and socioeconomic barriers to mental health care access that government health care organizations and social agencies must work to overcome This volume examines ways Indigenous healing practices can complement Western psychological service to meet the needs of Indigenous peoples through traditional cultural concepts Bringing together leading experts in the fields of Aboriginal mental health and psychology it provides data and models of Indigenous cultural practices in psychology that are successful with Indigenous peoples It considers Indigenous epistemologies in applied psychology and research

methodology and informs government policy on mental health service for these populations **The Sharing Circle** Theresa Meuse, 2003 Matthew loves to play games with his friends and share his toys with them But most of all he loves to share the special treasures that remind him of his First Nations culture Perhaps his favourite treasure is the medicine pouch that his grandfather made especially for him This is where he keeps many of his other treasures Sharing Circle includes seven children's stories about First Nations culture and spirituality practices All seven stories The Eagle Feather The Dream Catcher The Sacred Herbs The Talking Circle The Medicine Wheel The Drum and The Medicine Pouch explore First Nations cultural practices and teach children about Mi kmaq beliefs and heritage Researched and written by Mi kmaw children's author Theresa Meuse and beautifully illustrated by Mi kmaw illustrator Arthur Stevens this book will engage and inform children of all ages **Boundary Spanning Design for Better Organisation** Tarja Pääkkönen, Satu Miettinen, 2025-08-11

This intriguing book explores the concept of boundary spanning design in different organisational fields advocating for the awareness of human experience and the social aspects of design within an increasingly technology oriented business landscape Canadian Books in Print. Author and Title Index , 1975 **Responsible Research Practice** Norma RA Romm, 2018-04-21 This book explores ways in which creative research practice can be explicitly and mindfully geared to make a difference to the quality of social and ecological existence It offers a range of examples of how different research methods can be employed and re-tuned with this intention The book suggests that what Romm names active research involves using the research space responsibly to open up new avenues for thinking and acting on the part of those involved in the inquiry and wider stakeholders The book includes a discussion of a range of epistemological ontological methodological and axiological positions or paradigms that can be embraced by inquirers implicitly or explicitly It details the contours of an epistemology where knowing is recognized to be grounded in social relations as a matter of ethics While focusing on discussing the transformative paradigm and attendant view of research ethics it considers to what extent the borders between paradigms can be treated as being permeable in creative and active inquiries Apart from considering options for enhancing responsible research practice during the process of inquiry and reconsidering mixed research designs the book also considers options for responsible theorizing that is inspirational for pursuing goals of social and ecological justice

Strong Helpers' Teachings, Third Edition Cyndy Baskin, 2022-09-02 The thoroughly updated third edition of Strong Helpers Teachings skillfully illustrates the importance of Indigenous knowledges in the human services Making space for the voices of many Indigenous and non Indigenous scholars practitioners and service users Cyndy Baskin's text models possible pathways toward relationship building and allyship With practical examples and case studies Baskin places Indigenous perspectives at the centre of the social work disciplines and covers topics such as spirituality research justice and healing Robust updates include new chapters on decolonization and reconciliation as well as expanded content on holistic healing implementation skill building land based practice and child welfare With concise theoretical content illustrative practical

applications rich pedagogical features and a focus on centering Indigenous worldviews knowledge and helping practices this text is foundational for educators practitioners and students of human services social work child and youth care and more
FEATURES Centres Indigenous knowledge for social work practice Supplements practical applications with case studies encouraging critical reflection and discussion Each chapter includes an introduction and conclusion to outline objectives and summarize the chapter's content African Storytelling for Global Citizenship Education George J.S. Dei, Dionisio

