Bad Men Do What Good Men Dream Robert I. Simon,2009-02-20 Robert Simon's Bad Men Do What Good Men Dream A Forensic Psychiatrist Illuminates the Darker Side of Human Behavior is that rare title that is both essential reading for the mental health professional and accessible in style and content to the fascinated lay reader In twelve powerful and provocative chapters the author introduces readers to a psychological perspective on evil character and destiny as well as the making of good men and women Simon also illuminates the psychology of psychopaths serial killers rapists and all manner of evil characters who appall and challenge us by their very existence He rejects the common belief that his subjects are monsters with nothing in common with the more normal among us Simon posits that if we deny our dark side it can only obscure our understanding of violent offenders and impede our ability to both know ourselves and control our own at times unacceptable impulses The author is among the foremost experts in forensic psychiatry He is Director of the Program in Psychiatry and Law at Georgetown University School of Medicine Author or co author of more than two dozen books and editions including

the foundational Textbook of Forensic Psychiatry Simon has made important contributions to the field of forensic psychiatry for more than 30 years He is also an eloquent writer with a dramatic yet nuanced narrative style that takes the reader inside the mind of the evildoer The first edition of this groundbreaking work garnered uniformly superlative reviews and was translated into several languages This updated version retains Simon's engrossing portrayals and keen insight while offering a number of key enhancements The highlights include Explorations of the Internet and violence corporate psychopaths cyberstalkers perpetrators of school violence and a new cast of serial killers terrorists and other evildoers A psychological perspective on evil serial killers and us Updates on the neuroscience and genetics of deviant behaviors Reflections on empathy character and destiny the making of good men and women A new foreword by Thomas G Gutheil M D Professor of Psychiatry and Co Founder Program in Psychiatry and the Law at Harvard Medical School that illuminates Simon's thesis and grounds it in historical context Graphic but never sensational unsparing but never cold Simon's writing transcends the theoretical and achieves that most difficult of aims leading readers to discover contain and transform the darkness within us all to the betterment of our human condition

Overcoming the Dark Side of Leadership Gary L. McIntosh, Samuel D. Sr. Rima, 2007-11-01 The Christian world has been rocked by the number of prominent leaders in both church and parachurch organizations who have been compromised by moral ethical and theological failures This pace setting volume addresses this alarming problem and offers Christian leaders valuable guidance in dealing with the inherent risks of their work Using biblical and current examples the authors describe the characteristics of five types of leaders and the problems that are most likely to develop if their particular dysfunctions develop unrestrained McIntosh and Rima offer a series of steps for leaders to consider so they can take control of their dark side and learn to harness its creative powers This edition includes a new introduction updated information throughout a self assessment tool and other additional material Includes endorsements from John Maxwell Leighton Ford Leith Anderson and Rob Angel
