Love And Longing In The Near North:

Love and Longing in the Near North John Peter Kooistra, 2000 **A-I** James Orchard Halliwell-Phillipps, 1855 **A Dictionary of Archaic and Provincial Words, Obsolete Phrases, Proverbs, and Ancient Customs, from the Fourteenth Century** James Orchard Halliwell-Phillipps, 1881 *A Dictionary of Archaic and Provincial Words* James Orchard Halliwell-Phillipps, 1865 **A Dictionary of Archaic and Provincial Words, Obsolete Phrases, Proverbs, and Ancient Customs, from the Fourteenth Century** James Orchard Halliwell, 1852 *A Dictionary of Archaic & Provincial Words, Obsolete Phrases, Proverbs & Ancient Customs, Form the Fourteenth Century* James Orchard Halliwell-Phillipps, 1852

A Dictionary of Archaic and Provincial Words James Orchard Halliwell, 2018-12-14 So far I may be permitted to speak without intrenching on the limits of criticism A work containing more than 50 000 words many of which have never appeared even in scattered glossaries and illustrated with very few exceptions by original authorities much contain valuable material for the philologist even if disfigured by errors With respect to the latter contingency I am not acquainted with any glossary comprising merely a few hundred words which does not contain blunders although in many instances the careful attention of the editor has been specially directed to the task Can I then anticipate that in a field so vast that no single life would suffice for a minute examination of every object I could have escaped proportionate liabilities That such may be pointed out I have little doubt notwithstanding the pains to prevent their occurrence but it will be manifestly unfair to make them the test of merit or thence to pronounce a judgement on the accuracy of the whole **Love and Poetry in the Middle East** Atef Alshaer, 2021-12-30 Love has been an important trope in the literature of the region we now call the Middle East from ancient times to modern This book analyses love poetry in various ancient and contemporary languages of the Middle East including Akkadian ancient Egyptian Classical and Modern Standard Arabic Persian Hebrew Turkish and Kurdish including literary materials that have been discovered and highlighted for the first time Together the chapters reflect and explore the discursive evolution of the theme of love and the sensibilities styles and techniques used to convey it They chart the way in which poems in ancient poetry give way to complex and varied reflections of human sentiments in the medieval languages and on to the modern period which in turn reflects the complexities and nuances of present times Offering a snapshot of the diverse literary languages and their relationship to the theme of love the book will be of interest to scholars of Near and Middle Eastern Literature and Culture **Early Modern Japanese Literature** Haruo Shirane, 2008 This abridged edition of Haruo Shirane s popular anthology *Early Modern Japanese Literature* retains the essential texts that have made the original volume such a valuable resource The book introduces English speaking readers to prose fiction genres including dangibon kibiyoshi satiric picture books sharebon books of wit and fashion yomihon kokkeibon books of humor gokan bound books and ninjobon books of romance and sentiment It also features poetic genres such as waka haiku senryu and kyoka and plays ranging from Chikamatsu s puppet plays to nineteenth century kabuki Readers will continue to benefit from the anthology s

selection of significant essays treatises literary criticism folk stories and other noncanonical works as well as the numerous prints that accompanied these works They will also find Shirane s introductions and critical commentary which guide the reader through the allusive and often elliptical nature of these incredible selections Catalog of Copyright Entries ,1928

An Echo in the Mountains Nicholas Bradley,2020-09-23 From the 1960s until his death in 2000 Al Purdy was one of the most prominent writers in Canada famous for his frank language and his boisterous personality He travelled the country and wrote about its people and places from Newfoundland to Vancouver Island A central figure in the CanLit explosion of the sixties and seventies Purdy has been called the best the most and the last Canadian poet But Purdy s Canada no longer exists A changing country and shifting attitudes toward Canadian literature demand new perspectives on Purdy s impact and accomplishments **An Echo in the Mountains** reassesses Purdy s works the shape of his career and his literary legacy grappling with the question of how to read Purdy today a century after his birth and in a new era of Canadian literature Contributors to the volume examine Purdy s critical reception explore little known documents and textual problems and analyze his representations of Canadian history and Indigenous peoples and cultures They show that much remains to be discovered and understood about the poet and his immense body of work The first sustained examination of Al Purdy s works in over a decade **An Echo in the Mountains** showcases the critical challenges and rewards of rereading an iconic and influential Canadian writer

The Middle English Mystics Wolfgang Riehle,2019-06-26 Originally published as an English translation in 1981 **The Middle English Mystics** is a crucial contribution to the study of the literature of English mysticism This book surveys and analyses the language of metaphor in the writings of such mystics as Richard Rolle Walter Hilton Julian of Norwich and in such anonymous works as *The Cloud of Unknowing* and *the Ancrene Wisse* The main emphasis of this comparative and stylistic study is not theological but rather the means by which theological concepts are communicated through language The book sets the English mystics in perspective by establishing their place in the European mystical movement of the Middle Ages It shows how intricate the relationship between English and continental mysticism really is The book suggests that there is clear links between English and German female mysticism yet the mysticism is in the main due not so much to specific influences as to the common background of Christian theology and mysticism

In Love with the World Yongey Mingyur Rinpoche,Helen Tworikov,2019-05-07 A rare intimate account of a world renowned Buddhist monk s near death experience and the life changing wisdom he gained from it One of the most inspiring books I have ever read Pema Ch dr n author of *When Things Fall Apart* This book has the potential to change the reader s life forever George Saunders author of *Lincoln in the Bardo* At thirty six years old Yongey Mingyur Rinpoche was a rising star within his generation of Tibetan masters and the respected abbot of three monasteries Then one night telling no one he slipped out of his monastery in India with the intention of spending the next four years on a wandering retreat following the ancient practice of holy

mendicants His goal was to throw off his titles and roles in order to explore the deepest aspects of his being He immediately discovered that a lifetime of Buddhist education and practice had not prepared him to deal with dirty fellow travelers or the screeching of a railway car He found he was too attached to his identity as a monk to remove his robes right away or to sleep on the Varanasi station floor and instead paid for a bed in a cheap hostel But when he ran out of money he began his life as an itinerant beggar in earnest Soon he became deathly ill from food poisoning and his journey took a startling turn His meditation practice had prepared him to face death and now he had the opportunity to test the strength of his training In this powerful and unusually candid account of the inner life of a Buddhist master Yongey Mingyur Rinpoche offers us the invaluable lessons he learned from his near death experience By sharing with readers the meditation practices that sustain him he shows us how we can transform our fear of dying into joyful living Praise for In Love with the World Vivid compelling This book is a rarity in spiritual literature Reading the intimate story of this wise and devoted Buddhist monk directly infuses our own transformational journey with fresh meaning luminosity and life Tara Brach author of Radical Acceptance and True Refuge In Love with the World is a magnificent story moving and inspiring profound and utterly human It will certainly be a dharma classic Jack Kornfield author of A Path with Heart This book makes me think enlightenment is possible Russell Brand
