**Melancholy, Love, and Time** Peter G. Toohey, 2010-03-11 Ancient literature features many powerful narratives of madness depression melancholy lovesickness simple boredom and the effects of such psychological states upon individual sufferers Peter Toohey turns his attention to representations of these emotional states in the Classical Hellenistic and especially the Roman imperial periods in a study that illuminates the cultural and aesthetic significance of this emotionally charged literature His probing analysis shows that a shifting representation of these afflicted states and the concomitant sense of isolation from one's social affinities and surroundings manifests a developing sense of the self and self consciousness in the ancient world This book makes important contributions to a variety of disciplines including classical studies comparative literature literary and art history history of medicine history of emotions psychiatry and psychology Peter Toohey is Professor and Department Head of Greek and Roman Studies at the University of Calgary Canada *Dr. Susan Love's Breast Book* Susan M. H. Lawrence,1987-05-21 Seen by Lawrence as his most accomplished book but subject to the initial prudery and incomprehension that met most of his fiction *Women in Love*

examines the regenerative and destructive aspects of human passion as illustrated by its depiction of Ursula and Gudrun Brangwen who first appeared in *The Rainbow* and their relationships with Gerald Crich and Rupert Birkin. Set against the backdrop of a world consuming itself in war, the novel creates an instructive vision of humanity's dance with life and death. This text is the famous first *Women in Love*, the unexpurgated version preferred by Lawrence himself, which was rejected by every publisher because of the banning of *The Rainbow* in 1915. More positive in tone than the revised version published in his lifetime with different central relationships and a radically different ending, it is now viewed by many as Lawrence's masterpiece. **BOOK JACKET** *The Devil's Love* Julia London, 2009-09-30 A woman's desire. With dreams of a great romantic love, Abigail Carrington sails to England to marry the man she has loved since childhood, Michael Ingram, Marquis of Darfield. She believes her betrothed is a generous and noble man who has been longing for her. But the handsome man waiting for her at the altar is a dark brooding stranger who rushes her into marriage then abandons her at his country estate. Only the passion of Michael's kiss gives her hope that theirs can be more than a marriage of convenience. A man's need. With scandal shadowing his past, Michael, the Devil of Darfield, had no need for a wife. Remembering only the little hellion who made life miserable for him aboard her father's ship, he resents the agreement he made to marry her so he could save his ancestral home. Though determined to ignore her, he cannot stop thinking about his lovely violet-eyed bride. Her beauty tempts him. Her charm bedevils him. He tries to drive her away until he almost loses her. Then he vows to regain her love before it is too late.

*Women in Love* David Herbert Lawrence, 1922 Growing up in the sheltered society of 1920s England, Gudrun and Ursula know little about the ways of love. So when they pursue thrilling, torrid affairs with a notorious playboy and a brooding philanderer, what they discover about their lovers and themselves may be more all-consuming and dangerously volatile than they ever dared imagine. **Container** ***Women in Love*** David Herbert Lawrence, 2008 Lawrence explores the complex relationship between two couples in a novel set in a small Midland colliery town. ***This Crazy Love*** S. L. R. James. ***If Only Love*** Jalene Haines, 2021-07-30 Child abuse was once a taboo subject which families, neighbors, schools, church staff, and membership worked diligently to maintain secrecy. Passage of the Child Abuse Prevention and Treatment Act (CAPTA) in 1974 marked the nation's first major step forward in addressing issues related to child abuse. Following this, states had mandatory reporting laws for persons aware of such abuse. This book covers the subject of child abuse prior to CAPTA. Even though members of a family and community may have been aware of such abuse, they chose not to be involved. Occasionally, someone might speak up about such abuse, but without agencies to intervene, the child's abuse routinely increased in severity. For individuals like Jalene, the victim of child abuse and domestic violence, there were no agencies to assist her pleas for help. In 1982, the Domestic Protection Act came into place when it came to protect individuals from domestic violence. However,

domestic violence in the church remained strong and without resources According to statistics in 2017 in the Christian community one in every four women experiences family violence As the awareness and incidence of domestic violence increases many pastors still adhere to the philosophy that spouses are to remain married because they took a vow before God Some pastors find themselves ill equipped to deal with the crisis of domestic violence There is very little if any training provided in the majority of seminaries on family violence This book also discusses the topic of parental alienation syndrome PAS which added another layer of sorrow to the author of this book PAS is a term to describe psychological manipulation or undue influence of a child by a parent against the other parent preventing an ongoing relationship between the victimized parent and their child

**Cancer: A Love Story** Dave Faber,2014-11-18 Dave Faber and Robert McGehee were meant to be together Less than two years after their first date they were married They ate out together went to movies and did everything else a loving couple does They even decided to train together for the Houston Marathon in 2006 Like every couple they expected to face hard times but neither was prepared for Robert s diagnosis of esophageal cancer But just like everything else this was a fight they would wage together After learning what he was up against Robert suggested to Dave that he keep friends and family informed about their battle against the disease This account draws on that correspondence and includes intimate details of their battle that may have otherwise been lost Dave stands by Robert s side through surgery chemotherapy radiation and physical therapy Throughout his illness their intimacy and love for each other grows Whether you re suffering from a serious disease or illness or caring for someone who is Dave and Robert s love story and spiritual journey will inspire you to keep your faith in each other and in the world around you even through the most difficult times

*defining rate dependent yield with yield stress ratios* - Mar 02 2023

web abaqus allows you to define a material's yield behavior accurately when the yield strength depends on the rate of straining and the anticipated strain rates are significant you can define strain rate dependence in two ways enter hardening curves at different strain rates directly as described in the following sections

**modelling time dependent behavior of buried polyethylene pipes using abaqus** - Aug 27 2022

web constant strain rates ranging from  $10^{-5}$  s to  $10^{-1}$  s these strain rate dependent stress strain relations are used in the input file and were simulated using fe modelling using abaqus same size of the specimen i.e. 12.7 mm diameter and 25.4 mm height is modelled in the fe analysis figure 1 shows the fe mesh developed both
