Sharing the Good News Word Among Us Press,1999-01-01 *Share Christ* Dave Nodar,Dianne Davis,Fr. Erik Arnold,2018-04-11 We cannot keep to ourselves the words of eternal life given to us in our encounter with Jesus Christ they are meant for everyone for every man and woman Pope Benedict XVI Should Catholics evangelize How would I start What would I say Evangelization isn't just for evangelical preachers popes and foreign missionaries It's something all of us as baptized Christians can do Through personal stories and examples authors Dave Nodar Dianne Davis and Fr Erik Arnold show that every one of us has the unique opportunity and ability to be a part of God's work *Share Christ* strongly shows that sharing the Gospel doesn't have to be foreign or frightening Readers from all walks of life will be empowered to evangelize in their everyday surroundings inviting those they encounter into friendship with Jesus Christ Offering practical steps and encouragement this book will equip you to share the Good News with love joy and authenticity anytime anywhere Based on the ChristLife *Sharing Christ* DVD series Find out more at christlife.org share The Lord Jesus commands us to go and proclaim the Gospel to every creature What does that look like in our everyday lives Dave Nodar Fr Erik Arnold and Dianne Davis give a simple and uncomplicated explanation of how to share Christ through their own conversion testimonies and experience evangelizing Most Reverend William E Lori Archbishop of Baltimore *Share Christ* is one of the most down to earth practical and encouraging Catholic resources on evangelization I've seen If you love the Lord Jesus and want to share Him with others but are not sure how to begin this book is for you Dr Mary Healy Member of the Pontifical Biblical Commission There's much talk about evangelization in the Church today but ChristLife is actually doing something about it Their three part video series now in book form has helped thousands come to a deeper relationship with Christ grow into a lifestyle of discipleship and actually begin to share him with others This book can do the same for you Dr Ralph Martin Consultor to the Pontifical Council for the Promotion of the New Evangelization ABOUT THE AUTHORS Dave Nodar Dianne Davis and Fr Erik Arnold are leaders in ChristLife a growing movement of missionary disciples united by a commitment to bear witness to the gospel of God's love and empowering presence in Jesus Christ our Lord *Unlikely Converts* Randy Newman,2019-07-30 Rely on the unstoppable power of the gospel not your own words Most Christians have people in their lives who they're sure will never come to faith Whether they're too committed to their sinful ways too angry at God or too quick to shut down any mention of the saving grace of Jesus these long shots don't seem worth approaching But some of the most unlikely converts have the strongest faith stories and they can be a source of incredible encouragement for Christians who are trying to evangelize those around them Randy Newman knows firsthand the discomfort that comes with sharing the gospel He's been tongue tied and timid too But the truth is we don't need to sound like the brilliant charismatic legendary evangelists In this book Randy shares surprising conversion stories straight from those who took the long way around to Christianity He considers current cultural trends that make evangelism more difficult today Then with his characteristic upbeat style he

offers practical ways and even exact wording to proclaim the gospel and includes a plan of action In the end Unlikely Converts encourages us to remember that while the Great Commission requires us to share the good news it does not require perfection only confidence in the message *SHARING THE GOSPEL; GOOD NEWS ON THE GO; Practical Evangelism* Matthew A. Gehring, Andrew D. Kinsey, Vaughn W. Baker, 2019-02-14 The publication of William J Abraham s *The Logic of Evangelism* in 1989 marked a turning point in the field and practice of evangelism Almost thirty years later the book still provokes discussion as it stimulates both theorists and practitioners to comprehend evangelism as initiation into God s reign Combining theological insight and historical analysis Abraham s groundbreaking work remains the primary text to set the stage for how evangelism may be conceived In these timely essays written by both theologians and church leaders *The Logic of Evangelism Revisited* takes a critical and yet appreciative look into the ways Abraham s work still speaks to the church in today s world The authors coming from a wide array of backgrounds show how *The Logic of Evangelism* remains a key text into the twenty first century *Joyfully Spreading the Word* Kathleen Buswell Nielson, Gloria Furman, 2018 **Organic Outreach for Ordinary People** Kevin G. Harney, 2009-10-06 Most people who call themselves followers of Jesus have a deep desire to tell others about God s amazing grace Yet at the same time they avoid evangelism and often feel guilty for doing so Pastor Kevin Harney wants to see this change He is convinced that ordinary Christians can share the extraordinary love of God in ways that are natural and normal and simple Kevin was raised in a loving healthy non Christian home He feels as comfortable around people who are far from God as he does with those who have been in the church their whole lives In this book Kevin offers forty ways any Christian can take simple steps forward in learning to share what is most important the message of God s life changing love revealed in Jesus In *Simple Evangelism* you will discover that God longs to work through you to bring his good news to a world in need And you will be overjoyed as you discover that the pathway to fruitfulness in evangelism is paved

with simple attitude adjustments actions and spiritual exercises that anyone can do including you Taking the Plunge Ron Browning,2011-01-01 The early twenty first century is the time for the churches to take seriously a holistic form of evangelism an approach of accompanying and helping searchers become engrafted into the Christian community This task is urgent since no longer is western culture supportive of faith forming Furthermore evangelism that just explains Christianity is clearly not enough An interactive process is needed that involves inquirers and congregation members proceeding with participants questions and concerns in a supportive group context Accessing gospel stories in an intuitive method the process entails rich spiritual encounters and leads to participating in the Easter event and Baptism dying and rising as the heart of belief and commitment This practice of initiation into faith is often called the Easter Journey Parallels with the fourth century are sketched since the Church at that time was also on the cusp of being the established religion of society and was keen to hold a distinctive witness in the empire Likewise in our times evolving Christian social witness needs to be a focus of any evangelistic formational process The experience of the author in the Australian context provides the background of this book His conviction is that as congregations accompany inquirers they become strongly oriented in discipleship Welcoming people into the community of faith in this edge centre dynamic gives rise to fresh directions of Christian life Six such directions are explored **The Word On The Street** Ray Comfort,2020-10-01 In the midst of a godless culture Paul did what was

