*Love in Black and White* Marcus Harvey (author),1901      *Love Me Black Or Love Me White* Agnes Arany,2009-04  
Twenty three year old Anna is mesmerized when she meets thirty one year old Edmund a medical student attending a university in Budapest Hungary While Anna sees nothing wrong with her relationship with Edmund her parents and others are critical of her dating a black man from Kenya In this lead story in a collection of seven *Love Me Black or Love Me White* describes the hypocrisy of the communist regime as well as the world seeing only skin color instead of human beings The stories in *Love Me Black or Love Me White* are charged with contemporary interest human dignity in an indifferent world as seen through the eyes of author Agnes Arany Based on real events each story takes place in a different country Violations originated from Arany s experiences as an interpreter in the Soviet Union and witnessing the roots of Communism Wives are Best When Thrashed The Old Hindu and Palm Branch and Typhoon arose from her personal observations while traveling abroad A keen observer of the reality around her Arany harbors sympathy for the world s downtrodden and explores these issues in this collection *Love Me Black or Love Me White* describes the world as she sees it and demonstrates that life itself is the best storyteller      *Why Black Men Love White Women* Rajen Persaud,2009-03-03 Why do so many black men desire and covet the company of white women And why does this subject deeply touch so many people of both races Is it a matter of love sex revenge power or politics All of the above asserts Rajen Persaud in this illuminating no holds barred book that will have readers laughing with recognition while fundamentally changing the way they see just about everything from sex and marriage to gender and race in all its foibles pretensions and ultimate possibilities      *Dissatisfaction Between Black and White (the Other New World Order)* Elijah Muhammad,2009-07 This book delves into the two positions perplexing the Black nation in America as a result of chattel slavery One is the desire to stay with their former slave masters and seek civil rights despite being subjected to genocide through multi forms of integration The other is written by Messenger Elijah Muhammad We believe the offer of integration is hypocritical and is made by those who are trying to deceived the black people into believing that their 400 year old open enemy of freedom justice and equality are all of a sudden their friends Furthermore we believe that such deception is intended to prevent black people from realizing that their time in history has arrived for the separation from the whites of this nation If the white people are truthful about their profess friendship toward the so called Negro they can prove it by dividing up America with their slaves      *Reggae Love Love in Africa Three White Women, One Black Man PART ONE + TWO* Dantse Dantse,2022-01-27 Johnny Walker is a young African man from Cameroon who wants to be successful He comes from a good family but his world falls apart when his father dies After his father s death it becomes clear that he was in extreme debt and Johnny was now without money But he never complained never whined and was always in a good mood He accepted things the way they were and tried to benefit from them He is an imaginative extremely positive man and finances his life with small intermediary deals and rich married women He is a hero with the ladies because of his
