Roussakis, 2019-06-10 Christians everywhere are uniquely linked together by a simple prayer which binds our hearts in Christian love the Lord's Prayer In the Lord's Prayer Jesus Christ provided His disciples with meaningful instructions about how to pray Praying this model prayer with one accord contributes to the binding together of our hearts in God's love The Lord's Prayer is sacred for Christians Through it in times of trial as well as ease we may turn to God for help and support This book provides a deeper study of this prayer of prayers with an overview of its scriptural context inclusions and order and an introduction to the Jewish Setting of the prayer The book concludes with the theme of Christians being united through learning and praying the Lord's prayer together **Systematic Theology, Volume 2, Second Edition** James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and

judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive

Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this

Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology

The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one

The prodigious research that must have gone into the preparation of this volume is truly mind boggling

Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint

The work is well documented in both biblical and historical scholarship and will prove to be a classic

Milton's Places of Hope Mary C. Fenton, 2017-03-02

In early modern culture and in Milton's poetry and prose this book argues the concept of hope is intrinsically connected with place and land

Mary Fenton analyzes how Milton sees hope as bound both to the spiritual and the material the internal self and the external world

Hope as Fenton demonstrates comes from commitment to literal places such as the land ideological places such as the nation and sacred interior places such as the human soul

Drawing on an array of materials from the seventeenth century including emblems legal treatises political pamphlets and prayer manuals Fenton sheds light on Milton's ideas about personal and national identity and where people should place their sense of power and responsibility

Milton's politics and where he thought the English nation was and where it should be heading and finally Milton's theology and how individuals relate to God
