Lost In The Funhouse:

Lost in the Funhouse John Barth, 2014-06-25 NATIONAL BOOK AWARD FINALIST John Barth's lively highly original collection of short pieces is a major landmark of experimental fiction exploring themes of purpose and the meaning of existence Barth ran riot over literary rules and conventions even as he displayed with meticulous discipline mastery of and respect for them The New York Times From its opening story Frame Tale printed sideways and designed to be cut out by the reader and twisted into a never ending Mobius strip to the much anthologized Life Story whose details are left to the reader to fill in the blank Barth's acclaimed collection challenges our ideas of what fiction can do Highlights include the Homeric story within a story within a story times seven of Menalaia and Night Sea Journey a first person account of a confused human sperm on its way to fertilize an egg All of the characters in Lost in the Funhouse are searching in one way or another for their purpose and the meaning of their existence Together their stories form a kaleidoscope of exuberant metafictional inventiveness
