What the Presidents Read Elizabeth Goodenough,Marilynn Olson,2024-12-19 A childhood book is much more than just a story for the presidents it may represent a turn in the course of history What the Presidents Read catalogs presidents early reading accompanied by commentary from eye witness reporters historians journalists curators biographers literary scholars U S presidents and White House families Together they offer non specialists brief surprising insights Readers will jump at the chance to compare their own favorite books as they learn how these publications resonated with national myths and leaders in the making **The 20th Century's Greatest Hits** Paul Williams,2000-10-06 The book that will make you think about the 20th Century This book lists and discusses the top 40 artistic events of the 20th century using a quirky and personal list created by Paul Williams which is illuminated by forty short essays discussing his choices That alone would suffice But in addition Williams has created an entertaining readable book length work on personal and subjective responses to art Everybody loves top 40 lists Will it have your own secret favorites on it Or will there be some stuff you never heard of Or hate Bob Dylan Sure but what by Dylan Every list provokes delight an danger and if it is a good one illumination and surprise Paul Williams s lists mixes high art and popular culture and is sure to leave no one who reads it unmoved But a list only takes one page and the rest of this book is Williams s thoughts on how everyday people connect with art and performance subjects on which Williams is brilliant insightful and entertaining This is a good and serious book that is fun to read At the publisher s request this title is being sold without Digital Rights Management software DRM applied *Literary World; Choice Readings from the Best New Books, with Critical Reviews* ,1888 **Adventuring in the Englishes** Ikram Ahmed Ibrahim Elsherif,Piers Michael Smith,2014-10-16 This book is a compilation of articles dealing with linguistic and literary concerns relating to the global production and consumption of literature in English and global instruction and education in the English language The umbrella theme of the book is English Language and Literature in a Globalized World or The Global

Appropriation and hybridization of English The contributing authors are international scholars and creative writers from different parts of the world who offer unique perspectives on the ways in which the English language and English literature are constantly developing and changing in a postcolonial global world They are mostly professors of English who have cross cultural teaching experiences and who live or have lived and worked in both Anglophone and non Anglophone countries To many of them English is their dominant language but not the mother tongue All of them are bilingual or even trilingual Thus their scholarly investigations are flavoured with their personal experiences or adventures with the language and its users Their unique visions reveal a process of adoption adaptation reinvention and appropriation of both the language and its literature in a multi national multi cultural and multi lingual community of a world where English has become the most recognizable sign of globalization This book will appeal to all scholars and practitioners of English language and literature particularly those interested in colonial and postcolonial studies modern and post modern studies ethnic and minority studies feminist studies cross cultural studies linguistics semantics ESP and curriculum development

Citizen of the World John English, 2009-10-15 One of the most important exciting biographies of our time the definitive major two volume biography of Pierre Elliott Trudeau written with unprecedented complete access to Trudeau s enormous cache of private letters and papers Bestselling biographer John English gets behind the public record and existing glancing portraits of Trudeau to reveal the real man and the multiple influences that shaped his life providing the full context lacking in all previous biographies to date As prime minister between 1968 and 1984 Trudeau the brilliant controversial figure intrigued Canadians and attracted international attention as no other Canadian leader has ever done Volume One takes us from his birth in 1919 to his election as leader in 1968 Born into a wealthy family in Montreal Trudeau excelled at the best schools graduating as a lawyer with conservative nationalist and traditional Catholic views But always conscious of his French English heritage desperate to know the outside world and an adventurer to boot he embarked on a pilgrimage of discovery first to Harvard and the Sorbonne then to the London School of Economics and finally on a trip through Europe the Middle East India and China He was a changed man when he returned socialist in his politics sympathetic to labour a friend to activists and writers in radical causes Suddenly and surprisingly he went to Ottawa for two mostly unhappy years as a public servant in the Privy Council Office He frequently shocked his colleagues when on the brink of a Quebec election for example he departed for New York or Europe on an extended tour Yet in the 1950s and 60s he wrote the most important articles outlining his political philosophy And there were the remarkable relationships with friends women and especially his mother whom he lived with until he was middle aged He wrote to them always exchanging ideas with the men intimacies with the women especially in these early years and lively descriptions of his life He even recorded his in depth psychoanalysis in Paris This personal side of Trudeau has never been revealed before and it sheds light on the politician and statesman he became Volume One ends with his entry into politics his appointment as Minister of Justice his meeting Margaret and his election as leader of the Liberal Party and

Prime Minister of Canada There his genius and charisma his ambition and intellectual prowess his ruthlessness and emotional character and his deliberate shaping of himself for leadership played out on the national stage and when Lester B Pearson announced his retirement as prime minister in 1968 there was but one obvious man for the job Pierre Trudeau In 1938 Trudeau began a diary which he continued for over two years It is detailed frank and extraordinarily revealing It is the only diary in Trudeau s papers apart from less personal travel diaries and an agenda for 1937 that contains some commentary His diary expresses Trudeau s own need to chronicle the moments of late adolescence as he tried to find his identity It begins on New Year s Day 1938 with the intriguing advice If you want to know my thoughts read between the lines from Citizen of the World
