Love And Human Remains The Screenplay:

Love and Human Remains Brad Fraser,1991 *Love and Human Remains* Brad Fraser,2006 Stunningly blends punk popular appeal and poetic power Time **Romance of Transgression in Canada** Thomas Waugh,2006-07-18 From pornography to autobiography from the Cold War to the sexual revolution from rural roots and mythologies to the queer meccas of Vancouver Toronto and Montreal The Romance of Transgression in Canada is a history of sexual representation on the large and small screen in English Canada and Quebec Thomas Waugh identifies the queerness that has emerged at the centre of our national sex obsessed cinema filling a gap in the scholarly literature In Part One he explores the explosive canon of artists such as Norman McLaren Claude Jutra Colin Campbell Paul Wong John Greyson Patricia Rozema Lea Pool Bruce Labruce Esther Valiquette Marc Paradis and Mirha Soleil Ross Part Two is an encyclopaedia of short essays covering 340 filmmakers video artists and institutions The Romance of Transgression in Canada is both a scholarly account and a celebration of Canadian LGBTQ films moving images that have scandalized conservative politicians but are the envy of queer cultural festivals around the world *The Films of Denys Arcand* Jim Leach,2020-07-17 Denys Arcand has been making films in Quebec for nearly sixty years The Films of Denys Arcand illuminates his films in the context of the massive changes in Quebec society during that period It explores the work of a major director who has achieved international success and some key issues in film studies and Canadian studies Take One's Essential Guide to Canadian Film Wyndham Wise,2001-12-15 Take One s Essential Guide to Canadian Film is the most exhaustive and up to date reference book on Canadian film and filmmakers combining 700 reviews and biographical listings with a detailed chronology of major events in Canadian film and television history Compiled by Wyndham Wise the editor and publisher of Take One Canada s most respected film magazine with a foreword by Canadian director Patricia Rozema this is the only reference book of its kind published in English Each film title is listed with credits a mini review and significant awards Biographical listings of directors producers actors writers animators cinematographers distributors exhibitors and independent filmmakers are accompanied by date and place of birth date of death if applicable a brief career overview and a filmography Wise celebrates Canadian achievement on both a national and an international scale and juxtaposes the distinctly Canadian with Canada s exports to Hollywood Maury Chaykin and Jim Carrey John Candy and William Shatner Mon Oncle Antoine and Porky s Highway 61 and Meatballs The Red Violin and The Art of War From great early Hollywood stars like Walter Huston Fay Wray Mary Pickford Norma Shearer and Marie Dressler to our current crop of star directors including Patricia Rozema Atom Egoyan David Cronenberg Denys Arcand Peter Mettler Guy Maddin and Robert Lepage Canadians have made an important but largely unrecorded contribution to the history of world cinema Impressive for its breadth of coverage refreshing in its opinionated informality this comprehensive and lively look at Canadian film culture at the start of the twenty first century admirably fills the gap Lesbian Film Guide Alison Darren,2000-02-17 This A Z guide to lesbians and lesbianism in the movies contains reviews gossip facts and

commentary on over 200 films including specifically lesbian films such as *Go Fish* and *Desert Hearts* as well as films with a lesbian character or theme like *The Children's Hour* and *The Hunger*

Denys Arcand's *Le Declin de l'empire américain* and *Les Invasions barbares* André Loiselle, 2008-11-01 The release of Denys Arcand's *Le Declin de l'empire américain* The Decline of the American Empire in 1986 marked a major turning point in Quebec cinema It was the first Québécois film that enjoyed huge critical and commercial success at home and abroad Arcand's tragicomedy about eight intellectuals gathered around a dinner table relating sexy anecdotes became the top grossing film of all time in Quebec and was the first Canadian feature to be nominated for an Oscar in the foreign language category Seventeen years later Arcand won an Academy Award for the sequel *Les Invasions barbares* The Barbarian Invasions where the amusing insouciance of the thirty somethings talking dirty in *Le Declin* is replaced by a sense of moral responsibility and serene resignation In this engrossing study André Loiselle presents the first in depth analysis of both films within the context of Quebec culture Through close readings and concise cultural analysis of two of the most important films in the history of Quebec cinema Loiselle demonstrates the ways in which Arcand's work represents a snapshot of the evolution of the French Canadian film industry since 1980 The companion films trace the decline of Quebec's national dream and the Québécois attempts to cling to their identity against the forces of barbaric globalization The second title in the new Canadian Cinema series Denys Arcand's *Le Declin de l'empire américain* and *Les Invasions barbares* is essential reading for cinephiles film critics and anyone with an interest in cultural studies and Canadian and Quebec history

Canada's Best Features Eugene P. Walz, 2002 Long recognized for outstanding National Film Board documentaries and innovative animated movies Canada has recently emerged from the considerable shadow of the Hollywood elephant with a series of feature films that have captured the attention of audiences around the world This is the first anthology to focus on Canada's feature films those acknowledged as its very best With essays by senior academics and leading scholars from across the country as well as some fresh new voices Canada's Best Features offers penetrating analyses of fifteen award winning films Internationally acclaimed directors David Cronenberg Atom Egoyan Denys Arcand and Claude Jutra are represented here Noteworthy films include *Mon oncle Antoine* often cited as Canada's number one film of all time such Cannes Festival favourites as *Le declin de l'empire américain* and *Exotica* and cult films *Careful* by Guy Maddin and *Masala* by Srinivas Krishna The essays offer the latest word on these films and filmmakers done from a variety of perspectives Some of the films have never been examined in depth before Complete filmographies and bibliographies accompany each essay A contextualizing introduction by Professor Gene Walz provides the necessary overview An annotated bibliography of books on the Canadian film industry completes this impressive package

