

LEGITIMACY AND LOSING

Losing Legitimacy

Sarah Birch

Losing Legitimacy:

Unintended Outcomes of Social Movements Fang Deng, 2014-03-18 Why did the 1989 Chinese student movement end in violent confrontation at Tiananmen Square despite the fact that both the Chinese government and the students very much wanted to avoid violence This puzzle which lies at the heart of the tragic events at Tiananmen is addressed here from a fresh perspective that sheds new insight into these dramatic events Throughout Unintended Outcomes in Social Movements Deng applies the formal methods of game theory to elucidate some of the contingent strategic decision making by both sides in a social movement state confrontation and how those decisions can and did lead to an unintended outcome In identifying the necessary cause of the Tiananmen tragedy namely a newly created social system with four highly specific properties this book provides the first adequate explanation of the Tiananmen events Because of this it stands to make a significant stride toward convincing students of political conflict of the explanatory power of formal game theoretic models This book is an excellent source of reference for both undergraduate and postgraduate students in areas including Chinese politics social movements game theory economics and social theory

Losing Legitimacy Gary Lafree, 2018-02-02 In the past fifty years street crime rates in America have increased eightfold These increases were historically patterned were often very rapid and had a disproportionate impact on African Americans Much of the crime explosion took place in a space of just ten years beginning in the early 1960s Common explanations based on biological impulses psychological drives or slow moving social indicators cannot explain the speed or timing of these changes or their disproportionate impact on racial minorities Using unique data that span half a century Gary LaFree argues that social institutions are the key to understanding the U S crime wave Crime increased along with growing political distrust economic stress and family disintegration These changes were especially pronounced for racial minorities American society responded by investing more in criminal justice education and welfare institutions Stabilization of traditional social institutions and the effects of new institutional spending account for the modest crime declines of the 1990s

The SAGE Handbook of Criminological Theory Eugene McLaughlin, Tim Newburn, 2010-07-21 An indispensable international resource The SAGE Handbook of Criminological Theory provides readers with a clear overview of criminological theory enabling them to reflect critically upon the traditional emergent and desirable theoretical positions of the discipline This handbook is essential for libraries and scholars of all levels studying the rapidly developing interdisciplinary field of criminology

Prosecuting War Crimes James Gow, Rachel Kerr, Zoran Pajic, 2013-09-23 This volume examines the legacy of the International Criminal Tribunal for the former Yugoslavia ICTY which was created under Chapter VII of the UN Charter as a mechanism explicitly aimed at the restoration and maintenance of international peace and security As the ICTY has now entered its twentieth year this volume reflects on the record and practices of the Tribunal Since it was established it has had enormous impact on the procedural jurisprudential and institutional development of international criminal law as well as the international criminal justice project This will be its

international legacy but its legacy in the region where the crimes under its jurisdiction took place is less clear research has shown that reactions to the ICTY have been mixed among the communities most affected by its work Bringing together a range of key thinkers in the field Prosecuting War Crimes explores these findings and discusses why many feel that the ICTY has failed to fully engage with people s experiences and meet their expectations This book will be of much interest to students of war crimes international criminal law Central and East European politics human rights and peace and conflict studies

The China Crisis James R. Gorrie,2013-05-08 A controversial look at the impending Chinese economic collapse the history behind it its contemporary causes and its dire implications for the global economy All the experts agree the 21st century belongs to China Given America s looming insolvency and the possibility of the collapse of the U S dollar who can doubt that China is poised to take over the role of economic superpower Written by political economist and leading financial journalist James Gorrie this book offers a highly controversial contrarian view of contemporary China Drawing upon a wealth of historical and up to the minute data Gorrie makes a strong case that China itself is on the verge of an economic crisis of epic proportions He explains how caught in a recurrent boom bust cycle that has played itself out several times over the past sixty years China is again approaching total economic and social collapse But with one important difference this time they may very well take the entire global economy down with them Explores the Chinese communist party s unfortunate history of making costly and very bloody mistakes on an enormous scale One by one Gorrie analyzes those critical mistakes and explains how they may lead to economic collapse in China and global depression Describes Chinese cannibal capitalism and where its massive abuse of the country s environment people and arable lands is leading that country and the world economy Chronicles China s history of recurring economic crisis and explains why all the evidence suggests that history is about to repeat itself

