We all crave love We try to fill the void inside with any number of poor substitutes We seek validation from empty outlets We're thirsty for compliments We change who we are to impress people who aren't looking and don't care Yet we are still desperately searching for a love that changes everything for us a love that doesn't fade and doesn't fail even when we do That's the kind of love God shows that he has for us through the remarkable story of Hosea and Gomer Unpacking this powerful love story from the Old Testament in a way you have never heard pastor Micah Berteau releases us from the fears hurts insecurities and anxieties of life by showing us just how extravagantly we are loved in spite of our faults our failures and our sins If you're tired of trying so hard to be worthy of someone else's love lost in what's fake or drawn to live in the temporary Micah Berteau has good news for you there is a better way to live and love Foreword by Jentezen Franklin

Pitre, 2025-09-23 A Bold Human Centered Guide to Leading Change That Actually Works What if your biggest barrier to change isn't strategy but humanity In Love as a Change Strategy the team behind the Wall Street Journal bestseller Love as a Business Strategy is back with an urgent deeply human follow up This isn't another dry playbook on change management It's a wake up call for leaders who are tired of fear fueled cultures toxic transformation and surface level solutions The truth Most change fails because people resist what they don't trust and leaders aren't willing to change themselves first That's where this book begins Part memoir part practical guide and part leadership journey Love as a Change Strategy takes readers inside one company's brutally honest transformation story Through powerful storytelling actionable tools and sharp insights the authors

reveal what happens when you lead change from a place of love not fear Inside you ll discover Why most change efforts collapse and how to fix them Real stories of failure ego and redemption from the authors own leadership team A people first framework to lead adaptive change in any organization The change principles that build trust accountability and forward momentum How to confront resistance navigate chaos and make love your change strategy If you re leading change or trying to survive one this book is your roadmap Raw honest and transformational Love as a Change Strategy is the leadership reset we all need **Wonderland love stories part (1)** Alice Williams,2019-08-30 This is a book of love stories of my life wrote out in poem terms it is my new beginning for my life And future *Morality - Nature's Crowning Achievement* Bill Wilson,2022-12-06 In his previous book Faith Refractioned the author suggested that faith needs to be periodically refracted by looking at it through the lens of our prevailing understanding of the world For our fathers this was the world of supernatural beings and mystical powers For us today it is the world of science and reason and faith will only reveal its true beauty when refracted through this prism In this book the author addresses an argument made by religious traditionalists which says that without God or gods there can be no morality He outlines how morality can be explained as a natural phenomenon how it helps humanity survive and thrive and how it can be encapsulated within the framework of a moral compass The author observes that for our forefathers morality was obedience to the laws of God But with the belief in God in sharp decline in most of the Western world morality either doesn t exist or it is somehow part of our evolved nature Accordingly through much trial and error an almost global consensus has been achieved about the elements of a moral code But this consensus is fragile and demands constant nurturing if it is to withstand the pressures of modern high speed living
