Blackwell, 2018-06-08 The Anunnaki Bible By Donald M Blackwell Donald M Blackwell's revealing work is devoted to word for word textual evidence juxtaposing the ancient texts with the Judeo Christian Bibles to reveal what to date has been surreptitiously ignored pushed aside and avoided His decades long careful research and scholarly approach will provide the reader with the knowledge and ability to make a syllogistic decision or not **Destroyer from the Lost Planet** Neal Roberts, 2023-03-20 Destroyer from the Lost Planet is the enthralling third book in the science fiction series From Heaven To Earth They Came If you like ancient battles of the gods dashing and romantic heroes and heroines action packed plots and thrilling suspense then you'll love Neal Roberts historically inspired tale of ancient lore woven into our modern day struggle for survival The power hungry and much despised Anz frustrated by the failure of his attack on a summit meeting attended by his Anunnaki foes begins a campaign to drive a wedge between the Anunnaki and humankind

His devious plan is to persuade Ambassador David Schubert that Enki half brother to the Anunnaki king has always been humanity's enemy and that David will need the immortality that Anz can bestow in order to save the beloved Queen Inanna from an approaching celestial collision. In the event of hostilities between the Anunnaki and Anz where Earth will be their battleground, it is clear to everyone that either side would be capable of destroying its enemy's command and control by means of an electromagnetic pulse (EMP) that can be created by detonating a high capacity nuclear bomb at high altitude. As an EMP would confer a marked advantage upon the first side to use it, it is a highly destabilizing weapon. Anz, having long seethed over ancient slights, is desperate to gain this advantage to wreak vengeance on those who he believes betrayed him. As David struggles to avert a cataclysmic war, he learns of the Anunnaki lore of a Destroyer who, having defeated Anz in ancient times, is destined to return and defeat him once again. With tensions rising on Earth, David and U.S. Navy Commander Catharine Weldon are dispatched on a diplomatic journey to the pyramidion of Enlil, King of Nibiru, where the Destroyer is believed to reside. The Destroyer, long in love with the beautiful Queen Inanna, enters the fray at last. But even he cannot save the Anunnaki and humankind without David's help, for no one but David can approach Anz closely enough to defeat his destructive plans. With the Destroyer's help and with Earth in the balance, can David thwart Anz's plans for world domination? Will David himself prove to be the new Destroyer? *Eden in Sumer on the Niger* Catherine Obianuju Acholonu, 2014-01-06 *EDEN IN SUMER ON THE NIGER* provides archeological, linguistic, genetic, and inscribed evidence of the West African origin of mankind, language, religion, and civilization. It provides multidisciplinary evidence of the actual geographical location in West Africa of the Garden of Eden, Atlantis, and the original homeland of the Sumerian people before their migration to the Middle East. By translating hitherto unknown pre-cuneiform inscriptions of the Sumerians, Catherine Acholonu and Sidney Davis have uncovered thousands of years of Africa's lost pre-history and evidences of the West African origins of the earliest Pharaohs and Kings of Egypt and Sumer, such as Menes and Sargon the Great. This book provides answers to all lingering questions about the African Cavemen, Igbo, Esh, Adamas, Adites, original guardians of the human races, who gave their genes for the creation of Homo Sapiens, Adam, and were the teachers in the First Age of the world. **Goddess from the Lost Planet** Neal Roberts, 2023-01-16 When the ancient gods threaten to return to Earth, can a brilliant academician, opposing their return, keep a step ahead of their wrath? New York 2034 Professor David Schubert remains a man adrift two years after the death of his beloved wife until one day his interest is piqued by the sudden disappearance of a mosque from the Temple Mount in Jerusalem, an event that threatens to bring the world to the brink of destruction. But David, based upon special knowledge provided by a friend who is now dead, recognizes the mosque's disappearance as portending the return to Earth of the ancient gods of Sumeria. When the Pentagon enlists David in opposing the gods' invasion plans, he finds himself drawn into a global crisis where his own special knowledge and skills might prove to be the key to halting the coming alien invasion. David is sent to track down his dead

friend s missing translations of obscure Sumerian texts as they may reveal important secrets about the impending return of a lost planet and a war between powerful gods that began thousands of years ago As David is increasingly drawn to the beautiful intelligence officer assigned to guard and protect him his fear grows that their breakneck search from country to country may fail to keep them a step ahead of the otherworldly forces determined to stop him Can he puzzle out the truth of these long departed gods before their return destroys the entire planet Goddess from the Lost Planet is the enthralling first book in the science fiction series From Heaven To Earth They Came If you like dashing and romantic heroes and heroines action packed plots and thrilling suspense then you ll love Neal Roberts historically inspired tale of ancient lore woven into our modern day Buy Goddess from the Lost Planet for a timeless tapestry of peril today