Stacie E. Goddard,2009-11-04 This book challenges the conventional wisdom that territorial conflicts in Jerusalem and Northern Ireland were inevitable Stacie Goddard s research shows that it was radical political rhetoric and not ancient hatreds that rendered these territories indivisible preventing negotiation and compromise and leading to violence and war

Electoral Violence, Corruption, and Political Order Sarah Birch,2020-07-21 A comprehensive look at how violence has been used to manipulate competitive electoral processes around the world since World War II Throughout their history political elections have been threatened by conflict and the use of force has in the past several decades been an integral part of electoral processes in a significant number of contemporary states However the study of elections has yet to produce a comprehensive account of electoral violence Drawing on cross national data sets together with fourteen detailed case studies from around the world Electoral Violence Corruption and Political Order offers a global comparative analysis of violent electoral practices since the Second World War Sarah Birch shows that the way power is structured in society largely explains why elections are at risk of violence in some contexts but not in others Countries with high levels of corruption and weak democratic institutions are especially vulnerable to disruptions of electoral peace She examines how corrupt actors use

violence to back up other forms of electoral manipulation including vote buying and ballot stuffing In addition to investigating why electoral violence takes place Birch considers what can be done to prevent it in the future arguing that electoral authority and the quality of electoral governance are more important than the formal design of electoral institutions Delving into a deeply influential aspect of political malpractice Electoral Violence Corruption and Political Order explores the circumstances in which individuals choose to employ violence as an electoral strategy Accounting for Carbon Neutrality Assunta Di Vaio,Tayyab Ali,2025-02-19 Despite the progress made so far the links between environmental social and governance ESG sustainability pillars remain underexplored particularly in the context of firms investing in hydrogen for decarbonization In essence hydrogen is a lynchpin connecting engineering ingenuity economic viability and strategic business decisions Its multifaceted role underscores its significance in addressing contemporary challenges driving innovation and shaping a sustainable future through the accounting system This book unravels the complexities of carbon control practices offering insights into financial operational and sustainable dimensions From the challenges of sustainability transitions and technology adoption to utilize renewable resources and disclosing decarbonization practices the book explores the critical role of accounting tools and international regulatory frameworks like the United Nations 2030 Agenda the European Union Green Deal and Paris Agreement as organizational collective responsibility in shaping a sustainable future By incorporating stakeholder stewardship legitimacy institutional resource dependency theories the book bridges gaps in academic research and offers a fresh perspective on decarbonization in the hydrogen sector The qualitative methodology provides a unified vision from strategies to implementation guiding companies toward the contribution of the carbon neutrality goal in the hydrogen economy while ensuring accountability for their actions conduct and sustainability reporting

Constitutional Courts, Media and Public Opinion Angioletta Sperti,2023-11-16 This book explores how constitutional courts have transformed communication and overcome their reluctance to engage in direct dialogue with citizens How has the information revolution affected the relationship of constitutional courts with the public and the media The book looks in detail at the communication strategies of the US Supreme Court the Supreme Court of Canada and in Europe the German Federal Constitutional Tribunal the French Conseil Constitutionnel and the Italian Constitutional Court arguing that when it comes to the relationship between courts and the media different jurisdictions share many similarities It focuses on the consequences of the communication revolution of courts both in terms of their relationship with public opinion and of the legitimacy of judicial review of legislation Some constitutional courts have attracted criticism by engaging in proactive communication and therefore arguably yielding to the temptation of public support The book argues that objections to the developing institutional communications employed by courts come from a preconceived notion of public opinion It considers the burden the communication revolution has placed on constitutional courts to achieve a balance between transparency and seclusion proximity and distance from public opinion It puts forward important arguments for how this balance can be

achieved The book will interest scholars in constitutional law and public comparative law sociologists historians political scientists and scholars of media law and communication studies Rev Iheanyi Hycenth Iruoma,2010-08 Church politics is a battle among Moses Aaron and Hur pastors in which they determine through un biblical and unhealthy means whose hands should be raised in the church It is a rivalry in which they determine whose rod blossoms It is a bone thrown out to the church leaders cum pastors and workers by the devil to keep them busy while the devil himself sneaks into the church to destroy it

