Sharp Golden Thorn:

Sharp Golden Thorn Chard DeNiord, 2003 Poetry In this follow up to the award winning collection *Asleep in the Fire* CharddeNiord's verse ranges from the quirkily amusing to the deeply lyrical and meditative even mystical Although we come to know the touchstones and totems of the poet's life in New England the work is essentially unrestrained by geography or time ranging as far afield as the poet's imagination allows A master of the emphatic statement the clear proposition about the world deNiord presents a poetry that has absorbed the deep imagery of the last fifty years and the moral philosophy of the last five hundred SHARP GOLDEN THORN reveals that Chard deNiord is one of the most outstanding poets at work today

The Golden Thorns Leigh Grossman, 2014-01-06 Knighted for bravery in a battle he only half remembers his newfound noble status is the only thing that saves Falorn's life when he's captured by a powerful archbishop But that nobility also forces him on a doomed quest into the land of the Immortal King where savage armies compete with powerful wizards to try to take away the magical artifact that propelled Falorn into this mess in the first place In a web of betrayals and counterbetrayals he finds himself caught in a love triangle between the woman whom he loves but who has twice abandoned him and the woman who seems to love him but whom he can never fully trust Wizards monsters pirates murderous cults and rogue professors all have a role to play in this thrilling sequel to *The Green Lion* But the ultimate role will be played by the sorceress in whose thorns Falorn is caught and who set in motion the events that threaten to consume him **Scars** Paul Murray OP, Paul Murray, 2014-07-17 A powerful reflection on human affliction in the stories of some remarkable individuals

Campos de Castilla Antonio Machado, 2002 Antonio Machado was born in Seville in 1885 and died in southern France early in 1939 escaping from the Nationalist advance in the Spanish Civil War He is increasingly recognized as one of the four greatest Spanish language poets of the twentieth century but lack of adequate translations has limited his appreciation in the English speaking world Here a native Spanish and a native English speaker set out to remedy this deficiency The beauty of his landscape fused with its sadness as his young wife's resting place gave Machado his distinctive voice intimate elegiac at once detached and involved most characteristically expressed in *Campos de Castilla* 1917 from which many of the poems here selected are taken The language of his poetry is spare relying strongly on nouns and adjectives asserting more than describing equally anti baroque and against the excesses of modern cosmetics Self Portrait His father had been a collector of folklore and Machado saw the romance ballad tradition as lying at the heart of the authentic Spanish poetic tradition English cannot recreate the assonance on which he relied but this translation captures the essential rhythm as well as the poignancy of the original Spanish text with facing page translation introduction and notes 4 yan xi, 2024-06-05 Lin Yu heard the voice suddenly coming from her mind and her expression was calm and calm *My Super Pretty Wife* Wen Ding, 2020-07-22 Mercenary King Chen Yang returned to the city to protect his comrade's sister the goddess In the bustling city Chen Yang was like a fish in water carefree and at ease And to see how the previous generation's soldiers would use their iron fists and

wits to build a business empire **On the Edge of the River Sar** Rosalía de Castro,2014-10-16 This book presents the first feminist translation of Rosal a de Castro s seminal poetic anthology *En las orillas del Sar* *On the Edge of the River Sar* 1884 Rosal a de Castro 1837 1885 was an artist of vast poetic vision Her understanding of human nature and her deep sensitivity to the injustices suffered by women and by such marginalized peoples as those of her native region Galicia are manifest in verses of universal yet rarely translated significance An outspoken proponent of both women s rights and her region s cultural and political autonomy Castro used her poetry as a vehicle through which to decry the crushing hardships both groups endured as Spain vaulted between progressive liberal and conservative reactionary political forces throughout the nineteenth century Depending upon what faction held sway in the nation at any given time during Castro s truncated literary career her works were either revered as revolutionary or reviled as heretical for the views they espoused Long after her death by uterine cancer in 1885 Castro was excluded from the pantheon of Spanish literature by Restoration society for her unorthodox views Compellingly the poet s conceptualization of the individual and the national self as informed by gender ethnicity class and language echoes contemporary scholars of cultural studies who seek to broaden present day definitions of national identity through the incorporation of precisely these same phenomena Thanks to the most recent works in Rosalian and Galician studies we are now able to recuperate and reevaluate Rosal a de Castro s poems in their original languages for the more radical symbolism and themes they foreground related to gender sexuality race and class as they inform individual and national identities However although Castro s poetic corpus is widely accessible in its original languages these important features of her verses have yet to be given voice in the small number of English translations of only a sub set of her works that have been produced in the last century As a result our understanding of Castro s potential contributions to contemporary world poetries gender studies Galician and more broadly cultural studies is woefully incomplete An English translation of Castro s works that is specifically feminist in its methodological orientation offers a unique and thought provoking means by which to fill this void Takomiad Surazeus Astarius,2017-09-24 *Takomiad* of Surazeus Goddess of Takoma presents 125 667 lines of verse in 2 590 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 1984 to 1992 *Super Male Instructor* Shang Shan,2020-05-04 Ten years later he was reincarnated but was surprised to find someone posing as himself as the head of the chinese power group which is hidden in what kind of conspiracy in order to solve the mystery To save their own he sent for a body art training institutions male drillmaster led a team composed of beauty opened the modern city against the sky journey **Ya Basta!** Marcos (subcomandante.),2004-01-01 For ten years a voice from deep within the Mexican jungle has inspired us to fight back Shadows and Twilight Jamie A.
