God's Answer to 21st Century Terrorists K. McKelvey Harvey K. McKelvey, Harvey K. McKelvey, 2009-11 Do we have terrorists today Yes we do Can we identify them Yes we can Are there political and religious terrorists today Yes there are Where can we find them today Over the world and in every nation Do we have terrorists on the mission field Yes we do What are some of their actions so we may identify them They burn churches and homes of Christians they kill whole congregations and they behead children going to and from school They kill and imprison pastors and Christian leaders What recourse do the Christians have Until now they have been told to endure for God will avenge But I say no you have the power to stop this foolishness in its tracks They can receive and believe the word so that these terrorists become Christians just as Saul became Paul and the Syrian army became friendly with Israel This is a believing God thing Not a man thing In some nations of the world like in central Asia there are over 4 billion lost souls The percentage of evangelical Christians among all of them is less than 5% Jesus as we all know is coming soon how are we to reach these before he comes God s Answer to 21st Century Terrorists is a memorable account of a fresh historical perspective with unforgettable characters and with a touch of the

supernatural The apostle Paul was a First Century terrorist killing and imprisoning Christians The Lord Jesus Christ Head of the Church gave us an object lesson on how to win the terrorist We need to use His plan today Too many Christians are being slaughtered their churches burned and whole congregations are threatened with violence **Knowing God by Name** David Wilkerson,2003-10 A study of the twenty three compound names of God found in scriptures **Let God Arise** John Whitman,2019-11-06 The chapters of this book evolved over a period of time as I was listening to young Christians talking about different subjects and realizing the lack of understanding and Bible knowledge they were getting from different sources Seeing most young Christians don t have any real access to Bible school training and receive a lot of their information from friends family and various sources I became burdened to teach them in depth about the subjects they would talk about I began to write these things down that enabled me to give them something to read over and refer to when they needed to refresh their memory These different subjects are basic information that I believe all Christians should understand to help them stay on the path God intended and not be drawn into doctrine misunderstandings Having been to Kenya Africa on a mission trip where I had the ability to teach some of the things in this book I was asked if I could give them all of these teachings in a book as they are hungry for the teachings of the Word of God That prompted me to publish these sixteen Bible lessons for the benefit of those pastors in Africa and anywhere else that people are hungry for the understanding of the Word of God I hope the reader finds these chapters both inspiring and encouraging in their search for knowledge and understanding in their walk with the Lord **Uneasy Money** Pelham Grenville Wodehouse,1924
