Losing Hope Leslie J. Sherrod, 2012-09-01 From the acclaimed author of *Like Sheep Gone Astray* and *Secret Place* comes a riveting new series with twists and turns to the end Social worker Sienna St James is a woman with a complicated past and a confusing Tuesday morning In one single day every advance Sienna has made in getting over her long lost globe trotting husband unravels in unexplainable fashion From a mysterious package that hails from another continent to a new teen client who claims to have a missing sister Sienna finds herself in the middle of a city wide scandal all while sorting out the painful details of her personal life At the center are two suspicious foster parents a mega church ministry leader and Sienna's own fragile emotions over a man who changed the direction of her life It's a race against time as Sienna seeks closure from a love she never understood and answers about whether a little girl named Hope

ever existed And if she did where is she now In this first installment of the suspenseful Sienna St James Series finding hope in the midst of questions and chaos becomes essential when life takes an unexpected turn **Placing Order In A World That Is Losing Hope** Lisa Cannon,2019-01-17 This book was inspired by the inner man within He brought out the invisible parts and showed me his power that when hope is gone people become out of order He showed me that everyone has a treasure buried within but very few are looking for it He told me about success and the price we pay when we receive it how the inner man guides the fleshy body to fall in order It s the power of the Almighty God And your faith within I pray that all will line up to order that the God of this universe has placed Your very own life depends on it It s the missing parts that we all needlove It lines up to the very order that has been given in spiritman that is within which is the Savior of the world He alone connects you to the spirit that lies within talking about the unseen parts of the body Spirit man Losing Hope Signed Limited Edition Colleen Hoover,2013-10-08 In Hopeless Sky left no secret unearthed no feeling unshared and no memory forgotten but Holder s past remains a mystery He is haunted by the little girl he let walk away from him and he has spent his entire life searching for her He had hoped that he would finally gain closure and be able to rid himself of his guilt the moment they were reconnected But he could not have anticipated that the exact opposite would occur and even more guilt and regret would be thrust upon him Sometimes in life if we wish to move forward we must first dig deep into our past and make amends with it In Losing Hope readers will learn what was going on inside Holder s head during all those moments that left him feeling hopeless and see whether he can perhaps gain the peace he desperately needs *We Never Lost Hope* Naomi Litvin,2010-07-07 Author Naomi Litvin recreates her parents incredible love story in the powerful memoir We Never Lost Hope Litvin the daughter of a Holocaust survivor and an American Jewish GI who landed at Normandy lets her family members reveal the stories of their lives before during and after the Holocaust Told in five indelible voices the book gives a you are there punch and a moving immediacy Lovely and haunting We Never Lost Hope is a reminder that genocide can happen anywhere and that we all must be vigilant against the forces of hatred Five relatives narrate their harrowing World War II experiences in this family chronicle It could be said that rather than writing this affecting and effective book Litvin sculpted it Her breezy but vital narrative provides the shape and overall historical context for her family s story but her relatives are the ones doing the real work Using the first person accounts of her parents an aunt an uncle and a friend of the family the author offers a nuanced and multifaceted look at the plight of Jews in mid 20th century Eastern Europe From a small Angora farm in Satu Mare Romania to the horrifying grounds of Auschwitz and finally to a new life in America the five distinct voices of Edith Hilda and Mendi Festinger Nate Litvin and Kurt Meyers provide a powerful and intimate journey through one of mankind s darkest hours Litvin does well not to mute her sources with an authoritative filter The book s undeniable authenticity comes from the life events retold by each narrator while most historical texts offer one individual s take We Never Lost Hope presents five survivors working through their memories Litvin augmented the book with

photographs news articles and other ephemera telegrams maps etc that support the sense of intimacy and reality Since some accounts can occasionally run long it may have been helpful for Litvin to provide more editorial insight and direction Still the book is a soaring testament to the strength and adaptability of five remarkable people A wonderfully executed powerful family chronicle Kirkus Discoveries 2 13 09