Nyaga, Juliana Kami, 2025-04-09 This thought provoking book outlines the pedagogical value of African storytelling It demonstrates that African wisdom has historically been part of violent colonial elimination leading to the ontological expendability of these stories and them being excluded forgotten and devalued in academic circles **Proceedings of The 23rd European Conference on Research Methods in Business and Management** Sandra Moffett, The European Conference on Research Methodology in Business and Management ECRM is a longstanding academic conference held annually for 24 years dedicated to advancing the understanding and application of research methodologies in the fields of business and management The conference provides a forum for scholars researchers and practitioners to share insights explore new approaches and discuss the challenges and innovations in research methods ECRM is known for its rigorous peer reviewed proceedings ensuring that the research presented meets high academic standards By covering a wide range of methodological issues and innovations the conference plays a crucial role in shaping the future of research in business and management promoting the development of robust and impactful research practices The Proceedings of the 24th ECRM 2025 includes academic research papers a PhD research paper and a Masters research paper as well as a work in progress paper which have been presented and discussed at the conference The proceedings are of an academic level appropriate to a research audience including graduates post graduates doctoral and post doctoral researchers All papers have been double blind peer reviewed by members of the Review Committee **The Routledge Companion to Indigenous Art Histories**

in the United States and Canada Heather Igloliorte, Carla Taunton, 2022-12-30 This companion consists of chapters that focus on and bring forward critical theories and productive methodologies for Indigenous art history in North America This book makes a major and original contribution to the fields of Indigenous visual arts professional curatorial practice graduate level curriculum development and academic research The contributors expand create establish and define Indigenous theoretical and methodological approaches for the production discussion and writing of Indigenous art histories Bringing together scholars curators and artists from across the intersecting fields of Indigenous art history critical museology cultural studies and curatorial practice the companion promotes the study and dissemination of Indigenous art and stimulates new conversations on such key areas as visual sovereignty and self determination resurgence and resilience land based embodied and nation specific knowledges epistemologies and ontologies curatorial and museological methodologies language decolonization and Indigenization and collaboration consultation and mentorship **Truth-telling and the Ancient**

University Gavin John Morris, Miriam-Rose Ungunmerr-Baumann, Judith Atkinson, Emma L. Schuberg, 2023-10-25 This book shares a strength based truth telling model which reveals the trauma associated with the experience of colonisation and the traditional healing practices specific to the Nauiyu Nambiyu community in Australia It explores the significance of community placed on developing the Ancient University an Aboriginal based stand alone healing centre that incorporates traditional healing practices This book outlines the truth telling model which was developed by the Nauiyu community to address a community need This unique approach represents a deliberate shift from decolonial scholarship which merely captures Indigenous voice speaking back to the colonisers This book explores Indigenous critical pedagogies to investigate theoretical frameworks with implications for planning learning and teaching which are culturally responsive in a variety of contexts It is the first of its kind that utilises an Indigenous research methodology on the country and with the people to which it belongs

Group Work with Populations at Risk Geoffrey L. Greif, Carolyn Knight, 2017 This skills focused group work book equips students and practitioners to address the needs of a wide range of under served populations Particular attention is paid to building skills for serving a wide range of social and emotional client needs across the lifespan in a variety of settings

Justice, Indigenous Peoples, and Canada Kathryn M. Campbell, Stephanie Wellman, 2023-12-19 Justice Indigenous Peoples and Canada A History of Courage and Resilience brings together the work of a number of leading researchers to provide a broad overview of criminal justice issues that Indigenous people in Canada have faced historically and continue to face today Both Indigenous and Canadian scholars situate current issues of justice for Indigenous peoples broadly defined within the context of historical realities and ongoing developments By examining how justice is defined both from within Indigenous communities and outside of them this volume examines the force of Constitutional reform and subsequent case law on Indigenous rights historically and in contemporary contexts It then expands the discussion to include theoretical considerations particularly settler colonialism that help explain how ongoing oppressive and assimilationist agendas continue to affect how so called justice is administered From a critical perspective the

book examines the operation of the criminal justice system through bail specialized courts policing sentencing incarceration and release It explores legal frameworks as well as current issues that have significantly affected Indigenous peoples such as the Truth and Reconciliation Commission the Inquiry into Missing and Murdered Indigenous Women and Girls human rights resurgence and identity This unique collection of perspectives exposes the disconcerting agenda of historical and modern day Canadian federal government policy and the continued denial of Indigenous rights to self determination It is essential reading for those interested in the struggles of the Indigenous peoples in Canada as well as anyone studying race crime and justice
