understandable Other man eaters were said to be shapeshifting black magicians The result is a rich fund of tales from India and the Malay world in particular and while some people undoubtedly believed them others took advantage of man eaters to persecute minorities as the supposed true culprits The book explores the prejudices behind these witch hunts and also considers Asian weretiger and wereleopard lore in a wider context finding common features with the more familiar werewolves of medieval Europe in particular Railway Reading for all Travellers ,1860 **A Natural History of British and Foreign Quadrupeds** James Hamilton Fennell,1841 **The Comet Caper** Simon Haynes, Space Station Oberon is on high alert because a comet is about to whizz past All the scientists are preparing for the exciting event and all the kids are planning on watching All the kids except Hal Junior who s been given detention Unfortunately the comet passes a whole lot closer than expected Fortunately nobody is hurt but the kids are trapped in one half the adults in the other Never mind They have air and supplies and they can all sit tight and wait for rescue Or can they The scientists discover Space Station Oberon is now falling towards Gyrus faster and faster and it s going to crash into the planet long before anyone can be rescued Now it s up to Hal Junior and his friends Not only do they have to save themselves they ve also got to save all the scientists and the space station But how Keywords funny books for boys 9 12 kids books for age 9 and up scifi for kids children s sci fi The Game Animals of India, Burma, Malaya, and Tibet Richard Lydekker,1907