necessary to reach the masses with the message of everlasting life he reasoned about Jesus in the marketplace daily with those who happened to be there Acts 17 17 and preached on Mars Hill on the main route to the Parthenon in Athens We too are living in the midst of a The Day of Good News Bob Gabelman,2022-06-26 Have you ever wondered what the Apostle John heard when he laid his head on Jesus chest on the night of the last supper I believe what he heard is what I have heard over the past 43 years as I lay my head on the chest of the Master daily in my personal devotions None Perish 2 Peter 3 9 All Saved 1 Timothy 2 4 None Perish All Saved This is the very heartbeat of God Have you ever felt lost in sharing the greatest story ever told You can confidently share the Good News of salvation with those people who are in your realm of influence In this book you will find easy and practical steps to effectively win the lost to Jesus Christ You will be inspired to share your faith by the more than sixty stories from the front lines of personal evangelism To God souls are the most valuable thing in heaven The body of this book has been tested and found true through years of street evangelism It has been taught over 70 times in city wide soulwinning conferences and Bible Schools throughout the United States Mexico Cuba El Salvador and China January 20th 1979 Bob Gabelman met the living Christ while reading a Gideon s Bible This powerful encounter altered both his present and future destiny Within weeks he was sharing the Good News of salvation in Jesus Christ wherever he went and with whoever would listen Now 43 years later he has shared this message over 20 000 times throughout the United States Mexico Cuba and China Since 1996 Bob has been teaching the essentials of effective evangelism to thousands of God s people in these nations **Good News Is for Sharing** Leighton Ford,2017-06 Good news begs to be shared Christians have

the responsibility and the privilege of passing on the good news that through faith in Jesus Christ eternal and abundant life is offered to all people And yet why are we so often reluctant to share Why even when we sometimes feel a strong sense of oughtness about being a witness to Jesus Christ do we fail to do it Leighton Ford identifies and offers biblical solutions to overcome our hesitancy Fear of how people will react Not knowing how to communicate or what to say The belief that evangelism or being a witness is just not my gift A distorted view of what evangelism involves Leighton Ford believes in evangelism It is his mission in life to share the Good News of Jesus Christ He also knows that the style of our evangelism as well as the message must be good news This book offers the hows whens and wheres of responsible and natural faith sharing It s a guide to evangelism that works Good News Is for Sharing informs equips motivates and encourages a natural human and personal way to share the Good News of Jesus Christ to help make friends for God (im)POSSIBLE Lon

Allison,2017-01-02 im POSSIBLE Discover the Joy of a Prayer Care Share Life will inspire and persuade you to engage in a life of personal witness for Jesus Christ Offering years of personal experience author and teacher Lon Allison s prayer care share method of evangelism clarifies and simplifies the witnessing life Embrace new attitudes and you will begin the journey of a lifetime Once you begin to pray regularly for unbelievers and your life of witness your compassion rises Once your compassion rises you gain power over the fear factor that paralyzes many from sharing their faith with others Now s the time to dare what are you waiting for You were made for this Growing Your Faith by Giving It Away R. York Moore,2005-07-06

Talking about Jesus isn t just good for the people who hear It s good for you too R York Moore describes his adventures sharing the gospel with all kinds of people Through his vivid stories you ll catch a glimpse of the dynamic work of the Holy Spirit to guide and empower you even when you feel uncomfortable or don t know what to say or do **Evangelism is Exciting!** Natalie Vellacott,2023-07-25 If you re anything like most people evangelism scares you The thought of having that awkward conversation with anyone let alone someone you already have a relationship with is enough to make your palms sweaty heart beat faster and wishing you were anywhere else but in that place having that discussion The good news is that every Christian feels like that at first Even the most experienced evangelists will tell you that they feel nervous when approaching someone and often struggle to know how to begin This helpful guide to evangelism by former overseas missionary Natalie Vellacott is packed with personal testimonies of sharing our faith Through practical examples advice and encouragement she emphasises not only the absolute importance of presenting the gospel to those around us but that it can even be fun Sometimes humorous other times hard hitting Natalie s stories demonstrate that evangelism is always exciting because we never quite know what God will do When I am dying how glad I shall be That the lamp of my life has been blazed out for Thee I shall be glad in whatever I gave Labour or money one sinner to save Sharing The Good News Wole Aderinwale,2023-03-10 WHAT DO YOU SEE The Gospel of Matthew made a remarkable account of how Jesus sees the people he is sent to But when he saw the multitudes he was moved with compassion on them because they fainted and were

scattered abroad as sheep having no shepherd Matthew 9 36 There is a way believers and ministers who have the love of God in their hearts see people unbelievers this world They see them just as Jesus did as sheep without Shepherd What do we see when we see unbelievers in our schools neighbourhoods offices and so on Do we see people we envy and wished we had their liberty or people who need to hear the true gospel of Lord Jesus Christ The work of a believer in Christ is to preach the gospel the good news There is nobody who hears any kind of good news and then becomes sad and broken The response of the recipient of the good news of our saviour is joy The response to the gospel preached by Phillip in the city of Samaria was no coincidence And there was great joy in that city Acts 8 8 Peter had earlier preached on the day of Pentecost and the people also received the message with gladness Then they that gladly received his word were baptized Acts 2 41 Why because it is the GOOD NEWS This book starts with an exegetical approach to the meaning of the gospel and closed by putting the fire in your bones to go out there where the sinners are and deliver the good news doctrinally passionately and miraculously
