
"What children want to know about sex is 'everything,' and this book tells it all in simple, dignified, forthright terms. **Love and Sex in Plain Language** is a great book, much needed. I recommend it highly."

—Louise Bates Ames, Ph.D.,
Co-Director,

Gesell Institute of Child Development

"Admirably written, straightforward, and full of factual information—an excellent book."

—Genevieve Millet Londau,
Editor in Chief,
PARENTS' MAGAZINE

The Plain Language of Love and Loss

Beth Taylor,2013-08-08 On November 16 1965 Beth Taylor s idyllic childhood was shattered at age twelve by the suicide of her older brother Geoff Raised in an intentional community north of Philadelphia a mix of farm village hippie commune and suburb she and her siblings were instilled with nonconformist values and respect for the Quaker tradition With the loss of her beloved brother Taylor began her complicated journey to understand family loss and faith Written after years of contemplation *The Plain Language of Love and Loss* reflects on the meaning of death and loss for three generations of Taylor s family and their friends Her compelling portrait of Geoff reveals a boy whose understanding of who he was came under increasing attack He was harassed by schoolmates for being a commie pinko coward and he tried to appease fellow Boy Scouts after he abstained from a support the troops rally Touching on the timely issues of bullying child rearing and nonconformity Taylor offers a rare look at growing up Quaker in the tumultuous 1960s Taylor tells how each stage of her life exposed clues to the subtle damage wrought by tragedy even while it revealed varieties of solace found in friendships marriage and parenting As she struggles to understand the complexities of religious heritage patriotism and pacifism she weaves the story of her own family together with the larger history of Quakers in the Northeast showing the importance of family values and the impact of religious education Beth Taylor says that she learned many things from her childhood in particular that history is alive and shapes how we judge ourselves and choose to live our lives She comes to see that grief can be a mask a lover and a teacher

Sex Guides Patty Campbell,2017-04-07 The history of the sex guide for adolescents documents the quite unconscious movement of Western culture s ideas about sex and youth revealing the heritage of our own sexual beliefs and codes of behaviour The first section of this book first published in 1986 traces the development of the sex guide examining 400 books from 1892 to the 1980s The second section comprises a detailed analysis of the patterns content and usefulness of all the contemporary manifestations of the genre The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality
