How I Learned To Love Her Shubham Joshi,2021-01-16 We all have got our journeys in life some lead to destinations others lead to a new beginning again but everything ends up teaching something Love is indeed very precious In the walk of our lives we come across many strangers with whom we share many moments These are undoubtedly the one whom we love and it becomes so arduous to understand when love happens by chance It feels so good to talk about a school love story a story without a relation where the two strangers strangers even when they were well known to each other and continued to be a stranger loved each other but believed in their Destiny Shaurya a nerd boy who just opposed his name's meaning lacked the courage and courage to speak his heart Time is his deadliest fear Abhilasha a lovely girl who was synonymous with the meaning of her name was loved by all happiness is her shadow Both of them are busy accepting whatever is going on in their life and their Destiny is still unjustified which is desperate with many surprises Waiting for years the story is all about the unexpected that happened in their life And finally one question which strikes corner to corner in their heart and mind WHAT MATTERS