Routledge International Encyclopedia of Queer Culture David A. Gerstner, 2006-03-01 The Routledge International Encyclopedia of Queer Culture covers gay lesbian bisexual transgender and queer GLBTQ life and culture post 1945 with a strong international approach to the subject The scope of the work is extremely comprehensive with entries falling into the

broad categories of Dance Education Film Health Homophobia the Int **For the Gay Stage** Drewey Wayne Gunn,2017-06-02 Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London s West End This comprehensive guide goes well beyond these earlier studies by introducing productions from Off Broadway from regional theaters in the U S and U K and from Ireland Canada Australia New Zealand and South Africa Also included are Puerto Rican Indian and Filipino plays written in English as well as translations from other languages Well over half of the works discussed here appear for the first time in such a study *University of Toronto Quarterly* University of Toronto,1997 [□□□□□□□□□□](#) ,1994 *Canadian Cultural Poesis* Garry Sherbert,Sheila Petty,Annie Gérin,2006-02-03 Annotation Examining culture as social identity this collection explores issues such as gender technology cultural ethnicity and regionalism in four general areas the media individual and national identity languages and cultural dissent Performing National Identities Sherrill Grace,Albert-Reiner Glaap,2003 A collection of 18 original essays on contemporary Canadian theatre by drama specialists in Belgium Finland Germany Hungary and elsewhere Moonfleece Philip Ridley,2014-02-14 Moonfleece is an intense and thrilling exploration of memory and identity with themes of contemporary resonance racism homophobia and how those in authority distort both the truth and the past This play is Philip Ridley s most direct representation yet of his hopes and fears for disadvantaged diverse communities of today s society as two groups of teenagers are forced to judge for themselves the prejudices and preconceptions of their parents This is a vital relevant and compelling story for the whole country and especially young people from all backgrounds The plot follows Curtis who has arranged a secret meeting in a flat of a derelict tower block Years ago when he was a child Curtis lived here before tragedy struck in the form of his elder brother s death Now Curtis is seeing his brother s ghost With the aid of Gavin and Tommy fellow members of the right wing political party of which he is a leading figure and his ex girlfriend Sarah Curtis aims to find out why this ghost is haunting him Things however do not go as planned and a hitherto secret story has to be revealed A story that will change Curtis s life forever *Stage-Bound* André Loiselle,2003 Annotation Although feature film adaptations of Canadian plays have become increasingly common in the past decade the practice of turning drama into film began in Canada in 1942 when Hilda Hooke Smith s *Here Will I Nest* was brought to the screen Over the years some adaptations have enjoyed a fair measure of success while others have fallen into oblivion but virtually all of them have engaged with their theatrical origins often leading to criticism that they remain too rigidly anchored to the stage *Stage Bound* the first extensive study of Canadian and Quebecois drama challenges this reductive interpretation Andre Loiselle demonstrates that theatricality is central to the meaning of these films and in the process reclaims them BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *New York Magazine* ,1995-06-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from

politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine, 1995-07-24

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Canadian Cinema Since the 1980s** David L. Pike, 2012-12-06 Award winning author David L Pike offers a unique focus on the crucial quarter century in Canadian filmmaking when the industry became a viable force on the international stage Pike provides a lively personal and accessible history of the most influential filmmakers and movements of both Anglo Canadian and Quebecois cinema from popular movies to art film and everything in between Along with in depth studies of key directors including David Cronenberg Patricia Rozema and Denys Arcand Jean Claude Lauzon Robert Lepage L a Pool Atom Egoyan and Guy Maddin Canadian Cinema since the 1980s reflects on major themes and genres and explores the regional and cultural diversity of the period Pike positions Canadian filmmaking at the frontlines of a profound cinematic transformation in the age of global media and presents fresh perspectives on both its local and international contexts Making a significant advance in the study of the film industry of the period Canadian Cinema since the 1980s is also an ideal text for students researchers and Canadian film enthusiasts *Writing the Character-Centered Screenplay, Updated and Expanded edition* Andrew Horton, 2000-02-23 We need good screenwriters who understand character Everywhere Andrew Horton traveled in researching this book from Hollywood to Hungary he heard the same refrain Yet most of the standard how to books on screenwriting follow the film industry's earlier lead in focusing almost exclusively on plot and formulaic structures With this book Horton a film scholar and successful screenwriter provides the definitive work on the character based screenplay Exceptionally wide ranging covering American international mainstream and off Hollywood films as well as television the book offers creative strategies and essential practical information Horton begins by placing screenwriting in the context of the storytelling tradition arguing through literary and cultural analysis that all great stories revolve around a strong central character He then suggests specific techniques and concepts to help any writer whether new or experienced build more vivid characters and screenplays Centering his discussion around four film examples including *Thelma Louise* and *The Silence of the Lambs* and the television series *Northern Exposure* he takes the reader step by step through the screenwriting process starting with the development of multi dimensional characters and continuing through to rewrite Finally he includes a wealth of information about contests fellowships and film festivals Espousing a new character based approach to screenwriting this engaging insightful work will prove an essential guide to all of those involved in the writing and development of film scripts
