Rosenbaum,2007 Sincerity the claim that the voice figure and experience of a first person speaker is that of the author has dominated both the reading and the writing of Anglo American poetry since the romantic era Most critical studies have upheld an opposition between sincerity and the literary marketplace contributing to the widespread understanding of the lyric poem as a moral refuge from the taint of commercial culture Guided by the question of why we expect poetry to be sincere Susan Rosenbaum reveals in *Professing Sincerity Modern Lyric Poetry Commercial Culture and the Crisis in Reading* that in fact sincerity in the modern lyric was in many ways a product of commercial culture As she demonstrates poets who made a living from their writing both sold the moral promise that their lyrics were sincere and commented on this conflict in their work Juxtaposing the poetry of Wordsworth and Frank O'Hara Charlotte Smith and Sylvia Plath and Anna Laetitia Barbauld and Elizabeth Bishop Rosenbaum shows how on the one hand through textual claims to sincerity poets addressed moral anxieties about the authenticity autonomy and transparency of literature written in and for a market On the other hand by performing their private lives and feelings in public she argues poets marketed the self cultivated celebrity and advanced professional careers Not only a moral practice professing sincerity was also good business The author focuses on the history of this conflict in both British romantic and American post 1945 poetry *Professing Sincerity* will appeal to students and scholars of Anglo American lyric poetry of the history of authorship and of gender studies and commercial culture

Confessional Poetry in the Cold War Adam Beardsworth,2022-02-02 This book explores how confessional poets in the 1950s and 1960s US responded to a Cold War political climate that used the threat of nuclear disaster and communist infiltration as affective tools for the management of public life In an era that witnessed the state sanctioned repression of civil liberties poets such as Robert Lowell John Berryman Sylvia Plath Anne Sexton and Randall Jarrell adopted what has often been considered a politically benign confessional style Although confessional writers have been criticized for emphasizing private turmoil in an era of public crisis examining their work in relation to the political and affective environment of the Cold War US demonstrates their unique ability to express dissent while averting surveillance For these poets writing the fear and anxiety of life in the bomb's shadow was a form of poetic doublespeak that critiqued the impact of an affective Cold War politics without naming names Book Self C. K. Stead,2013-10-01 A sequel to the successful books *Kin of Place* and *The Writer at Work* this collection of critical writing takes the reader on a personal journey from the author's earliest discovery of poetry as a young man to his latest experiences on the literary trail This trip through literary history involves many writers including Katherine Mansfield T S Eliot Michael King and Elizabeth Knox The book also includes a series of journal extracts that allow readers to get closer to the mind of the writer his strong personal views about other writers and his deep commitment to the role of criticism in literary life *Seamus Heaney's Gifts* Henry Hart,2024-12-13 The fact of the matter Seamus Heaney said in a 1997 interview with the *Paris Review* is that the most unexpected and miraculous thing in my life was the arrival in it of poetry Throughout his career Heaney who received the 1995 Nobel Prize in

Literature maintained that poetry came to him from a mysterious source like a gift of grace He also believed that the recipient of this sort of boon had an ethical obligation to share it with others Seamus Heaney's *Gifts* by the noted scholar and poet Henry Hart offers the first comprehensive examination of Heaney's preoccupation with gifts and gift exchange Drawing on extensive research in Heaney's papers as well as three decades of correspondence with the poet Hart presents a richly detailed study of Heaney's life and work that foregrounds the Irishman's commitment to the vocation of poetry as a public art to be shared with audiences and readers around the world Heaney traced his devotion to gifts back to the actual present of a Conway Stewart fountain pen that his parents gave him at the age of twelve when he left his family farm in Northern Ireland to attend a private Catholic secondary school in Londonderry He commemorated this gift in *Digging* the first poem in his first book and in two poems he wrote near the end of his life *The Conway Stewart* and *On the Gift of a Fountain Pen* Friends and doctors had warned him that his endless globetrotting to give lectures and poetry readings had damaged his health Yet he felt obligated to share his talent with audiences around the world until his death in 2013 As Hart shows Heaney found his first models for gift giving in his rural community in Northern Ireland the Bible the rituals of the Catholic Church and the literature of mystical and mythical quests Blending careful research with evocative commentaries on the poet's work Seamus Heaney's *Gifts* explains his ideas about the artist's gift the necessity of gift exchange acts and the moral responsibility to share one's talents for the benefit of others
