**The Golden Hour** Patricia Dianne Pinter, 2022-05-30 Judith's Story The story begins in the University of Wisconsin Hospital Emergency Room on a stormy November evening as doctors and nurses struggle to save Judith Von Trier's life Twenty minutes earlier Judith had crashed across the center line into oncoming headlights Critically injured under the brilliant operating lamp Judith lifts and floats near the ceiling of the trauma room looking down at herself in the scene below Defibrillator paddles slapped in place jolt her like a blast of lightning sending her into an oppressive black void In that moment she realizes she is in The Tunnel looking to the far off white light at the end of it A small object begins to materialize out of the light and draws closer Moments later a newborn infant girl drops into her arms

Judith is struck with immediate understanding that she holds her future life her next incarnation in her arms and she knows what she must do to survive First she must travel back forty seven years to watch her life relived It is April of 1954 again Judith views her own birth through the eyes of a newborn Her life revealed before her just as it happened a happy early childhood tragic losses first love and heartbreak She is driven to avoid any future pain and takes harsh control of her life and everyone in it until she reaches the moment of the crash again Baby s Story Then more frightening Judith must see into her possible future life as Baby should she die Judith wraithlike is compelled to watch as surreal scenes unfold before her For the second time in the span of one hour of her life she sees the moment of her own birth Judith must wait until Baby s story is finished knowing all this will happen if she dies and the terrifying white light tries to claim her She must stand by helplessly while trying to find her one chance to survive

Following Jesus David Lowry,2020-05-12 We live in a time when many view the church as a relic of ancient traditions and cosmologies often reactionary mean spirited nationalist and racist They see those who call themselves Christians reacting in fear to the changes around them rather than like Jesus boldly declaring and living out God s compassion and justice Some who view themselves as nonbelievers point out often with great clarity the distance between so called Christian witness and the teaching of Jesus This book takes us back to the first followers of Jesus and their attraction to Jesus and his teaching It reexamines what they encountered in Jesus that led them to follow him and it analyzes the dynamics of following This exploration becomes a call to let Jesus lead us into God s presence and liberating action By doing so we experience a stripping away of our false religiosity misplaced commitments and idolatries As we join with others in a community of Jesus s followers gathered by Jesus to be sent out we exercise true society altering witness
