mercy of an anonymous guardian who plans to establish her as a servant in far off Scotland With two months to devise a better plan Julia s first choice to marry her childhood sweetheart is denied But when a titled dowager offers to introduce Julia into society a realm of possibilities opens However treachery and deception are as much a part of Victorian society as titles and decorum and Julia quickly discovers her present is deeply entangled with her mother s mysterious past Before she knows what s happening Julia finds herself a pawn in a deadly game between two of the country s most powerful men With no laws to protect her she must unravel the secrets on her own But sometimes truth is elusive and knowledge is deadly 2 Mark of Distinction London is said to be the glittering jewel of society a world unto itself but to Julia Elliston it is a city of shadows Her life is swiftly dissolving into scandal And in Victorian society even a whisper of scandal substantiated or not can be the death of a young woman s reputation Now under the watchful eye of Lord Roy Pierson one of most influential men in England Julia begrudgingly accepts his protection But Chance Macy s power is far reaching as well and he is eager to assert his claim over her Thrust into society as the Emerald Heiress Julia is the toast of London a celebrated curiosity But in reality she s trapped between the clutches of two powerful men Aided only by a gentleman whose intentions she prays she can trust Julia must finally take control of her own fate but outwitting one s foe rarely goes according to plan 3 Price of Privilege Having finally discovered the truth of her birthright Julia Elliston is determined to outwit Chance Macy at his own game Holding a secret he d kill to keep however is proving more difficult than she imagined Just when Julia thinks she s managed to untangle herself from Macy s clutches he changes tactics with a risky ploy As the scandal of the century breaks loose drawing rooms all over London whisper what so far newspapers have not dared to print Macy s lost bride is none other than Lord Pierson s daughter and one of the most controversial cases of marital law ever seen comes before Victorian courts Though Julia knows Macy s version of events is another masterful manipulation public opinion is swaying in his favor Caught in a web of deceit and lies armed only with a fledgling faith Julia must face her fiercest trial yet [The Scottish Law Reporter](#) ,1899 **Mote in Brussels' Eye** Ashley Mote,2013-01-21 A full frank and controversial account of five years fighting the EU from within the castle walls The first ever blow by blow memoirs of a British MEP Sensational new evidence wrung out of the EU reveals claims the author industrial scale institutionalised looting of British taxpayers money indisputable evidence of endemic EU corruption and fraud huge hidden cash piles as the EU demands more uncontrolled migration across EU s eastern borders totally ignored Illegal seizure of power and control from nation states dilution of national identities by mass migration and imported criminality secret committees endlessly planning new EU law refusals by the Serious Fraud Office and Scotland Yard to examine unequivocal evidence of illegal payments to Brussels EU officials deliberately misleading the House of Lords millions in soft loans to the BBC to buy editorial support and the European Central Bank authorising a flood of new 500 euro banknotes used mainly by drug barons for money laundering There is also author s full story of the UK EU s connivance to throw him out of the European Parliament It failed but cost the British taxpayer over million e Brussels was no gravy train