Popular Governance of Post-Conflict Reconstruction Matthew Saul,2014-07-24 Under what conditions does a post conflict government have authority What challenges to its legitimacy does it face To what standards can it be held accountable Via case studies of Sierra Leone and Afghanistan and detailed accounts of extant international law Matthew Saul explores the international legal framework which regulates popular governance of post conflict reconstruction

Collective Resistance in China Yongshun Cai,2010-02-17 Although academics have paid much attention to contentious politics in China and elsewhere research on the outcomes of social protests both direct and indirect in non democracies is still limited In this new work Yongshun Cai combines original fieldwork with secondary sources to examine how social protest has become a viable method of resistance in China and more importantly why some collective actions succeed while others fail Cai looks at the collective resistance of a range of social groups peasants to workers to homeowners and explores the outcomes of social protests in China by adopting an analytical framework that operationalizes the forcefulness of protestor action and the cost benefit calculations of the government He shows that a protesting group s ability to create and exploit the divide within the state mobilize participants or gain extra support directly affects the outcome of its collective action Moreover by exploring the government s response to social protests the book addresses the resilience of the Chinese political system and its implications for social and political developments in China

The Life, Legacy and Theology of M. M. Thomas Jesudas M. Athyal,George Zachariah,Monica Melanchthon,2016-04-20 M M Thomas was one of the chief architects of the modern ecumenical movement An outstanding theologian his original and rather unconventional explorations into ecumenical social ethics remain highly relevant even today Long before liberation theology burst on the scene Thomas raised his prophetic voice for the liberation of humanity from the dehumanizing structures Focusing on the theological and social contributions of M M Thomas and his legacy for our times and published with the support of the Council for World Mission to coincide with the centenary of Thomas birth this collection brings together an international panel of distinguished scholars theologians and church leaders

Taxing for Development Matt Barlow,2025-09-12 The importance of tax collection for sustainable development cannot be overstated it forms a central pillar of the UN s Agenda 2030 and offers a concrete pathway to finance development in an increasingly politicised and diminishing foreign aid landscape However the strengthening of tax systems in the Global South has proved to be both complex and contentious Scholars that have approached this tax for development puzzle have tended to privilege interest and institutional based arguments to explain

low levels of tax collection and problems with implementing tax reforms This book takes a different approach and argues that ideas about tax matter as much as interests and institutions for understanding social attitudes and responses to attempts by the state to raise revenues for development Sometimes contested ideas about the boundaries of the state in relation to tax and development come to shape the fault lines of politics and determine the success and failure of programmes to raise revenue for development Using the case of Argentina the book examines empirically the attempts by progressive Peronist governments of Néstor and Cristina Kirchner to finance state expenditure and social welfare via taxes on commodity mainly soybean exports after 2001 It traces how an idea of these taxes generated widespread conflict outside of the sector where they were levied which entirely polarised Argentine society **Taxing for Development** shows that tax is a profoundly political problem associated with debates about the role of the state the market and business state relationships In doing so it shows how historically and socially constructed ideas of tax can become embedded in and influence debates which have normally been approached through perspectives of material interests This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations **World Out of Balance** Stephen G. Brooks, William C. Wohlforth, 2008-07-21

Introduction Realism balance of power theory and the counterbalancing constraint Realism balance of threat theory and the soft balancing constraint Liberalism globalization and constraints derived from economic interdependence Institutionalism and the constraint of reputation Constructivism and the constraint of legitimacy A new agenda **Elgar Encyclopedia of Public Management** Schedler, Kuno, 2022-08-16

This comprehensive Encyclopedia is an essential reference text for students scholars and practitioners in public management Offering a broad and inter cultural perspective on public management as a field of practice and science it covers all the most relevant and contemporary terms and concepts comprising 78 entries written by nearly 100 leading international scholars **The Theory of Multi-level Governance**

