town that had changed hands dozens of times over the previous three years Tactical brilliance and ineptitude were on display throughout the daylong affair as Sheridan threw infantry and cavalry against the thinning Confederate ranks and Early and his generals shifted to meet each assault A final blow against Early's left flank finally collapsed the Southern army killed one of the Confederacy's finest combat generals and planted the seeds of the victory at Cedar Creek the following month This vivid account based on more than two decades of meticulous research and an unparalleled understanding of the battlefield and rich in analysis and character development is complemented with numerous original maps and explanatory footnotes that enhance our understanding of this watershed battle
