Book Review Praise for The Trueheart What I loved most about this book was the all of the worldbuilding Every element was developed with a great attention to detail The history the way the magic works the reasons behind everything that happens past and present nothing was left out The writing truly puts you inside the story

so you are surrounded by it in the best way possible The characters were also deeply developed so I felt connected to all of them They all had a purpose in the story none of them felt like they were there just to take up space which I really liked Overall I really enjoyed this book and I don't have any complaints If you're looking for a fantasy book with lots of attention given to the world building this book might be for you YA Book Reviews <http://reviewsofyabooks.blogspot.com>
