Langford,2016-05-04 When Harlee met Jake she knew life would be different She had someone who loved her even with the crazy schedule and the tour stops She'd been left with one of the biggest decisions she'd ever have to make When she finally made it it meant she might just lose him altogether Schedules were always going to conflict but she thought it would've been easier Jake knew being with someone who was constantly on the road meant a lot of time alone and he expected it What he never expected was missing her so much the minute she had left Would he be able to stand being alone for months while she toured the country He thought diving into a new job would help but he only missed her more Grace thought she had it all She married the perfect guy and ended up having to make the hardest decision she'd ever made Watching Jake and Harlee was enough to make her see what she wanted but would the choice she made ruin any chance at being happy Mistakes are made lessons learned and heartache suffered but would the choice they made get them through it all A story of love on the road to happiness **Contest for the Brave** Daphne Matthews,2024-11-12 A girl who has no knowledge of her origin and is

running from a bad relationship takes control of her destiny by entering a contest The contest is for a house but like all homes it comes with its own secrets Can she manage to stay Will it be worth it There is no doubt this contest will change her life and reveal to her more secrets and reveal to her more secrets Left Handed, Son of Old Man Hat Left

Handed,2018-08-01 With a simplicity as disarming as it is frank Left Handed tells of his birth in the spring of 1868 when the cottonwood leaves were about the size of his thumbnail of family chores such as guarding the sheep near the hogan and of his sexual awakening As he grows older his account turns to life in the open nomadic cattle raising farming trading communal enterprises tribal dances and ceremonies lovemaking and marriage As Left Handed grows in understanding and stature the accumulated wisdom of his people is revealed to him He learns the Navajo lifeway which is founded on the principles of honesty foresightedness and self discipline The style of the narrative is almost biblical in its rhythms but biblical too in many respects is the traditional way of life it recounts **Secrets of the Past Revealed** Susie Polzin,2024-08-16

When Amber and Maree Stokes inherit a house from an estranged aunt they uncover more than just dusty memories Lurking within its walls is the restless spirit of their cousin Alice As they delve into the mysteries of the past the sisters are drawn into a chilling quest to solve a murder and help Alice find peace But with danger at every corner will they live to claim their inheritance *Bronze Dinosaurs* Walter L.
