Loss Prevention Controls Concepts:

Loss Prevention Saul D. Astor, 1978-01-01 *Handbook of Loss Prevention and Crime Prevention* Lawrence J. Fennelly, 2019-12-05

Handbook of Loss Prevention and Crime Prevention Sixth Edition continues to serve as the preeminent comprehensive resource for devising practical modern solutions for securing people and property. The book presents the latest key applications for securing structures with Crime Prevention Through Environmental Design (CPTED) including plan review, report writing, presentation skills, lighting, zoning, and behavioral management. Other sections address the latest issues related to active shooter situations, information technology, and international terrorism. Practical examples are provided exploring applications for limiting retail crime and employing disaster readiness strategies. Edited by seasoned, trusted security practitioner Lawrence Fennelly, the book features contributions by some of the most well-known experts in the field. Readers will find this book to be a trusted resource for physical security professionals, students, and certification candidates who must navigate and make sense of today's most pressing domestic and international security issues. Covers every important topic in the field, including new coverage of active shooters, terroristic threats, and the latest on wireless security applications, data analysis, and visualization, situational crime prevention, and global security standards and compliance issues. Provides a comprehensive examination on the content and skills necessary for passing the ASIS Certified Protection Professional (CPP) exam. Features contributions from the leading, most trusted subject matter experts in the field.

The Retailer's Guide to Loss Prevention and Security Donald J. Horan, 2024-11-01

The Retailer's Guide to Loss Prevention and Security is an introduction to retail security. It covers the basic principles, the various techniques and technologies available, and the retailer's interaction with the police, courts, and the law. Donald J. Horan, President of Loss Control Concepts Ltd, lends to this book his vast experience in the retail business and as a loss control consultant. Designated a Certified Protection Professional by the American Society for Industrial Security, he is also a member of the International Association of Professional Security Consultants (IAPSC). He has directed and managed retail loss prevention programs all over the U.S. for major department stores and specialty chains and has provided his expertise to a host of client companies during his tenure with the National Loss Prevention Bureau. Donald Horan's practical experience fills this book with all the tips, strategies, and procedures you need to create an effective loss prevention program. Owners, managers, and security managers of small and medium-sized retail operations, security agencies, individuals, institutions, and companies that give seminars on the topic, and personnel in law enforcement and forensics will find this an essential text. It will be extremely helpful to senior corporate executives to whom the loss prevention security function reports, because it is their responsibility to determine whether loss prevention practices conform to the long-term goals of the company. Growing retail businesses and those contemplating future acquisitions for expansion will find the work invaluable. The same can be said for turn-around ventures or downsized businesses emerging from reorganization. The book would also be easily adaptable for use in undergraduate courses in an
