*Shattered* Patricia Huston-Holm, 2000-12-12 Seventeen year old Holly Slack had the brains the body and the personality that made her one of the most enviable girls in school Then there was a tragic car accident Holly s senior year in high school unfolds in quite a different way than she had planned      **Kid in the House** Patricia Huston-Holm, Derrick

Seaver, 2002-10-17 Kid in the House is an autobiographical account of how 17 year old Derrick Seaver ran for a seat in the Ohio General Assembly and won In his own words the young man from Minster Ohio describes his dream his sometimes rocky road to success and the roles played by the media legislative colleagues friends and family When he took office at age 18 he was the youngest ever member of any state legislative body in the United States So where are the skeletons in your closet Talk Show Host Jay Leno during an interview with Derrick Seaver in 2000 A future Ohio Governor Better than 50 percent chance Tom Kerrigan attorney Shelby Ohio He reminds me of a young Jack Kennedy Elderly woman listening to Derrick Seaver in January 2000      The Slave Across the Street Theresa L. Flores, Peggy Sue Wells, 2010 While more and

more people each day become aware of the dangerous world of human trafficking many people in the U S believe this is something that happens to foreign women men and children not something that happens to their own children and neighbors They couldn t be more wrong In this powerful true story Theresa Flores shares how her life as an All American 15 years old teenager was enslaved into the dangerous world of sex trafficking all while living at home with unsuspecting parents in an upper middle class suburb of Detroit Her story peels the cover off of this horrific criminal activity and gives dedicated activists as well as casual bystanders a glimpse into the underbelly of human trafficking Even more importantly Theres s story and expertise as a counselor and licensed social worker help identify red flags that could prevent her plight from becoming the fate of an unsuspecting teenager She discusses how she healed the wounds of sexual servitude and offers advice to parents and professionals through prevention tips education and significant information on human trafficking in modern day America With insights and perspectives from a doctor a friend and her own brother Theres s memoir provides a well rounded portrait of the dark world of human trafficking and serves as a reminder of the most important clement to overcoming slavery hope Book jacket      **Black Man** Greg L. Davis, 2025-06-19 The caught on camera death of George Floyd

on May 25 2020 shook the conscience of both the nation and the international community in a way that had not been seen since the death of Emmett Till 65 years earlier forcing a new generation of Americans to face the sobering reality that as a nation we have not fully turned the corner on the dark legacy of our country s race based history The tragic deaths of Ahmaud Arbery Breonna Taylor and George Floyd that year trumpeted a fact well understood by most African Americans there is still much work to do before America truly becomes the land of liberty and justice for all In Black Man A Prophecy of Hope for the Times Ahead Greg L Davis brings a fresh perspective to the systemic struggles African American and black people currently face While addressing the legacy of chattel slavery Jim Crow and institutional racial biases which have set

African Americans back several generations socially economically educationally and politically the author shifts the narrative by introducing a Biblically based prophetic assertion regarding divine reparations which he contends are immediately available to descendants of Transatlantic slavery victims worldwide in the form of life capital endowments by which African American and black persons can take possession of the unrealized inheritance of their ancestors The author boldly predicts that divine judgments upon the American system of racial hierarchy will occur within this decade while encouraging all black people to understand that the key to permanent change in the fight for equality and justice for all people is in their hands Please visit the author s website at [www.gregldavis.com](http://www.gregldavis.com)      **How Fantasy Becomes Reality** Karen Dill-Shackleford,2016
