Barry Roth, 1996 This Professor Roth's third annotated bibliography of studies on Jane Austen covers the years 1984-1994  
Like the critically acclaimed earlier volumes it charts the steady growth and enrichment of literary criticism of Austen in the  
second half of the twentieth century The first bibliography which covered the period 1952-1972 contained 794 items the  
second which treated 1973-1983 included over 1,060 pieces this third work has 1,327 entries Such concentrated attention  
paid to this major English novelist shows signs only of intensifying for fresh illuminating interpretations continue to appear at  
a rapid pace This bibliography serves as a scholarly tool locating and summarizing research so as to establish the present  
state of our knowledge of Austen studies and to assist others in proceeding as fully informed as possible of past efforts This  
third bibliography includes all Austen studies first published in the period 1984-1994 more particularly every book, essay,  
article and doctoral dissertation on her as well as the critical matter appended to every edition of her works in English and to  
translations and significant mentions For clarity and ease of reference the bibliography is divided into three main sections  
The first covers books, essays and articles devoted entirely or in good part to Austen including reviews of all the book-length  
studies The second section focuses on doctoral dissertations wholly or in part about her The third gathers together
