Shattered Mask:

Shattered Masks Lyman A. Montgomery III, 2011-08-26 In today's world image is everything. Imagine navigating through childhood and your adult life carrying the baggage of being bullied or called a sissy because you were unable to stand up for yourself. Lyman Montgomery lived that life and suffered great and consistent losses. Before age of 14 he was sexually abused by a trusted teacher and experienced the death of two of his grandparents, one of which took her own life. Lyman kept silent about his abuse, avoided dealing with the grief of his father's death by never mentioning him, associated with people who were better off financially, developed unhealthy relationships with women, performed as others expected, used accomplishments to feel better about himself, and projected a religious lifestyle that was not rooted in righteousness. *Shattered Masks: 7 Masks We Wear* is an autobiographical account of how masks are made in a young person's life. It is also a self-study to help you identify the mask makers in your life and to shatter the masks you've grown accustomed to wearing. [A Court of Masks and Secrets](#)

Reed Marlowe, *A Court of Masks and Secrets: Everyone's Guilty Behind the Veil* by Reed Marlowe. Step into the hauntingly elegant city of Virelle where every secret wears a face and every lie wears a mask. This is not just a story; it's an invitation to a deadly game of deception. What awaits inside? A mysterious masquerade where truth is forbidden and masks hold power. Lys Verdan, a former investigator, is drawn back into danger by her sister's disappearance. Poison, riddles, shattered mirrors, and the chilling House of Eyes. Hidden factions, betrayal, and a final unmasking no one sees coming. Whether you love dark mysteries, psychological thrillers, or Gothic suspense, this original tale will pull you into a world where everyone is guilty behind the veil. Paradise Lost: The Honeymoon Painter Katherine Joneson, **The OSIRIS War** Matthew P. Schmidt, 2024-10-26
The Artificial Gods brought immortality. Now they're failing. Twenty-two year old Mary Firebrightsky has just graduated from college with a promising future ahead of her. After all, she's going to live forever. Everyone lives forever these days thanks to digital gods that grant eternal life in virtual space. But she needs a job and the people she's competing with have several lifetimes worth of experience and she has none. When she can't even qualify for indentured servitude to pay off her student loans, she takes a risky move at self-employment under a religious loophole that follows the ancient human faith Catholicism. As the new gods fail, anarchy ensues as people fight for their right to eternal life. Can Mary with her newly formed conscience serve her clients, her God, and her own need to survive? **Trigger Warning 2020** Writing this book was the author's way of coping with present events. This book is thinly veiled political commentary set in the downfall of a dysfunctional republic and its broken gods. But if you want a book about hope when all else is hopeless, you've found the one. **Terminal Guidance** Don Pendleton, 2011-12-01 U.S. intelligence agencies are picking up chatter about something big coming their way. A series of calculated executions of undercover intelligence personnel in Washington, London, and Pakistan convinces the Oval Office that this is the attack the world has feared. The Stony Man teams deploy to the hot spots fighting to connect the dots in a plot to blow dirty bombs in Boston and Peshawar. And every minute counts as the warriors seek to smash a deadly alliance of terror that seems to have unlimited power and resources. **A Random Order of Words** R. D. Tester, 2015-04-14 Within your hands is a collection of short pieces by up and coming writer R. D. Tester. From a battle in Japan to a bank raid gone wrong to the story of a single dollar, enjoy this collection of works from a man who attempted to put 26 letters into a desirable order as he presents the work of his first 15 years into writing. **Bloodwork** Nathan Redman, 2007-11 A Jesuit poet once wrote, "If my God is a God of Light, it is a Dark Light." **Blood Work** consists of unconventional and highly personal poems in the spirit of William Blake and Charles Williams. Their unitive theme is the Metaphysical Poets' unique conceptualization of the human soul as having blood. Subjects range from transcendent beauty and apotheosis to intense personal agony and frustrated creativity. Though varied, these heavily allusive and strangely imagist pieces attempt to convey as Donne did masterfully in his Holy Sonnet XIV that Love can suffer the worst violence and be itself the most violent force of transformation. **Blood Work** is the humble first offering of Nathan Redman, a young person whose primary pursuit in life is to be a man of Christian integrity. His secondary pursuit is to write poetry that might in some way open a door of speech to speak the Mystery of Christ. Col 4:3