Simona Piattoni, 2010-02-25 This book explores the theoretical issues empirical evidence and normative debates elicited by the concept of multi level governance MLG The concept is a useful descriptor of decision making processes that involve the simultaneous mobilization of public authorities at different jurisdictional levels as well as that of non governmental organizations and social movements It has become increasingly relevant with the weakening of territorial state power and effectiveness and the increase in international interdependencies which serve to undermine conventional governmental processes This book moves towards the construction of a theory of multi level governance by defining the analytical contours of this concept identifying the processes that can uniquely be denoted by it and discussing the normative issues that are raised by its diffusion particularly in the European Union It is divided into three parts each meeting a specific challenge theoretical empirical normative It focuses on three analytical dimensions multi level governance as political mobilization politics as authoritative decision making policy and as state restructuring polity Three policy areas are investigated in

vindicating the usefulness of MLG as a theoretical and empirical concept cohesion environment higher education with particular reference to two member states the UK and Germany Finally both the input and output legitimacy of multi level governance decisions and arrangements and its contribution to EU democracy are discussed As a loosely coupled policy making arrangement MLG is sufficiently structured to secure coordination among public and private actors at different jurisdictional levels yet sufficiently flexible to avoid joint decision traps This balance is obtained at the cost of increasingly blurred boundaries between public and private actors and a change in the established hierarchies between territorial jurisdictions

A Comparative Introduction to Political Science Alan G. Smith, 2016-04-08 When are legislators inclined to cast votes in cooperation with their parties and when do they go their own way When and why do nations contend with each other and when are they more likely to cooperate Thematically arranged around the interplay of contention and cooperation A Comparative Introduction to Political Science encourages students to explore causal factors and consequences related to political phenomena to become knowledgeable and resourceful citizens of their nations and the world Alan Smith covers how patterns of contention and cooperation and the resulting government policies may be affected by such factors as the surrounding political framework the distribution of influence and political motivation including values as well as material interests To expose students to the politics of specific nations each chapter concludes with two country case studies that illuminate the theme of the chapter Students emerge with a sense of what is going on in the world today Pedagogically the book employs careful sequencing of topics and concepts for clarity and to introduce politics in a natural logical synchronized way At times Smith goes beyond sharp night and day terminological distinctions to add accessible ordinary language based terminology that better captures the real world spectrum between the extremes A Comparative Introduction to Political Science Contention and Cooperation provides a comprehensive teaching and learning package including these ancillaries Test Bank Available for adopters to download the Test Bank provides multiple choice true false and essay questions for each chapter Testing Software This customizable test bank is available as a Word file or in Respondus 4.0 a powerful tool for creating and managing exams that can be printed out or published directly to the most popular learning management systems Exams can be created offline or moved from one LMS to another Respondus LE is available for free and can be used to automate the process of creating printed tests Respondus 3.5 available for purchase or via a school site license prepares tests to be uploaded to an LMS Click here <http://www.respondus.com/products/testbank/search.php> to submit your request Companion Website The open access Companion Website is designed to engage students with the material and reinforce what they've learned in the classroom For each chapter flash cards and self quizzes help students master the content and apply that knowledge to real life situations Students can access the Companion Website from their computers tablets or mobile devices eBook The full color eBook allows students to access this textbook anytime anywhere The eBook includes the entire print edition rendered in vibrant color and features direct links to the Companion Website PowerPoint Slides For every

Losing Legitimacy Introduction

In today's digital age, the availability of Losing Legitimacy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Losing Legitimacy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Losing Legitimacy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Losing Legitimacy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Losing Legitimacy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Losing Legitimacy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Losing Legitimacy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Losing Legitimacy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Losing Legitimacy books and manuals for download and embark on your journey of knowledge?

FAQs About Losing Legitimacy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Losing Legitimacy is one of the best book in our library for free trial. We provide copy of Losing Legitimacy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Losing Legitimacy. Where to download Losing Legitimacy online for free? Are you looking for Losing Legitimacy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Losing Legitimacy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then

you really should consider finding to assist you try this. Several of Losing Legitimacy are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Losing Legitimacy. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Losing Legitimacy To get started finding Losing Legitimacy, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Losing Legitimacy So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Losing Legitimacy. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Losing Legitimacy, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Losing Legitimacy is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Losing Legitimacy is universally compatible with any devices to read.