**GodBorn: The Lost Tablets of Lfe I** GlowWise,2025-06-29 Before history was written the gods left behind tablets of life and a forgotten truth buried beneath myth GodBorn The Lost Tablets of Life explores ancient civilizations forbidden knowledge and the divine origins of humanity From Mesopotamia to Mesoamerica this book uncovers sacred records hidden in clay stone and myth revealing that our past may be far older and far stranger

than we were taught If you believe history has been edited this book is your call to remember      **The Lost Realms (Book IV)** Zecharia Sitchin,1990-09-01 The Earth Chronicles series is based on the premise that mythology is not fanciful but the repository of ancient memories that the Bible ought to be read literally as a historic scientific document and that ancient civilizations older and greater than assumed were the product of knowledge brought to Earth by the Anunnaki Those Who from Heaven to Earth Came The 12th Planet the first book of the series presents ancient evidence for the existence of an additional planet in the Solar System the home planet of the Anunnaki In confirmation of this evidence recent data from unmanned spacecraft has led astronomers to actively search for what is being called Planet X The subsequent volume The Stairway to Heaven traces man s unending search for immortality to a spaceport in the Sinai Peninsula and to the Giza pyramids which had served as landing beacons for it refuting the notion that these pyramids were built by human pharaohs Recently records by an eye witness to a forgery of an inscription by the pharaoh Khufu inside the Great Pyramid corroborated the book s conclusions The Wars of Gods and Men recounting events closer to our times concludes that the Sinai spaceport was destroyed 4 000 years ago with nuclear weapons Photographs of Earth from space clearly show evidence of such an explosion Such gratifying corroboration of audacious conclusions has been even swifter for The Lost Realms In the relatively short interval between the completion of the manuscript and its publication archaeologists linguists and other scientists have offered a coastal theory in lieu of the frozen trekking one to account for man s arrival in the Americas in ships as this volume has concluded These experts have suddenly discovered 2 000 years of missing civilization in the words of a Yale University scholar confirming this book s conclusion and are now linking the beginnings of such civilizations to those of the Old World as Sumerian texts and biblical verses For the first time the entire Earth Chronicles series is now available in a hardcover collector s edition      **Maker from the Lost Planet** Neal Roberts,2023-02-13 Maker from the Lost Planet is the enthralling second book in the science fiction series From Heaven To Earth They Came If you like ancient battles of the gods dashing and romantic heroes and heroines action packed plots and thrilling suspense then you ll love Neal Roberts historically inspired tale of ancient lore woven into our modern day struggle for survival David Schubert now America s first ambassador to the ancient Anunnaki gods is tasked with building a lasting peace between the two sides Although the path toward such a peace is complicated by the vast superiority of Anunnaki weapons and spacecraft David soon learns that an even greater threat to humanity is rapidly approaching At the landing platform in Baalbek David is brought aboard the goddess s pyramid shaped spacecraft known as a pyramidion where he is immediately informed that a thermonuclear missile of unknown origin has just been fired at the pyramidion from a point in Northern Canada which David would have thought impossible as for several weeks an impenetrable Anunnaki ray has been neutralizing all thermonuclear triggers on Earth Someone however has evidently developed technology that can overcome the Anunnakis defensive ray David needs to identify the source of such mighty technology as it could be used to wipe humankind off the face of the Earth despite any

peace forged between Earth and the Anunnaki David himself is unable to investigate as he is aboard an Anunnaki craft and working in a diplomatic capacity so his bodyguard U S Navy Lieutenant Commander Catharine Weldon is dispatched by the President to Northern Canada to pinpoint the missile's launch point and if possible recover a small scientific submarine that recently went missing while investigating suspicious activity on one of the largest lakes on the North American continent That night the icy lake erupts into a violent confrontation between Catharine with her hastily assembled contingent and an unidentified saucer shaped spacecraft under the command of the Anunnakis deadliest ancient enemy who'd long been thought dead Time is running out for David Catharine and humankind Can all out war between the gods be averted and humanity saved from destruction Buy Maker from the Lost Planet for a timeless tapestry of peril today
